"IRENE" GOOD MUSICAL COMEDY, HERE MONDAY

"Irene" is one of the top-notch musical comedies will be at the Vining Monday night. The admission is placed reasonably low for this size town, ranging from a dollar and a half to two and a half, plus tax. "Irene" is one of the better musical comedies, with a wide variety of tunes and new comedy situations. Best of all it is full of good music and, as most folks like good popular music, Irene should draw a big attendance as it is here only for the one night. Dale Winter is credited with being one of the good songbirds of the musical-comedy firmament; sufficiently s to get favorable men-

tion and her photograph in leading popular magazines, which are "say-so" as to who has headliner capacity in musical comedy and stage performance.
