However when questioned, he explained that he was not forced to the bastille, but rather visited personal friends at the notorious Second and Oak street corner. The purpose of his trip was to attend the banquet given in honor of the prize rifle team in the United States, that recently competed at Camp Perry, Ohio.

Mr. Loveland has pupils in Medford whom he visited yesterday and stayed to play in the D. O. K. K. band concert at the Armory last night. According to Mr. Loveland the crowd was not as large as it should have been, but the music was enjoyed by everyone who heard it. Several Ashlanders drove down from here.

**Crops Reported Good**  
 Mr. and Mrs. C. B. Lamkin motored to their farm near Montague yesterday. Two Ford machines were seen piled in heaps near the highway, in two different places caused by the tricky wet pavement and had curves. Crops are reported good, according to Mr. Lamkin, who says further that there has been about the same amount of rain that Ashland has had this fall.

### Mr. Dillard Improving

Frank Dillard, engineer of the Talent Irrigation Company, is improving slowly from a recent serious operation at the Community Hospital. Mr. Dillard has been seriously ill, but is to return to his home when his condition is satisfactory to allow it.

### A Word from the Wise

Carl Loveland says there is to be no "maybe" about the practice that is called for the entire east of the Lithian show, Sunday afternoon at 2:30 sharp. Everyone is to be there and a word from the wise is sufficient, according to the leader.

### Excellent Grade is Made

J. R. Maxedon, well known dairy man, received advice recently from the U. S. Marine Corps that his son, Arthur Maxedon had passed a test in Inorganic Chemistry as connected with his course in Pharmacy, with a score of 100 per cent. Arthur Maxedon will be remembered by members of earlier high school years, and he has been in the U. S. Navy for the past few years stationed at San Francisco. The grade is an exceptionally good one and Mr. Maxedon is justly proud of his son's accomplishment.
