Before The Collision The time to be thrifty is before you are hard up, and the time to protect yourself from damage suits is before your automobile injures or kills someone.

The question is not— Can I afford to carry automobile liability insurance? But—Can I afford to drive an automobile without carrying adequate protection in that line?

Let us tell you how little it will cost to have this protection. DO IT NOW Billings Agency

Miss Wells is a returned missionary from the Congo country in Africa. She returns soon to her field. Her address was one in which every one was deeply interested. Miss Wells told of her preparation, her study of the language her trip to Africa and in-

to the interior. She told of her companions, Mr. and Mrs. Moon who accompanied her and of those at the station and also spoke of Miss Hattie Mitchell who has but lately gone to Africa, to the Mission Field. The news of Miss Mitchell will be of especial interest to her friends and relatives in Ashland.

While the workers are very few quate to the task, the response is wonderful; the Africans are so eager to learn. Altogether it was cough medicine for old and young an illuminating meeting. The at-
