Before The Collision

The time to be thrifty is before you are hard up, and the time to protect yourself from damage suits is before your automobile injures or kills someone.

The question is not—Can I afford to carry automobile liability insurance? But—Can I afford to drive an automobile without carrying adequate protection in that line?

Let us tell you how little it will cost to have this protection. DO IT NOW.

GOOD YEAR
THE best footing your car can get on rain-swept streets and slippery hills is the gripping All-Weather Tread of a Goodyear Tire. The high, thick, sharp-edged blocks of that famous tread take a slipless hold and hang on with a wedgelike action that prevents side-slip or skidding.

As Goodyear Service Station Dealers we sell and recommend the new Goodyear Cords with the beveled All-Weather Tread and back them up with standard Goodyear Service

Entertained at Dinner—Mrs. J. P. Wolf has had as house guests recently, Mrs. F. C. Coughlan of San Francisco, a lady whose broad and varied activities during the war in Belgium, France and England made her a particularly interesting conversationalist and a cousin Mrs. Chas. Pickford from Fresno California, who returned to her home Sunday.

During Mrs. Pickford's stay, there was a pleasant family gathering in celebration of the birthday anniversary of Mrs. Wolf, on Saturday last.

The complimented guests at the delightful dinner were Mrs. Chas. Pickford, Mrs. Wolf's cousin, Mr. and Mrs. Geo. A. Hunt of Medford and Miss Eleanor Moore.

Reception for Distinguished Guests—Although very little time was allowed for the arrangement of social functions for the distinguished visitors accompanying Imperial Potentate Conrad V. Dykeman, yet the wives of the officers of the Shrine planned a most delightful reception at the home of Mr. and Mrs. Thos. F. Simpson, at which the visiting ladies of the official party, with Mayor and Mrs. Geo. Baker were entertained.

Hours were from four till eight-thirty, when the train left for the south. However all did not go south, and the evening was completed with a very delightful card party.

The ladies were guests at the banquet served in Masonic Hall. It was rather a notable gathering, for the visiting ladies were from widely different localities: Brooklyn, Washington D. C., Chicago and Minneapolis, being represented.

Lovely bouquets were presented the guests upon their departure.

Civic Club Meets—The Civic Club will meet Tuesday of next week at the club house. The subject is one in which every home-maker is vitally interested.

Miss Grayce C. Teich, the County Demonstration Agent, will have the principal address of the afternoon. Those who have heard Miss Teich know how interestingly the subject will be discussed.

There is the usual routine of business, that is of considerable moment to the membership, to come before that body.

The hostesses of the afternoon are the Mesdames Fred C. Homes, F. H. Walker and C. A. Brown.

Also so near the holiday time it is hoped the membership will bear in mind this meeting and be present.

Music Club Meets—The Ashland Music Club will hold its meeting on Monday evening of next week at the home of Mrs. A. E. Woods.

There is much of importance to come before the members and a good program is arranged for the evening.

It is expected that every member will feel it incumbent to be present at this meeting.

Trinity Guild Bazaar—The Trinity Guild Bazaar will be held on December 20th at the Parish House.

Preparations have been made for this event for weeks. The Guild has met every week instead of fortnightly to create the lovely things that they offer for Christmas gifts.

A great variety of beautiful articles are offered, so that visitors may find almost anything they wish, displayed for inspection.

Neither Hawthorne nor High School Centers will plan for other meetings in December. The nearness of the holidays prevent many from coming who would otherwise do so.

Meet Again at Mrs. J. P. Dodge's. The Ashland Study Club will meet again at the home of Mrs. J. P. Dodge on the Boulevard, Monday the 17th.

The work of the afternoon will be that scheduled for December 17th, on the program, Mrs. Blake discussing the "Cedar" and Mrs. Wilmer Poley the "Outline of History."

The feature of the last meeting was the showing of a number of slides of the birds and flowers of Oregon that had been secured from the U. of O. Two sets did not arrive in time to be available at that meeting, so they were retained and will be shown in connection with Monday's work. The

Art Club Met Monday Evening—The Art Club of the city held its regular meeting Monday evening in the Club house.

After the usual formal business meeting was held, the evening was given over to the enjoyment of informal visit, while busy fingers were employed in dainty needle work.

Mrs. Geo. J. Kinz added an interesting note, by reading a letter from her brother, whose ship was the first to reach Yokohama after the terrible disaster.
