Modification of the rates will give Oregon livestock growers a wider market for their cattle. The present movement from eastern Oregon to San Francisco is small but it is expected the promised arrangement will bring about a de-

the benefit of the P. T. associacided change, since the bay retion. A comedy, "Christmas at gion offers an active market. In Pumpkin Holler," will be presenta way, competitive bidding for eastern Oregon cattle between the California and Oregon markets will thus be established.

> YREKA WOMAN KEEPS MARRIAGE A SECRET

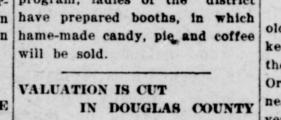

YREKA, Cal., Dec. 15 .- The old saying that a woman cannot keep a secret did not hold true in the case of the former Miss Jean Orr of Yreka, at least not for nearly a year. This fact was revealed this week when her moth-

er, Mrs. Alameda Orr, announced that her daughter was married to Merrill McAfee, son of a prominent Tonopah, Nevada, mining engineer, at San Rafael on December 23, 1922.

McAfee is a student at the University of Californa. Last Decemassessment, the total valuation beir, when Miss Orr visited him at Berkeley, they decided to elope to San Rafael. Their marriage took place and they returned quietly, without announcing the event.

Mrs. McAfee left last week to IN UNION COUNTY join her husband. She was widely LA GRANDE, Dec. 14 .-- La known in Siskiyou County.
