SAGE TEA DANDY
TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

Says His Prescription Has Powerful Influence Over RHEUMATISM

Has Also Proven Remarkably Successful in Severe Cases of Rheumatic Neuritis

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenru, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed the East Side Pharmacy to dispense Allenru with the understanding that if the first pint bottle does not show the way to complete recovery he will gladly return your money without comment.

W. C. T. U. Meeting—

Plans were forwarded at the meeting of the W. C. T. U. Tuesday, for the Frances Willard Memorial Observance to be held next Sunday afternoon at the Congregational church.

A chorus of children's voices from the Congregational Sunday school will sing; the quartet from the M. E. Church, under the direction of Mr. G. H. Yeo, will be on the program and Miss Louise Pinnell will have a solo.

The Union is also planning a birthday celebration of the Union. It will be 40 years old the 29th of April and there is one at least, and perhaps more of the original members still actively engaged in the work of the Union. Mrs. Ann Russell has been, and still is, a member for all these 40 years, and could surely tell the history of the growth of prohibition in Ashland.

Forty years ago there were six saloons in the then village. For many a year, Ashland has been dry; long before the state took the forward step.

The celebration plans include an afternoon meeting, a supper, and an evening meeting with perhaps representations of the Union 40 years ago and today.

Journal in the new home.

When refreshments were served much fun was created by the fortunes told in the teacups, and very wonderful they were.
