SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre at Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. No. 70

MUSIC MEMORY CONTEST

AUTHORS FOR TO-DAY

Sextette from "Lucia di Lammermoor"—Donizetti.

The plot of the opera is founded on Sir Walter Scott's novel "The Bride of Lammermoor." The Sextette, which is extremely beautiful and full of dramatic power, is the best known number from the opera.

Waltz from "Faust"—Gounod
In this popular concert waltz we can picture the different groups and individuals meeting, dancing, and gossiping in a gay changing scene.

Gounod was a French opera writer who lived 1818-1893.

OBITUARY

Mrs. Abbie Crockett Wadsworth passed away, Monday evening, April 1st, 1924, at 6:30 P. M. at the home of her daughter, Mrs. Geneva Allen on Nob Hill street, after an invalidism extending over five years. The immediate cause, the infirmities incident to advanced age.

Mrs. Abbie Crockett Wadsworth was born in Rockland, Maine in 1839, making her age 84 years, 5 months and 17 days at the time of her death.

Her young womanhood was spent in the middle west, at Marshall Missouri. Here Mrs. Wadsworth passed away in 1882. Nineteen years ago, Mrs. Wadsworth came west to Idaho to live, to be with her children; later coming to Ashland to make her home with her daughter, Mrs. Geneva Allen.

She is survived by a son, W. B. Wadsworth of Kellogg, Idaho, a daughter, Mrs. Geneva Allen, of Ashland; five grandchildren and a younger brother who lives at Rosalia, Washington.

Mrs. Wadsworth was of a very reserved but kindly and gracious nature. She was devoted to her family and her church.

The services will be from Stock's Funeral Parlors, the time depending upon the arrival of the son, Mr. W. B. Wadsworth, interment in Mountain View cemetery.

Tuesday, April 8.—W. C. T. U. All day meeting, Christian church

Tuesday, April 8.—French Club Meeting at 2:00 P. M.

Civic Club—

Tuesday of this week the Civic Club held its regular meeting with a program of interesting themes; given by members of the club.

It had been expected that Mrs. Albert R. Sweetser would be present as principal speaker but illness prevented. Instead, there were a number of very important subjects to consider, which made it one of the especially profitable meetings of the year.

The usual routine of business was taken care of in the opening of the session, a number of interesting reports being made. A letter was read from the former president of the Club, Miss Grace Chamberlain, that was of keen interest to the membership. In it she described a newly completed club house at Salinas, California.

It is a matter of deep regret that Miss Palmer's health will not permit them coming home until fall. Miss Palmer's illness is a matter of grave concern to her friends and all are hoping to see her with us again, in renewed strength in a few short months.

A letter was also read by Mrs. J. H. Fuller from the National president, Mrs. Winter, that was of considerable interest to those present.

Mrs. Perozzi, as a member of the Legislative Dept. was ready to discuss any one of a number of bills that are engaging the attention of thoughtful women. The one chosen was "Immigration Laws," and developed lively interest.

Mrs. A. C. Joy, who has the subject of "Americanization" in hand used a part of the time in the presentation of this important theme in very earnest fashion. The matter of arranging a study class in the club, or conducting a ten minutes quiz at each meeting was left for further consideration by the club.

At the close of this program the Southern Oregon District Federation had a committee meeting in the Red Cross rooms.

There were present delegates from Medford and Talent and members from Ashland.

The Vice-President of the Dist. Mrs. Hanky from Medford; the organizer, Mrs. Satchell from Medford also; the secretary, Mrs. Lor's Brown of Talent; Mrs. D. Perozzi, Mrs. A. C. Joy, Mrs. J. H. Fuller, chairmen of committees; and Mrs. Gordon Mac Cracken, president of the Dist. Federation, attended. Mrs. Tomlinson as president of the Hostess Club was likewise present.

Many plans were perfected for the meeting in May, and much of importance to the Federation considered.

On Saturday of this week, Mrs. MacCracken and a number of others go to Grants Pass to confer with Mrs. Sadie Orr-Dunbar, state president, and a number of the members from the Grants Pass Woman's Club.

These ladies are guests of the Grants Pass Club at their meeting and at luncheon.

At the close of the regular program tea was served by the hostesses of the afternoon, Mrs. W. L. Maxey and Mrs. B. R. Greer.

There was a good attendance at this meeting.

Special Meeting of Auxiliary—

There was a special meeting of the Auxiliary to the American Legion on Monday evening at their club room at the Armory.

One of the many important things that were considered was the planning of the campaign for the sale of the poppies.

Another thing was the arranging to sponsor "The Pioneer Trail" to be put on at the Vining the 15th, 16th and 17th of April.

In putting on this picture the Auxiliary is a unit in its support. The tinting of their pretty new

club room is now done, and with the dainty curtains and blue drapes it is indeed a restful and tasteful room in which to hold their meetings.

Church Societies Meet—

The Congregational Missionary society is in session today at the church. An interesting program has been planned. The subject is Japan, and Mrs. Jackson Geyer is the leader.

The Foreign Missionary society of the Methodist church meets at the home of Mrs. Van Fossen, Friday. The topic under consideration is Africa and a worth while program has been arranged. Mrs. Mallicoate has the program in charge.

The Dorcas Society of the Nazarene church met yesterday at the home of Mrs. C. W. Frazer. An account of the meeting will appear later.

The Ladies Aid of the Presbyterian church will hold its regular meeting on Friday afternoon in the Junior Room. It is expected that there will be a full attendance.

The Missionary Society of the Christian church will hold its meeting at the Christian church Friday, April the fourth. Their topic is Tibet and a splendid program has been arranged by Mrs. W. A. Cooper.

Trinity Guild holds its regular meeting today at the Parish house. Their social meeting occurs the third Wednesday evening of each month.

The Annual Dinner and Congregational meeting at the Christian church occurs next Sunday, as does the congregational meeting of the Presbyterian church to call a pastor.

The "Hit and Miss" Luncheon for the Sunday school workers of the Christian church occurs Friday night at 7:30 P. M.

Interesting Program—

The grand carnival and entertainment at Junior High on Friday evening promises to be one of unusual interest, judging by the program of events in the carnival feature, and the numbers on the program.

The entertainment begins at eight o'clock in assembly hall. The program is largely musical. The first number is a musical one from the fifth grade. A Motion Song follows from the first grade. The second grade gives a Clap Dance; followed by a Girls' Chorus from Junior High. Mist Maiden Dance is also given by Junior High.

Story Play from the third grade, is the next number and again Junior High appears in the Gypsy Song. A duet is then given by Mrs. Wallace and Mrs. Smith. The Girls' Chorus from Junior High precedes the play "The Gentle Jury" presented by the Junior High school teachers, and around which considerable interest centers.

At interested in Ashland schools and their improvement should be interested in this entertainment which is a benefit for the "Playshed Fund" that will mark a much needed improvement at Junior High.

Entertains at Dinner—

Mr. and Mrs. H. H. Elhart entertained informally at a very delightful dinner Tuesday evening in compliment to Mrs. Elhart's sister, Mrs. Robert Sutherland, from Portland, a recent bride, whose charming wedding was chronicled some time ago in the Tidings. She is a house guest this week at the Elhart home.

Other than the complimented guest, Miss Pauline Greaves of Medford and Mrs. Chester Putney were dinner guests on this occasion.

Alpha Club—

The Alpha Club will meet at Masonic Hall on Tuesday afternoon of next week.

At the last meeting which was a "Tea Towel Shower" the attendance was good, and the afternoon a most successful one and there was a goodly array of the desired articles completed as a result of the afternoon's industry.

Rebekahs Invited to Talent—

The Rebekah Lodge of Ashland has been invited to Talent, Saturday, evening to exemplify the degree work, which is scheduled to begin at 7:30 sharp.

Cases will be at the hall to convey all members that can go. They are expected to be on hand at the place of meeting from five to six-thirty, P. M., Saturday to insure being taken to Talent.

Talent expects to entertain the visitors right royally—a supper and perhaps a dance follows.

All who can possibly so arrange it are urged to go. A delightful time is assured all who attend.

Engagement Announced—

University of Oregon, Eugene—The engagement of Miss Katherine Watson, '25, to Mr. John An-

derson, '23, was announced early Sunday morning on the campus. Miss Watson is a junior in the university, majoring in English. Her home is in Chicago. She is a member of Phi Beta Phi sorority.

Mr. Anderson, since his graduation from the university school of journalism last June, has been on the staff of the Coos Bay Times, Marshfield. While here he was prominent in journalism work on the campus, being a member of Sigma Delta Chi, national journalism fraternity, and correspondent for Portland papers. He is also a member of Phi Mu Alpha, musical society, and of Phi Sigma Pi, social fraternity.

This announcement is of considerable interest to the friends of Mr. Anderson, who is an Ashland boy and attended Ashland High.

O. E. S. Meet—

At the meeting of the O. E. S. Tuesday evening there was an unusually large attendance and an especially good time was enjoyed by those present.

The refreshments were served by the men and were very delicious except for the trimmings which were in keeping with the day—April first. The adjuncts proved the source of much astonishment to the partakers and amusement to the onlookers.

Modish Millinery

Sport Hats

The Season's Most Fashionable Headwear

The most attractive chapeaux, for individual preference and personal becomingness are the Meadowbrook and Brodine models of the California sport hat.

We are showing all these, and other makes as well, in a variety of materials that makes the selection of the spring hat a pleasure and a delight, in the choosing from this wonderfully varied showing.

They come in all styles and prices to fit each individual requirement and the purse.

RUNAWAY PORTLAND GIRL LOCATED AT SACRAMENTO

SACRAMENTO, Apr. 13.—Thelma Butler, 16, who ran away from her home in Portland, Ore., three weeks ago with Mildred Cooper, a companion about her own age, was taken into custody late yesterday by Detective Louis Vogel. The girl was located in a dwelling at 1120 1/2 J Street, where she had occupied a room since her arrival here.

The girls ran away from Portland in a small automobile owned by the Cooper girl. Following their arrival here the adventure palled on Miss Cooper and a quarrel ensued, Miss Cooper drove her automobile back to Portland, leaving here March 22nd.

The Butler girl's stepfather, George Ironsides, is en route to Sacramento.

CUT THIS OUT—IT IS WORTH MONEY

Send this ad and ten cents to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., writing your name and address clearly. You will receive a ten cent bottle of FOLEY'S HONEY AND TAR COMPOUND for coughs, colds and hoarseness, also free sample packages of FOLEY PILLS, a diuretic stimulant for the kidneys, and FOLEY CATHARTIC TABLETS for Constipation and Biliousness. These wonderful remedies have helped millions of people. Try them! Sold everywhere.

And the result is that for the year ending June 30, 1923, there were brought into this country agricultural products aggregating the stupendous sum of \$3,315,000,000, while we only sold abroad (at prices less than production cost) \$1,927,000,000.

All the industries of our country except agriculture, are prosperous, and all pay good wages. This condition is very largely due to unjust favoritism of the tariff duties.

Manufactured articles are very largely protected, and what are not are protected by combination strength, while more than three and a quarter billions of dollars of agricultural products are brought in here to add to the "surplus" this country produces; to break down the wage scale of farmers and to force thousands more off the farms.

If the protective tariff system is to prevail in this nation then it should be impartial and just, that all industries be on the same

Department Of State Market Agent

Prepared in the Office of C. E. Spence, State Market Agent.

The tariff was originated as a sort of insurance against the competition of aliens—to raise the products to the price of our higher standard country, or to keep them out entirely. In a way it was a sort of a "bonus" to the farmers and manufacturers of this country.

But the schedules do not act automatically, they do not rise or fall with changing conditions. They rise by organization strength and political pull, and they seldom fall. And as the years go by they become one-sided, from the fact that organized interests keep raising the fence against their products, while agriculture, with little organization and few representatives in congress, has but a three-rail barrier between it and the products of many countries where wages, standards and money keep going down.

And the result is that for the year ending June 30, 1923, there were brought into this country agricultural products aggregating the stupendous sum of \$3,315,000,000, while we only sold abroad (at prices less than production cost) \$1,927,000,000.

All the industries of our country except agriculture, are prosperous, and all pay good wages. This condition is very largely due to unjust favoritism of the tariff duties.

Manufactured articles are very largely protected, and what are not are protected by combination strength, while more than three and a quarter billions of dollars of agricultural products are brought in here to add to the "surplus" this country produces; to break down the wage scale of farmers and to force thousands more off the farms.

If the protective tariff system is to prevail in this nation then it should be impartial and just, that all industries be on the same

level and the dollar of the farmer be worth as much as the dollar of the manufacturer. If tariff schedules are to protect those who cannot compete with alien producers, then let these schedules be so adjusted that three and a quarter billions of dollars worth of European and Asiatic products shall not be dumped onto the farmers of a country who are
