CAST AWAY from you all your transgressions, whereby ye have transgressed: and make you a new heart and a new spirit: for why will ye die, O house of Israel? For I have no pleasure in the death of him that dieth, saith the Lord God: wherefore turn yourself and live ye.—Ezekiel 18:31, 32.

SPRING FEVER TIME

Have you noticed your annual attack of spring fever coming on? The season of that malady, if it can be called that, is here, and it is high time to watch for its symptoms and to take a psychological inventory of the Ego, that mysterious being that moves our bodies as the operator of a marionette show moves his puppet-actors with strings.

Scientist have never been able to agree on exactly the cause of spring fever. Some say it is a lethargic drowsiness caused by the body eliminating poisons accumulated during the physical inaction of winter. Another theory regarding it is that it is a reaction from winter, the first warm weather compelling us to droop into the sluggishness of the tropics, from whence came our pre-historic ancestors. Mayhap it's an inheritance handed down from that age when cave men, after a long and monotonous winter, came forth to bask lazily in the warm sunlight of spring.

Odd thing, is temperature, in that it regulates the amount of energy generated by the body. It is difficult for many to work at all on a hot, summer day. Rainy weather also creates a desire for inaction and drowsiness on the part of many. Authorities tell us that human efficiency goes up or down with the mercury of the thermometer. At sixty to sixty-five degrees we perform our best physical and mental labor, which is perhaps the reason temperature of our homes and offices should be maintained at that degree.

Spring fever or not, spring is a glorious season. It is the sunrise of a new period in life, as hundreds of Ashland people will attest who walked or drove out yesterday into God's great open spaces and enjoyed the warm rays and balmy air of spring. It is the season when sap goes up in the trees, grass comes out as a green carpet and covers the hills and valleys. Flowers and fruit trees bud and bloom. Chirping and singing birds lend their earl to the song of spring. The snows of winter begin melting and start on their journey through the small rivulet to the sea. The bear leaves his den. Timber wolves stop running in packs, and mate. This is spring, a new resurrection, a new and glorious period in our earthly existence.

Spring is the season in which to take a new lease on life and to get a fresh start. Fill your lungs with plenty of fresh air and go to it.

Then again it is the season that the gardener bestirs himself. The golf bugs come, the fisherman looks up his dusty tackle and goes over it with a smile of delight. Small boys swarm to the vacant lots with marbles, baseballs and kites. There comes a vision of swimming pools. The best thing about spring fever is that it is a prelude to another season of activities, both in the field of endeavor and of pleasure.

FREE TEXT BOOKS

Public school education is popularly supposed to be free education. But free education which requires the purchase of text books by scholars is not free. So argued the proponents of free text books a hundred years ago and so they have argued ever since. Their arguments have had much effect since today forty-one states and the District of Columbia have laws of one sort or another regarding free books for public schools.

Six states provided school books at state expense, buying them directly from the state treasury. In thirteen states the laws make the purchase of books by local authorities mandatory, thus making each community pay for its own books through local taxation. In twenty-one states, school funds may be used for the purchase of free books. Some states furnish all books free; others furnish books for the lower grades and have high school pupils furnish their own.

There seems to be no reason why a pupil should buy a book, when the authorities do not require him to buy a desk, or pay a teacher. All three are part of the mechanics of teaching. But there is always the question of foolish economy to be considered, and the foolish economist wants to use state purchased books until it wears out, and to issue and use all the supply bought, even if a new and much better book is available. There is something to be said on both sides of the question, at least where the higher grades are concerned. Meanwhile, it is obvious that there is no child so poor but what he can get his education, book and all, at public expense, thanks to the spread of the idea that books should be available as teachers and schools.

Many a man gives a lady his car seat to keep her off his corn.

Daughters of the Nile Meet Saturday

The Daughters of the Nile will meet at Grants Pass on Saturday the 12th. All members are asked to bear this especially in mind. A number of Ashland ladies are eligible for the Spring Ceremonial to be held by the Queen in May in Medford.

Civic Club Plant Exchange

As was stated in Saturday's Tidings, the Civic Club are working most earnestly for the beautification of the city of Ashland. To that end, they have planned the exchange noted in that issue.

This is to be a shrub, plant or bulb exchange and everyone who can do so is earnestly requested to help in this splendid work. If anyone has a shrub, plant or bulb to contribute such as dahlias, daffodils, violets, pansies, chrysanthemums, roses, ornamental shrubs of any sort, or flowers other than those suggested they will be very welcome.

These may be brought to the Club House on Thursday afternoon. There will be ladies at the Club house to receive them.

The Exchange will be from 10 A. M. until 5 P. M. at the Club House on Friday and anyone wishing any of these plants may get them at these hours. This exchange is free. The Club ladies are giving their time to forward the movement for the beautification of the yards and lawns of Ashland.

The cooperation of all interested in making this truly a "City Beautiful" is asked.

Missionary Meeting—The Missionary meeting held Friday at the Christian church, under the leadership of Mrs. W. A. Cooper, had a splendid lesson on Tibet.

The ladies are planning to have a returned missionary to address them in the near future. Mr. E. R. Loom is expected soon, and this will be an excellent opportunity to hear of the work at first hand.

A "Box Social" is also planned to be given April 25th, in the interest of their Jubilee Bond.

Those who were present at this interesting meeting were the Mesdames Frank Shaffer, Dan Hatcher, Delpha Bryant, Katherine Morrison, W. A. Cooper, M. John Cochran, Floyd Putman, V. K. Allison, Wm. Hedrick, J. V. Wright, Alta Payne, Frank Crosson, Miss May Benedict and Rose Mary Allison.

Art Club Meets—The Art Club met last night at the Civic Club house with Mrs. Louis Schwein and Mrs. C. Baughman as hostesses for the evening. Mention will be made in Thursday's issue of the business and entertainment for the evening as planned by the hostesses.

Hawthorne P. T. A. Meets—The Hawthorne Circle of the P. T. A. will hold its April meeting at the Hawthorne building, in the library Wednesday at 3:15 P. M.

There will be more or less of important business to come before the Circle, not the least of which is the nomination of officers for the coming year. The elections occur in May.

A splendid program is planned for this meeting. The principal speaker, is Miss Dahl, the school nurse, who has a special message for the mothers.

Miss Lillian Reed's room will give pleasure by singing as will Sanford Rose, in a saxophone solo.

Every member of the Circle is interested in being present, and a cordial invitation is extended to those not members to come and enjoy the program with them.

Beautiful Pictures on Exhibit—Miss Hicks, librarian, announces that there have been received at the library a beautiful collection of pictures from Salem. These include pictures by Scandinavian, Russian and German artists. They are now ready for inspection, and everyone is invited to visit the library to see these interesting pictures, fuller details of which will be given in Thursday's Tidings.

Civic Club Meeting—The meeting scheduled for next Tuesday afternoon at the Civic Club, according to the program planned for that date in the year book, promises to be the one of considerable interest to everyone.

"Birds of the Pacific Coast," an illustrated lecture to be given by Mr. Willard Ayres Elliot, of Portland is the feature of the afternoon and it is hoped that nothing will prevent Mr. Elliot's appearance.

Birds of Oregon have been the subject of study by one club of the city and naturally, the schools cannot help being interested in the topic, so aside from the Civic Club membership, there are many who will be disappointed if the lecturer does not come.

The hostesses, as named in the year book are Mrs. August Schuerman, Mrs. S. R. Jeter and Mrs. Homer Billings.

Entertain Visitors from Grants Pass

Mr. and Mrs. John B. Hair of Liberty street, were host and hostess at a delightful dinner Sunday, with Mrs. Loughridge and Mrs. Blanchard of Grants Pass as complimented guests.

The ladies spent the day with their friends, Mr. and Mrs. Hair, returning home in the evening.

Rosebud Party

Maie Clary was the pleasing young hostess at a party given at her home on last Saturday on Church Street. The guests were members of the Rosebud class of the M. E. Sunday School and a few playmates who live in the neighborhood.

Games were played on the lawn and later all went indoors to enjoy two contests. Eleanor Coombe won first prize in both while Beulah Hervey was given the consolation prize.

Dainty refreshments were served at a long table beautifully decorated in pink. A huge rose formed the center piece, while graceful streamers of green vines marked each place. A large Rosebud cake with a lighted candle for each guest was an especially pleasing feature.

The guest list included Eleanor and Grace Coombe, May Powell, Adah Derrick, Muriel Cuthbertson, Georgia Coad, Wanda Schwein, Beulah Hervey, Marjorie Ackley, May and Mabel Clary, Mrs. Eastburn and daughter, Frances Lee.

Entertain Choir

Rev. and Mrs. P. K. Hammond were gracious host and hostess Friday evening at a most successful dinner party given at the Parish house at which covers were laid for fourteen. The guest list included the members of the choir of Trinity Episcopal church. The dinner was given before practice and a very delightful feature of the evening, and one most thoroughly appreciated by those privileged to be present.

Birthday Celebrated

The 65th, birthday anniversary of Mr. J. E. Randles was informally celebrated, Sunday at his pleasant home in Bellevue.

Mr. and Mrs. Merritt Randles and Mr. and Mrs. Guy Randles prepared a delicious surprise dinner and journeyed to his home unheralded. Mr. Adam Beigle of Hill was also a guest.

The dinner was served at noon and the afternoon was spent in the delightful visit of relatives and friends. Heartly congratulations were offered the guest of honor on this happy anniversary.

PROTECT YOUR CHILD'S HEALTH

Through thoughtlessness the slight cough or cold of a child is often neglected and soon becomes serious. A few doses of FOLEY'S HONEY AND TAR COMPOUND, at small cost, taken at the onset of the cold would bring speedy relief. Be prepared, have a bottle of this safe, reliable cough remedy on hand, and give promptly when a cough or cold is detected. Equally as effective for older persons. No opiates. Sold everywhere.

GO RIGHT AT IT

Friends and Neighbors in Ashland Will Show You a Way Get at the root of the trouble. Rubbing an aching back may relieve it.

But won't cure it if the kidneys are weak. You must reach the root of it—the kidneys. Doan's Kidney Pills go right at it; Reach the cause; attack the pain.

Are recommended by many Ashland people. Ask your neighbor! Mrs. Sarah Boots, 338 B. St., Ashland, says: "I was in a bad condition with kidney and bladder trouble and became so weak and run down I could hardly walk a block. My back ached constantly and my kidneys acted too frequently. My limbs and feet were swollen and I had dizzy headaches and nervous spells. I used different remedies but didn't get any better until I tried Doan's Kidney Pills. They soon helped me and I felt like a different person."

Thousands Have 'Tobacco Stomach'

The excessive use of tobacco is one of the most common causes of indigestion and stomach inflammation. Whether you smoke or chew makes little difference. The highly irritating juice of the weed is swallowed with the saliva, often setting up an acute inflammation of the stomach which may end in gastritis or chronic stomach inflammation. "Tobacco stomach" produces a number of distressing symptoms—first a loss of appetite, then an occasional attack of indigestion. Perhaps your food sours at times and you notice a peculiar burning in the stomach. These attacks occur with greater frequency as time goes on. Finally, if neglected, the condition becomes chronic, resulting in loss of flesh and general poor health.

Smith Bros.' M. A. C. Stomach Tonic has proven wonderfully successful in all forms of digestive trouble. It is sold on a positive guarantee of money back if the first bottle fails to relieve stomach inflammation or dyspepsia. The very first dose should convince. Nothing on earth I like it. You can get a large bottle for \$1.25. East Side Pharmacy will supply you. (Mail orders accepted.)
