YOU are always welcome to walk right into our office and get all the real estate advice you like without cost.

When a property owner wishes to sell his real estate he wants quick action as a rule. The best way to get results is for him to list his property with a reputable and energetic Realtor, exclusively.

With an exclusive contract, we, knowing that we are protected in our efforts to sell the property, will devote every possible energy toward making the sale. We will spend money advertising the property, which we would not do if other brokers had the property for sale. The chances for a satisfactory and prompt sale are obviously much greater under the exclusive contract. Ashland Realty Company.

ITCHING ECZEMA DRIED RIGHT UP WITH SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Rowles Mentho-Sulphur from any good druggist and use it like a cold cream.

Mrs. Beedie Gained 35 lbs. Taking Tanlac

Tanlac Relieved Her of Stomach Trouble and Built Her Up to Normal Weight.

"To be relieved of severe stomach trouble and have your weight increased from 115 to 150 pounds is indeed something to be thankful for and that is my reason for praising Tanlac so enthusiastically," recently said Mrs. D. L. Beedie, 363 7th Ave., San Francisco.

"Five years ago, I was in a woeful condition, entirely without appetite and suffering such agony from stomach trouble that I could hardly endure it. Finally my condition grew so bad that

all I lived on was a little mush and I became alarmingly weak and thin.

"An operation was suggested as my only hope but I shall always be grateful that I tried Tanlac first. In just a few weeks, my appetite returned, I was eating everything and enjoying the best of health, and my stomach has never troubled me a particle since. My husband is using Tanlac for stomach trouble now."

TANLAC is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold.

Shale Holdings are Viewed—

Among the number of local sightseers who spent Sunday at the Hartman Syndicate holdings were B. M. Shoudy, F. G. McWilliams and J. K. McWilliams, Mrs. Hayes and family, Mr. Parkhurst and family, Mr. Poyer and family, E. F. Smith and son, Lloyd Cole and family, W. E. Cole and Mr. and Mrs. Leo Jammerthal. They were shown over the holdings and viewed the resort house and bins, marveling at the amount of work that has been done. Several parties started to the holdings Sunday afternoon but failed to reach the top on account of the hard rain that started at 2 o'clock.

W. J. Hartzell's Neighbors and Friends Introduce Him to the Voters of Jackson County

As citizens of Jackson County, actuated by the thought of serving ourselves and other over-burdened tax payers, and not entirely through personal friendship, and recognizing a desire among a large number of voters for information concerning the qualification of candidates for the respective positions for which they have filed, we do hereby unqualifiedly endorse the candidacy of W. J. Hartzell for the office of County Judge, for the following reasons:

1. He is and has been for more than 15 years, the owner of a 253 acre fruit and general farming ranch 3 miles south of Medford.
2. That because of such ownership he has been a very heavy taxpayer and from actual trials and experiences becomes thoroughly familiar with the many difficult and serious problems that have, do now, and will continue for some time to confront the farmer and taxpayer of this county.
3. He is mature in both years and practical experience, successful in his private affairs, respected and esteemed by all who know him.
4. He is the kind and character of a man needed to assume charge of the large financial interests of our county, in this period of required retrenchment following the disastrous experience of a county loss of more than \$100,000.00 in the Jacksonville Bank failure.
5. His candidacy is based upon a pledge of careful, prudent business management and an honest effort to reduce taxes to a point not inconsistent with the proper and natural development of the county, which all recognize is possible by applying practical business experience and methods, which qualifications are possessed by Mr. Hartzell in a high degree.

H. W. CONGER for Coroner

Having conducted a clean campaign, I now place my candidacy into the hands of the voters. This is my final appeal. If you have not met me personally, do not get the idea that I am a new comer in the valley, for I was a resident of Jackson county thirty years ago when but a small boy. True, I have been around Portland and Salem for many years, but have been back in your locality for four years and am located permanently.

The office of Coroner is sought by two men, one is the present incumbent who, however efficient he may be, now aspires for the fifth consecutive term (not years but terms) If you believe this is not a sufficient length of time, and desire that the office continue for another four years without change, vote for the incumbent. If however, you believe the time has arrived when as a matter of fair play, the office should be placed in the hands of one whose reliability and success as an undertaker in your midst stands unquestioned, then I earnestly ask your support. May I have it? I thank you. —Pol. Adv.
