Hall's Catarrh Medicine
Is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over 40 years. Sold by all druggists. F. J. CHENEY & CO., Toledo, Ohio.

RHEUMATISM Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. East Side Pharmacy can supply you.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

Says Piles Heal Up and Disappears Forever

Seldom Fails To Give Absolute Relief from All Pain and Suffering. Guaranteed by East Side Pharmacy and All Good Druggists.

Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to your druggist and get an original box of MOAVA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing healing antiseptic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained. MOAVA is one of the wonderful discoveries of recent years and any sufferer from Piles or Hemorrhoids who is disappointed with its use can have their money refunded. East Side Pharmacy will supply you. Mail orders accepted.

Family Picnics—

Yesterday dozens took advantage of the opportunity offered for reunions of friends and relatives at the picnic dinner at the Celebration at Hayden's Meadows.

Groups were noted representing more than one county. One picnic party whose personnel included several of the Reception Committee had as honored guests the Hon. R. A. Booth and Mr. Kelly of Eugene.

Those who composed this group were Messrs and Mesdames E. V. Carter, F. D. Wagner, Emil Peil, J. M. Wagner, Albert Kinney, Hasty of San Francisco and John McCall of Klamath Falls.

Mr. and Mrs. J. H. Fuller had as guests, two of the speakers, Mr. Jas. Stewart of Corvallis and Roy R. Klein of Portland.

Other groups of different organizations were seated together. Family parties abounded and the scene at the noon hour was of one great community picnic the like of which is seldom seen.

Berean Class Party—

The Loyal Bereans had a "Hard Times" party at the home of Rev. and Mrs. V. K. Allison on the Boulevard.

Owing to so many conflicting engagements there was but part of the membership present, but those there had a splendid time. Games were played, the costumes adding much to the joy of the beholders.

Business pertaining to the class work was taken up before the fun began, at the close of which delightful refreshments were served.

Those present to enjoy the pleasant evening with host and hostess were the Messrs and Mesdames Frank Shaffer, Dan Hartcher, Ed Worthington, Jim Morgan, Mrs. R. L. Burdick and the Rev. J. F. Leggett.

The Art Club—

The Art Club had a most delightful meeting Monday evening in the nature of a farewell for their president, Mrs. George Kinz, who so soon leaves for her new home in Long Beach.

The evening was spent in the usual way, the pleasant visit of congenial club members and friends, taking precedence over needle work or amusement.

The most delicious refreshments were served at a prettily decorated table by the hostesses, the Mesdames Storm, Love and Stephens. A happy feature of the banquet was the presentation by Mrs. Louis Schwein of a lovely gift in behalf of the club to its president who will soon make California her home.

NEW YORK NEWS LETTER by Carl Colbourne

New York.—New York City educators are particularly interested in Motion Picture Book Week and Children's Book Week which are together to be nationally observed Nov. 11-17 and are doing their share to make it known to the children and to aid in every possible fashion.

Ernest L. Crandall Director of Lectures and Visual Instruction in the New York schools, is enthusiastic over the movement. "I know of no greater service that can be rendered in connection with motion pictures, than to make them contribute to the child's love of reading," said Mr. Crandall. "Our observation has been that the filming of standard literature does just that."

"It is a movement that every school superintendent, principal and teacher will approve of, I am certain, and the immense amount of good direction that is given through this annual 'Motion Picture Book Week' cannot be estimated. It is something that will bear its profits all through the life of the child, who receives the impulse toward good books from the films. We know that the film is doing a good work but it is like everything else—it is sometimes not properly used and it is not good for children to see all the films that are shown."

The list of films selected by the Committee for Better Films of the National Board of Review of Motion Pictures is a good one. I am sure it will meet with the approval of educators, whose influence can be used to have exhibitors show these films in their theatres, not only during Motion Picture Book Week but also at other times during the year.

Educators and those interested in community service are interested in improving the films and here is an excellent opportunity for them to further this cause. The exhibitor must have it demonstrated to him that it is equally as profitable for him to show good photoplays as it is those of the poorer kind. With the better forces of the communities working together this can be done."
