Birthday Party—

Monday June second marked the birthday of Melbourne C. Mast. A most delightful party was given in his honor at his home at 486 Boulevard.

Four young girls acted as hostesses, and planned the entertainment for the little people, the Misses Dolly Frank, Harriet Bevington, Margaret Churchman and Audrey Brown.

White and gold were the colors used in decoration, and the birthday cake, with its pretty candles added to the beauty of the table. There were flowers everywhere.

The games were played on the lawn and the merry youngsters had a lovely time. Punch was served by the attentive hostesses during the afternoon.

Later the little ones were conducted to the dining room where delicious refreshments were served.

The little host received many pretty gifts, in remembrance of the day from his little friends.

Those who enjoyed the afternoon with Melbourne were Dennis Espey, Robert Bechtel, Robert Herndon, Gordon Miller, Lawrence Good, Betty Herndon, Maxine Miller, Mayne Emert, Lorraine Smith, Dorothy Bechtel, Ruth Wilson, Hazel Hudnell and Edna Danford.

They all voted it one of the happiest afternoons and were very glad that Melbourne had a birthday and they could help him celebrate.

Neighborhood Party—

A very delightful neighborhood party occurred Thursday evening on Terrace street, honoring two young people whose birthdays came close together. One that day and one the day following.

It was a lawn and porch party. The little ones preempted the lawn and those of larger growth, the porch.

The pleasant home of Mrs. B. M. Heath, on Terrace street was the scene of the social gathering, which had been arranged principally by the Misses May and Irene King and Mrs. Vern Templer.

Those whose birthdays were celebrated were Robert Heath and Mamie King.

Music and jollity filled the hours for children and grown-ups and the evening passed all too quickly.

The guests at the pleasant affair were Mr. and Mrs. Vern Templer and daughter Carol; Mrs. King, the Misses May, Irene and Manda King, Edwin and Willie King; Mr. and Mrs. Heath and son Robert; Mrs. T. A. Allen; Mr. and Mrs. M. E. Thompson and daughter Gladys.

At the close of the delightful evening delicious cake, ice cream and coffee were served, and good wishes and many happy returns were given the honor guests, with the many pretty gifts that will be a happy reminder of the joint celebration.

College Club Meets—

The College Club will hold its next regular meeting in Ashland, Saturday the 14th of June at the home of Mrs. F. D. Wagner on Granite street.

This is the last meeting for the year and it is expected that the different towns of the valley will have a goodly representation at this meeting. It is the Rogue River Valley Women's College Club and many communities are represented.

Breakfast on the Mountain—

Early Sunday morning, about three to be accurate, the same group of people that climbed Mt. Ashland recently start for the summit of the Siskiyou with a breakfast and dinner along the way as very real features of the trip.

The party expect to be several miles on their way before breakfasting.

fasting. This out door breakfast is anticipated with considerable interest.

They expect to reach home, Ashland, in the evening. This and other hikes planned for the near future are in preparation for a trip to Crater Lake later in the season.

Mrs. M. E. Thompson, Mrs. Templer, and the Misses Irene, May and Manda King compose the group that will breakfast at a point undetermined as yet, east and south of Ashland, Sunday morning.

Flag Day Observance—

The 14th of June, Flag Day, will be observed by Mount Ashland Chapter of the Daughters of the Revolution uniting with Crater Lake Chapter D. A. R., Medford, in a joint picnic in the Park. The luncheon will be at one o'clock.

Every member is to bring her basket well filled with good things for this luncheon.

It is strongly urged that every member of the Chapter that is in Ashland that day make every effort to be present and enjoy with our neighboring Chapter this social gathering held in commemoration of Flag Day.

Children's Day—

Children's Day will be observed tomorrow in both the Congregational and Presbyterian churches. On June 15 the day will be observed by appropriate services at the Christia church.

Upper Valley Community Club—

The June meeting of the Upper Valley Community Club will be held the eighteenth at the home of Mrs. W. D. Jackson on Iowa street.

The announcement is made thus early that every member may plan to be present as there is much of importance to come before the organization at its business meeting, in charge of the president, Mrs. J. E. Gowland.

Executive Board Meeting—

The Executive Board of the Civic Club will hold its meeting on Tuesday next at the Civic Club House. The announcement is made that all members of the Board keep the date in mind and be at the office at the usual hour.

Guild Picnic—

The Trinity Guild Picnic held yesterday in the Park was a decided success both from a social standpoint and the delightful dinner provided.

The time was the same as the one week before and the plan the same of each member bringing well-filled baskets and they were well filled, as the delicious viands with which the tables were burdened testified.

Time slipped by unnoticed as guests lingered long at the tables. The delightful visit, the delicious repast! The satisfaction and thorough enjoyment that each derived from the association of friend with friend decided the Guild that a continuance of these splendid times together was a pleasant and altogether desirable thing, so the next gathering of the Guild and their guests will be July the 17th in the Park.

French Club—

The French Club will meet as usual on Tuesday next. The last two meetings were omitted because of the absence of some of the members and the last meeting coming as it did during Chautauqua. This is the only club that expects to keep up its meetings during the summer, although the work will probably be lightened.

The Ashland Study Club will resume its work in October. The Teacup Club in September as will the Wednesday Club.

The Art Club have one more meeting before the vacation until fall. The three circles of the P. T. A. of Ashland have all adjourned until school begins.

The Missionary Societies will have no meetings in the summer, and other social organizations of the different churches will have a short vacation time.

The Elk Ladies' Card Club will continue through June. So far as the editor has learned clubs both social and study will adjourn for the summer with the exception named.

It will be appreciated greatly if those who know of social functions would notify the editor of these columns. Many will be entertaining out of town visitors and many pleasant affairs will be given and the social columns will be more interesting for knowing of these affairs.

When groups plan picnics or interesting trips are taken, please let us know.

Your cooperation is asked, (and the courtesy will be most thoroughly appreciated), in keeping the editor in touch with every thing of a social nature that transpires during the vacation period.

Vacation for Alpha Club—

Alpha Club, the social organization of Alpha Chapter O. E. S. No. 1, will not continue its meetings during the summer.

It has adjourned until September when renewed social activities will occupy the attention of the club.

Co-ordination FROM fragments, isolated and small, science can reconstruct the great creations of nature. A fossil bone reveals a race of giant lizards. A fern frond embedded in limestone tells of a prehistoric forest. A skull dug from a bed of a river clay records whole chapters in human history. But rarely can man's handiwork, composite in its elements, be thus imagined from any of its parts. Considered alone, a tiny carbon granule from the telephone transmitter cannot even hint of the complex instrument. Only as part of a co-ordinated mechanism has this littlest unit its full significance. The telephone needs of the nation require a service national in scope and operation. Men, materials and money on a vast scale are essential. Practical co-ordination of the numberless human and mechanical agencies indispensable to the service is possible only through a nationwide organization. This the Bell System provides.
