Indigestion May Lead to A'pendicitis

Repeated attacks of indigestion often lead to serious inflammation and intestinal tract. This inflammation may finally extend to the appendix, which usually becomes infected through the presence of foul, irritating matter in the bowels.
It doesn't pay to ignore even the most simple warnings of digestive trouble. Neglect is responsible for much misery. Uneasiness at the pit of the stomach, sour taste in the mouth, excessive gas, heartburn, nausea, vomiting, bitter risings, constipation, biliousness, dizzy spells and palpitation of the heart after eating are some common symptoms of poor digestion.
If you are subject to any form of stomach distress, don't fail to try a bottle of Smith Bros.' M. A. C., the guaranteed stomach treatment. This wonderful medicine usually gives prompt relief from all discomfort. In fact, it is sold on a positive guarantee of money back if the first bottle fails to do so. A large bottle costs but \$1.25. East Side Pharmacy will supply you. (mail orders accepted.)

PILES ARE ABSORBED NEVER TO RETURN

After years of patient, painstaking effort on the part of a well known doctor, a prescription has been found that will actually heal Piles and absorb them never to return.
No man or woman need suffer another hour with any discomfort, pain or soreness arising from rectal troubles—Piles—now that this wonderful prescription known as MOAVA can be obtained for a moderate price at any first-class drug store on the money back if dissatisfied plan.

You'll be amazed to see how quickly it acts. Blessed relief often comes in an hour; even in cases of long standing with profuse bleeding, really wonderful results have been accomplished.

Simply ask your druggist for a small box of MOAVA SUPPOSITORIES, being careful to follow the simple directions that come in each box. East Side Pharmacy will supply you. No. 6

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenhu, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists everywhere to dispense Allenhu with the understanding that if the first pint bottle does not show the way to complete recovery, he will gladly return your money without comment. East Side Pharmacy can supply you. No. 2.

FOR INACTIVE KIDNEYS

When the kidneys are in need of a good flushing take Foley Kidney Pills, a diuretic stimulant for the kidneys. They promptly and effectively flush the kidneys, increase their activity and bring pleasant relief. Landon Taylor, Dorchester, Iowa, writes: "I can truthfully say that Foley Pills are the best I ever used. I had lots of trouble with my kidneys and liver; I couldn't lift anything my back was so weak. Every morning I was dizzy, could hardly walk, but now I feel fine." Sold Everywhere.

Announcement Party—

An announcement of very considerable interest to a number of Ashland people was made at a most attractive luncheon, given at San Raphael, California. A betrothal announcement as the motif.

The cards each guest received bore these words: "Betrothed—Mr. Kenneth Van Ness King—Miss Alice Cornelia van der Sluis."

The young people whose names appear are very well known in Ashland and vicinity. Both are graduates of Ashland High.

Miss Alice van der Sluis majored at U. of O. in music. She is very gifted and very generous in giving pleasure to her friends.

More recently she has been teaching in the schools of San Raphael.

Mr. King is a graduate of University of California, and at present is a chemist for the Standard Oil Co. at Richmond, Cal.

The marriage will occur at the holiday season and they will make their home in Berkeley.

It was a happy feature of the luncheon, that the mothers, Mrs. Van der Sluis and Mrs. King, were both present at the delightful affair.

Miss Elizabeth Wagner was a guest at the luncheon.

Flag Day—

The D. A. R. will observe Flag Day, June the 14th, by uniting with the Medford Chapter in a picnic luncheon at one o'clock Saturday in Lithia Park.

All Mount Ashland Chapter who are in town that day are to keep the date in mind and plan to attend. A very pleasant time is anticipated.

Card Club Meets—

The Elk Ladies' Card Club will meet this afternoon in their pleasant club rooms. They expect a good attendance. The hostesses were not announced in time to place in the calendar.

Delightful Party—

Mrs. F. G. Billings was the pleasant hostess at a delightful party at her home given for the "Little Light Bearers," the children's organization of the Foreign Missionary Society. This includes children under eight years of age.

This picnic or party is an annual event and includes the mothers of the little folks, too.

Games on the lawn occupied the little ones till most delicious refreshments were served, when play was over. There were twenty-five or more children who brought their little mite boxes to be opened, and to enjoy the jolly time and the delightful refreshments that brought to a close, the happy day.

A number of dollars was added to the missionary fund as a result of the party.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly: You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Ladies Aid—

The Baptist Ladies Aid will have no more meetings, unless it be a called one, while the revival meetings are in progress.

The Missionary Society of the Baptist Church held its meeting Wednesday as planned, it is understood. These meetings of the various organizations have been held on Wednesdays in all-day sessions and the plan seemed a most successful one, but during the meetings now in progress some changes are made.

Entertained at Dinner—

Mr. and Mrs. O. Winter were host and hostess Saturday evening at family dinner with Mr. and Mrs. Sterling of Burbank, Cal., as complimented guests.

Mr. and Mrs. Sterling have been spending a part of their honeymoon in Medford, guests of friends of Francis Winter, Mr. Winter officiating as best man at the wedding.

The bride and groom were friends of Francis Winter, Mr. Winter officiating as best man at the wedding.

Mrs. McGee Gives Luncheon—

Mrs. J. Andrew McGee was hostess at a charming three course luncheon at her pleasant home on Granite street, Tuesday evening of this week.

This attractive affair was given in honor of Mr. McGee's natal day. Covers were laid for five. Those present to share in the event were Mrs. W. R. Davis, Miss Rosetta McGee and Samuel B. Davis.

Foreign Missionary Meeting—

The Foreign Missionary meeting held at the home of Mrs. Carroll Pratt on North Main, last Friday was a very successful session with a good attendance.

Mrs. Clark led the devotionals and Mrs. Lawrence Coder the program. The lesson was of India, and Mrs. J. R. McCracken and Mrs. James Lennox took part on the program. Mrs. Fred Engle conducted the "Mystery Box," which is always a source of much

interest. Many pennies were collected for the incorrect answers to questions.

The hostess served delicious refreshments at the close of the interesting meeting.

The Missionary societies of the M. E. Church do not omit their meetings during the summer months. Their missionary year closes in September. October marks the beginning of the new work.

A new, modern, high class hotel will match the scenic and climatic appeals which surround Ashland; a new hotel will be the Good Samaritan to the tourist, so he can get the full benefit of scenery, climate, park, fishing, and waters. Boost!

There was no meeting of the French Club Tuesday owing to the absence of Mrs. T. J. Malmgren of Phoenix and a number the class being out of town.

There will be no more meetings of the Club until further notice.

Mrs. Bruner Will Entertain—

Mrs. J. W. Bruner of 365 Scenic Drive will entertain the Woman's Home Missionary Society of the Methodist Church on Friday of this week, June 13th, at 2:30 P. M.

Anyone who misses this meeting misses a treat, since Miss Helen Carleton, formerly of New Jersey, has charge of the devotionals and the lesson.

Every one is urged to be present at this meeting. Do not let anything interfere with your being there.

Upper Valley Community Club—

The Upper Valley Community Club will hold the June meeting Wednesday the 18th, at the home of Mrs. W. D. Jackson on Iowa street.

This is a very important meeting, since at it, the election of officers for the coming year will be held.

Many things of interest are to be discussed at this meeting, chief among them will be the further plans for the Fair.

The officers wish to remind the members that a good attendance is very much to be desired, since with the election and important business to come before the Club, every member should be present.

Recital in Near Future—

Madame Tracy-Young will present her pupils in recital in the near future, in Medford. The exact date and place to be announced later. Madame Tracy has a large class in Medford, and this sixth annual recital will be held there; the five previous ones being given in Ashland.

Madame Tracy extends a cordial invitation to all friends interested to come to this recital. It is hoped that there will be a large attendance from Ashland, as Medford friends have been in attendance at all of the recitals.

New Blue Chimney Burner

Faster—More Economical
The remarkable increase in cooking heat and the greater fuel economy of this new burner, are due to its new double-wall, double-draft construction.

The picture above shows how the EXTRA volume of air drawn in through the small holes around the chimney, is converted into an ADDED ring of intense cooking heat. This quicker cooking cuts down fuel consumption.
