GO RIGHT AT IT

Friends and Neighbors in Ashland Will Show You a Way

Got at the root of the trouble. Rubbing an aching back may relieve it.

But won't cure it if the kidneys are weak.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it.

Reach the cause; attack the pain.

Are recommended by many Ashland people. Ask your neighbor!

Mrs. Sarah Boots, 338 B St., Ashland, says: "I was in a bad condition with kidney and bladder trouble and became so weak and run down I could hardly walk a block. My back ached constantly and my kidneys acted too frequently. My limbs and feet were swollen and I had dizzy headaches and nervous spells. I used different remedies but didn't get any better until I tried Doan's Kidney Pills. They soon helped me and I felt like a different person."

Assembles Steam Shovel

R. V. Frost, master mechanic of the Clyde Equipment Company, arrived here Saturday morning to erect and put in running order the Model 21, Marion steam shovel for the Hartman Syndicate. The shovel which has been in use on the holdings was brought down yesterday morning and will be loaded onto the car that brought the new shovel to Ashland. The Southern Pacific wrecker was used in lifting the machinery off the cars.

Grass Fire Does No Harm

The fire department was called to put out a grass fire which started in the J. H. Erohboes place in Bellview district yesterday morning. No damage resulted other than burning a stack of hay located in the center of the field. A crew of men was detached to guard the Bellview school house when it appeared that the fire might jump the road.

Winne-Clary

A very pretty home wedding was solemnized Saturday, June fourteenth at ten o'clock when Miss Mollie A. Clary became the bride of Mr. Charles Burton Winne, the Rev. S. J. Chaney, pastor of the First Methodist church officiating clergyman.

The rooms had been made fragrant and beautiful with a wealth of sweet peas and white roses, and charming indeed the bride appeared robed in the daintiest of white silken gowns.

Just the immediate family of the bride were present; the father and mother of the groom, Mr. and Mrs. C. W. Winne, and Mr. and Mrs. David Whittle, who were the attendants of the bride couple.

Both the young people are particularly well known and deservedly popular. Miss Clary graduated from Ashland High, class of '23. Mr. Winne is also a graduate of Ashland's schools. He has just completed his work as mechanical engineer at O. A. C., a graduate in the class of '24. He is a member of the Beta Theta Pi fraternity.

Mr. and Mrs. Winne left immediately by motor, for a short wedding trip, destination unannounced. They are expected back sometime next week.

About July first they leave for Jeanette, Pennsylvania, where they will make their future home.

To these young people their hosts of friends, extend good wishes for a life filled with opportunity: a life of happiness and prosperity and a hope that their residence in the east will not become a permanency; that the west may again claim them for their own.

Ashland Bridge Club Entertain

One of the most attractive and charming parties of the season was given Friday by the Ashland Bridge Club in compliment to Mrs. C. T. Sanford and Mrs. W. B. Burnett, house guests of Mrs. H. S. Sanford of Gresham street, prior to their leaving for New York, Monday.

The club membership and their guests motored down the valley to the "Blue Flower Lodge" where a delightful three course luncheon was served. The quaint room, in its old time furnishings the sp'cy clove pinks beside each plate, and pink blossoms as a centerpiece, made a happy setting for the party.

Auction Bridge claimed the attention of the Club after the luncheon hour. There were two guest prizes awarded the guests of honor to commemorate this delightful affair. First honors came to Mrs. A. E. Kinney, a mysterious "Blue Flower," and the consolation was given Mrs. Grace Turner, "Blew Flower" another mystery to the uninitiated.

The guests at this so pleasant event were the Mesdames H. S. Sanford, and house guests, C. T. Sanford, and W. B. Burnett, F. G. Swedenburg, Emil Piel, E. V. Carter, A. E. Kinney, F. D. Wagner, J. M. Wagner, Grace Turner, T. H. Simpson and Herman Matern.

D. A. R. Observance of Flag Day

Flag Day was observed by the joint picnic of Crater Lake Chapter of Medford and Mount Ashland Chapter D. A. R. in Lithia

Park, on Saturday, June 14th.

Tables were laden with every good thing belonging to a picnic luncheon. Fried chicken, delicious meat loaf, salads, froils, fragrant coffee, lovely cakes, strawberries and ice cream were some of the viands served at the delightful luncheon at one-thirty.

With the luncheon came the pleasant visit of the membership of the Chapters and plans were suggested for other gatherings of similar nature, to include the new Chapter at Klamath Falls, perhaps making an annual event, including the three Chapters.

After luncheon, a splendid program was given by Medford Chapter, the Regent Mrs. E. A. Moore, presiding.

The first number was an "Apostrophe to the Flag," an address delivered most impressively by Mrs. J. H. Cochran. After listening to this beautiful tribute, one could not help feeling a glow of patriotism and pride that it was the Stars and Stripes that waved over us.

Mrs. D'Albini read the history of "Evolution of Flags," leading up in logical sequence to our own loved emblem. This was an especially well prepared and comprehensive paper bringing to the listener's attention facts that were not common knowledge in a bright and interesting fashion. Both paper and address were heartily applauded and received appreciative hearing.

The Regent, Mrs. Moore in a happy little speech, told Ashland Chapter Medford's pleasure that Ashland could join in this joint observance and in the social hours that preceded and would follow. To this Mrs. J. P. Dodge, past Regent of Mount Ashland Chapter, in the absence of the Regent, Miss Hicks, replied in fitting phrase, voicing the pleasure of Mount Ashland Chapter in accepting Medford's invitation to join in the observance of Flag Day and enjoy the social hours together. The formal meeting then adjourned, and the time was spent in visiting. Mount Ashland Chapter had as special guests, Mrs. Perry Yates, from San Francisco, member of an Ohio Chapter and prominent in the work. Mrs. Yates was house guest of Mrs. O. A. Stearns and Miss Margaret Hargus of Klamath Falls, a guest of Mrs. Piel. Those attending from Medford were: the Mesdames E. A. Moore, W. McDonald, Harry Mills, J. R. Cochran, Wm. Holt, Schmidt, J. A. Perry, E. V. Vilim, Wilcox, Welch, Norris, D'Albini, Snedcor, Warren, Dixon, Bishop, Stratton, Smith, Thayer, E. C. Van Scoy, W. M. Van Scoy, Harding, M. C. Sherard and the Misses Mabel Mickey, Frances Perry, Sarah Van Meter and Chubbuck. Those from Ashland were the Mesdames J. P. Dodge, Louis Dodge, O. A. Stearns, Perry Yates (guest), H. A. Stearns, E. V. Carter, Van Natta, Elizabeth Van Sant, Emil Piel, Gordon McCracken, F. H. Walker, August Schuerman, G. F. McConnell, H. W. Andrews, H. C. Galey, H. O. Anderson, Hogue, and the Misses Mollie Sonner, Carol Mitchell, and Margaret Hargus. There were fifty-three in attendance, some of whose names were not secured. Many of Ashland Chapter were away from town.

Daughters of the Nile

The last meeting until after the two months' vacation of the Daughters of the Nile occurred Saturday in Ashland with an attendance of thirty-two. Mrs. Louis Schwoin, Princess Royal presided as Queen, and assumed the honors with efficient ease and grace.

There was considerable routine business to carry through at this meeting since it was the last before September.

The ladies of Ashland served a lovely luncheon, with wild azalias as the decorative feature of the tables.

The Grand Temple convenes June 26, at Boise, Idaho. Mrs. MacGowan of Medford, Mrs. Montgomery of Medford and Mrs. Ethel Hermann of Grants Pass will attend as delegates. Mrs. Hermann holds the office of "Grand Lady of the Gates" in Grand Lodge, and is past Queen. The next meeting will be at Grants Pass the second Saturday in September.

P. T. A. Notes—

To complete the amount needed for the play shed, something like \$200, the P. T. A. of Ashland contemplate having a concession the Fourth of July. They plan making candy and would be very glad indeed to receive donations of nuts-walnuts, almonds, any sort, in fact, are welcome. Please bear this in mind and call those in charge if you can assist in any way. Help in this big undertaking will be gratefully received. This is for the "Play Shed Fund."

There is also planned a number of P. T. A. Institutes that is a part of the Summer School work of U. of O. There are to be three in the state. The one held in Portland is from the 14th to the 19th of July. One is planned for Ashland from the 21st to the 26th of July and the third will be in eastern Oregon.

Miss Frances Hayes, a National officer will conduct the Institute. Mrs. Hill, past president, will be here and Mrs. Perkins is expected to assist.

These Institutes are planned to train leaders in P. T. A. work and is a part of a movement all over the United States to establish more efficient service. New York was the first state to have these Institutes.

Any one interested may phone Mrs. Louis Dodge, who will be glad to give further information concerning this splendid movement.

Concert

Madame Tracy-Young announces that her pupils will appear in concert June the 24th at the Presbyterian church in Medford. This is her sixth annual recital, five of them having been given in Ashland.

Madame Tracy-Young has a large class in Medford and in compliment to them this recital is given there. Every one interested is cordially invited to attend.

A Delightful Outing

A picnic party made up of friends from various communities including Ashland, Talent, Medford, Central Point and Table Rock held a reunion at Elk Creek Sunday.

The chief feature of the occasion was the elaborate dinner which comprised everything from fried chicken to strawberry and raspberry shortcakes and ice cream. It was a wonderful dinner and to its delicacies every one did full justice.

After dinner the party indulged in bathing to their heart's content, the water being just the right temperature and the pool ideal.

Those who made up the party were, Messrs. and Mesdames W. W. Gregory, Al Turpin, John McBride, H. L. Gregory, Will Edmondson, Mike Tucker, Mark True, and Oliver Penland, Mark Turpin, Herbert Gregory and Helen Gregory.

Nedless to say every one present wished that the day had been twice as long. A wonderful trip and a delightful day.

Birthday Party

"The Alfred B. Shelby home, 787 Iowa Street was the scene of youth and joy Wednesday afternoon when the hostess charmingly entertained with a Birthday Party in honor of her twin daughters, Barbara and Natalie.

The out-door games, and the extremely decorative table with its huge mass of colored balloons suspended from above, the cut flowers, the individual dressed doll favors, the two Birthday Cakes with the natal number of lighted candles, not forgetting the various dainty refreshments and so on, increased the merriment for all present. The guest list included out-of-town friends Mr. and Mrs. J. C. Natwick of Medford, Gladys and Marjorie Nichols, Mr. and Mrs. Carlisle Natwick and son "Tommy" of Eagle Point, Ruth Ashcraft, Katherine Dillard, Maxine Erickson, Dorothy Slack, Eleanor Stevens, Jane Sugg, Carl Loveland Jr., Robert J. Farlow, Frank C. Stevens Jr., and the children's mothers."

An Announcement of Interest

"Announcement of the engagement of Bernice Myer of Ashland to Troy McCraw of Tacoma, Washington, was an event of interest to the University of Oregon campus last week-end. Miss Myer, since her advent upon the campus, has been very active in student affairs. She has been associated with the music department, taking part in "The Hour Hand," a Swiss folk opera by Anna Landsbury Beck. She has also been responsible in part for the social and financial success of the Y. W. C. A. on the campus, and has planned various dinners and receptions for the students.

Troy McCraw is a major in Economics, has been a member of the varsity football squad, and is a member of Phi Kappa Psi. Both Miss Myer and Mr. McCraw graduate this year. A definite date for the wedding has not yet been set.

The party at which the announcement was made came as a surprise to eighteen girls when they were summoned from sleep to a midnight feed where red roses concealed golden hearts bearing the news while Ruth Akers sang "When You Look in the Heart of a Rose."

A sweetheart serenade by the

Phi Kappa Psi followed the party."

College Club Meets

The College Club held its regular June meeting in Ashland with Mrs. F. D. Wagner as hostess. Mrs. Emil Piel was social chairman and Mrs. Walter Herndon had charge of the program.

After the business meeting with Mrs. Hammond of Medford, president in the chair, the meeting was turned over to Mrs. Walter Herndon, who had charge of the program.

Mrs. L. N. Woodside delighted the listeners with her singing.

Mrs. Ralph Billings gave a very comprehensive review of a "Pioneer History," that was especially well received.

Mrs. Herndon played most pleasingly.

At the close of the pleasant afternoon, the most delicious refreshments were served by the hostesses.

The hostess and social chairman were assisted by a number of other Ashland members.

5 cents -7days

If an average family of five persons bought only Swift & Company meats for one week during 1923, that family would have paid the company, as profit, less than 5 cents on the week's supply.

These figures are developed by considering U. S. Government statistics on meat consumption in relation to Swift & Company's profit.

By the intelligent use of capital, Swift & Company prepares meats in a modern, sanitary, scientifically-clean manner.

By intensive organization, Swift & Company distributes every variety of meat, under complete refrigeration, to retail markets of great cities and small hamlets—wherever they may be located.

It is only through the most efficient methods that a company can supply the meat requirements of a family of five persons, anywhere in this country, for a period of seven days, at a profit of only 5 cents.

Swift & Company's profit from all sources in 1923 averaged only a fraction of a cent per pound on all products sold.
