Mr. and Mrs. J. E. Fifield were host and hostess at a large dinner party Wednesday honoring house guests at the F. W. Shaw home.

The afternoon was spent in the delightful visit of relatives that have gathered in reunion after many years.

Mr. and Mrs. Claude Cleveland from Hill motored over twice during the week to join the family circle. Thursday evening they were guests at the Shaw home.

Ladies Aid, Friday

The Ladies Aid of the Presbyterian Church met last Friday for an all day meeting for work. The day was spent in quilting, much being accomplished.

It is the habit of this organization when the all day meetings are held to have a covered dish luncheon, adding the coffee there. Friday was no exception.

There was a fair representation of the member ship present.

Club Meets

The Upper Valley Community Club will hold its regular July meeting at the home of the president, Mrs. J. E. Gowland, on the Boulevard, in Bellview.

These summer meetings are devoted to the work under way for the Fair. All the committees for the different lines of work planned are giving a great deal of time and thought to their exhibits, and without doubt, the Upper Valley Community Club will have a varied and extensive display at the Fair.

It is expected that every one of the Club will make an especial effort to be present at this meeting for much pertaining to the work in hand will be brought before the Club.

Guild Picnic

The Trinity Guild picnic is to be held in Lithia Park on Thursday of this week.

The picnic feature proved such a pleasant one at the last session, that it was decided to have a picnic again in July.

It is hoped that all will bear the date in mind and be in attendance.

Picnic in Park

Thursday last (a very happy gathering of friends and relatives assembled in the Park with a six o'clock picnic supper as the special feature of the occasion.

Reaching The Spot

It Has Been Done, So Scores of Ashland Citizens Say.

To get rid of an aching back, The sharp twinges, The tired-out feelings, You must reach the spot—get at the cause.

In many cases 'tis the kidneys. Doan's Pills are for weak kidneys. Ashland citizens testify. Ask your neighbor!

Mrs. Shell Hayes, 195 Laurel St., Ashland, says: "I have always found Doan's Pills a good kidney remedy. I had attacks of kidney complaint and my back ached and pained dreadfully. I felt dull and tired, especially mornings. The action of my kidneys was irregular. I used Doan's Pills and it was not long before they gave me relief. They strengthened my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Hayes had. Potser-Milburn Co., Mfrs., Buffalo, N. Y. No. 42

There were present at this bountiful feast of good things Mr. and Mrs. Clyde Dean and Junior, who are visiting here from Portland; Mrs. Theresa Lowe and son Ronald; Mr. and Mrs. Harry Sackett; Mr. and Mrs. Tom Burnett and two sons, Ray and Milan of Talent; Mr. and Mrs. Harry Lowe of Butte Falls, who are visiting in Talent and Mr. and Mrs. A. F. Abbott of Ashland.

A pleasant visit around the table, and during the evening after the supper things were cleared away, rounded out a delightful reunion.

Good News From Pacific Grove

It will be a matter of great satisfaction to the many friends in Ashland that Miss Elizabeth Palmer who has been ill for some time is surely regaining her health.

She has been able lately to be out for short drives. Both Miss Palmer and Miss Chamberlain expect to be in their home at Hilltop in the fall.

Both are anxious to return to Ashland; the only compensation for absence is that there is no water shortage to worry about, and the weather at Pacific Grove is ideal.

Social at Church

Friday evening there will be another of the delightful socials that occurs every month at the Christian church.

These are "Mysterious Socials" for only the ones who are responsible for the program and amusement know what to expect.

Elaborate programs and jolly games are the usual order and always delightful refreshments are served.

All of the Sunday school are guests and it goes without saying that there will be a good attendance the coming Friday night.

Missionary Meeting

A very interesting meeting of the Missionary Society of the Christian church was held Friday last at two thirty at the church.

Mrs. Cooper, the vice-president, had charge of the business session. At this session, a picnic was planned to take place the first Friday in August.

The members and their families are guests, and each member is to bring a well filled basket.

The picnic dinner will be in the evening in the Lithia Park. It is expected there will be a goodly number present.

Mrs. R. L. Burdick had charge of the program hour, opening with the lesson from John 18. Devotionals occupied the attention of the society for a short period. Mrs. Floyd Putman then read an excellent article, "The Kingdom of God."

"To Set a Million Children Free" (the child labor question) another fine article was read by Miss Benedict.

The next part of the program took up a series of questions covering the fields in China, Japan, India and Africa. In this discussion a number took part; Mrs. Cooper, Mrs. Rice, Mrs. Delpha Bryant, Mrs. Frank Crowson, Mrs. Frank Shaffer, Mrs. Cochran and a number of others contributing with answers to subjects brought out in discussion.

This general survey is proving to be keenly interesting and many have much to offer in answering the questions asked.

A Birthday Celebration

A birthday celebration at the home of Mr. and Mrs. W. R. Kincaid east of Ashland, on Neil Creek was really a triple celebration, for not only was it Mrs. Kincaid's natal day but her granddaughter, Miss Frances Howard, daughter Mr. and Mrs. Chas. B. Howard observed the same day, and Miss Jessie Jarvis claimed the twelfth so all were observed on this occasion.

It had been planned by Mrs. Kincaid's children and her sister as a surprise, and all the relatives who lived near enough to come were present to offer congratulations and good wishes to the three guests of honor. Many gifts, too, were received.

The mid day dinner was a very elaborate one, with turkey the piece de resistance, and ice cream and watermelon included in the last course.

Thirty were seated about the table to enjoy this wonderful feast, the crowning feature of which were three beautiful birthday cakes, one of which was a triple cake adorned with seventy-one candles, made by Mrs. Archie Kincaid. Brilliant gladoli gave the pretty touch of color to the scene.

The afternoon and evening were spent in the happy reunion of relatives at this hospitable home, whose occupants enjoy so thoroughly the return of children and grandchildren on these festal occasions.

Those who gathered there Sunday were the Messrs and Mesdames W. R. Kincaid, the host and hostess, C. B. Howard and

daughter Frances; James Cook, A. R. Kincaid and children, Bernice, Harold, Leslie and Eunice, George Nichols Jr. and daughter Betty, R. E. Jarvis and son Roy, Carl Carlsson and sister, Miss Evelyn Carlsson, Mrs. J. W. Jarvis, Miss Jessie Jarvis, Mr. Chas. Lindsay, Mr. D. W. Kincaid and Mr. and Mrs. T. A. Moss and son Robert and Phillip Alan Sheldon.

Open House

The Civic Club is keeping open house today, with Mrs. P. K. Hammond, Mrs. L. N. Woodside and Mrs. L. A. Roberts hostesses in charge.

It is understood that this will be done every Tuesday and no doubt many will avail themselves of the opportunity to take their guests and visit the Club house.

Junior Picnic

The Junior Department of the M. E. Sunday school had a picnic in the Park Thursday evening.

This is an annual affair and one the children enjoy very much. Games were played and a bountiful supper served. The children brought well filled baskets and the teachers furnished ice cream.

Every one enjoyed the jolly affair very much and should not mind if picnics came oftener than once a year.

Home Missionary Society

The Home Missionary Society of the Methodist church held its meeting at the home of Mrs. G. F. Billings, Friday at 2:30 P. M.

The membership met at the church where cars conveyed them to the Billings home.

There were thirty present. A business meeting of more than usual interest occupied the first hour.

An election was held at which the following officers were named. President, Mrs. J. R. McCracken; Vice-president, Mrs. Patrick; Second Vice-president, Mrs. S. J. Chaney; Recording secretary, Mrs. Van Possen; Corresponding secretary, Mrs. Ralph Billings; Treasurer, Mrs. O. G. Howard.

The treasurer's report was most gratifying. A total of \$448 were given during the current year for home missions. The "Settlement Work" had been carried on with enthusiasm. Fruit had been canned and clothing collected and sent to the Portland Settlement Center, from which distributions take place.

Mrs. Faris conducted the lesson on Japan, in interesting fashion. During the social hour that followed the program, the hostess,

Mrs. Billings served light refreshments.

Family Picnic

The D. W. Wheeler family of Medford motored to Ashland Sunday afternoon, planning a picnic dinner, the outing commemorative of Hale Wheeler's natal day.

The picnic was changed to an indoor one at the home of Mrs. H. W. Andrews, on Church street, and the rest of the afternoon spent at the A. Andrews' home, on Fairview street, prior to Mr. and Mrs. A. Andrews and Miss Abbie Andrews' departure for Corvallis for a short visit.

W. R. C. Social

The W. R. C. Club met in Lithia Park, Monday afternoon at the Round Table for its regular social afternoon. There were sixty two ladies present to enjoy the delightful visit, while busy fingers were employed in dainty needle work.

Refreshments of ice cream and delicious cakes were served the guests at the close of the pleasant afternoon by the hostesses, Mrs. Lulu Howard, Mrs. Lizzie Robertson, Mrs. P. Coder and Mrs. Hulda Brush.

They were assisted by the Mesdames Hicks, Hood, Hogue, Hammond, Hassis, Harrell, and Hendon.

COMMERCIAL FISHERMEN ARE ROILED AT ASTORIA

ASTORIA, July 15.—Commercial fishing crews here were stirred by reports from Ilwaco that a purse seine boat has been operating off Long Beach within the three-mile limit.

Advices were to the effect that Ernest Seeborg, director of fisheries for Washington, had been notified and that he promised to have the matter investigated. Ilwaco publications declared that light penalties in the past for violations of the regulation prohibiting purse seine fishing within the three-mile limit have resulted in present purse-seine activities.
