SUBURBAN HOMES For a country home close to town, it would be hard to find a prettier location than the Bellview district, just east of Ashland. This district sits in an admirable position, affording a panoramic view unexcelled.

The new irrigation ditch which will be finished this fall will afford ample water for next season and I predict much activity and increase in price of real estate in that district.

BETTER BUY NOW Forty acre tract, half mile off Boulevard, twenty acres cultivated, mostly in fruit, seven acres under the new ditch, twenty acres pasture and wood land. All of the land has a gentle slope to the north. Will sell this land and build a five room house for the purchaser making the terms very, very attractive. Price \$5000.00.

Eight room modern bungalow extremely nice inside, all kinds of conveniences, well with inexhaustible supply of water, electric pumping system, good barn and other out buildings, large shade trees, some fruit trees, two and a half acres, level but slightly location. Price \$5500.00, very easy terms or will add six acres of young pear trees for an additional thousand dollars.

The house is in splendid condition, stone and concrete foundation, basement heating plant and could not be duplicated today for less than \$7000.00. I am afraid you will wonder what is the matter with it and I suggest that you come and see.

For instance; here is a 5 acre tract on the Paved Highway, only 2 miles out, good soil, some fruit trees, fine building spot, panoramic view, for \$750.

A well built, plastered, 6 room bungalow, full basement, concrete foundation, first class porcelain bath and toilet fixtures, slightly front, close to center of town, and the price is only \$2100. Don't let the price scare you. It just happens to be a rare sacrifice snap

City lots, Acreage, Orchards, Farms, Stock Ranches and Business Opportunities.

If your price is attractive, I will be glad to list what you have for sale. If I sell it will be at your price and you pay the commission. I do not speculate on the owner's property.

Speedway Club Have Picnic - The Speedway Club, the social organization of the Royal Neighbors had a very delightful picnic supper in the Park, last night. The invitations included the Royal Neighbors and their families. Tables were laid for around forty guests.

W. R. C. Club - The W. R. C. Club Social will occur Monday afternoon in the Park. A number of hostesses are provided and a good attendance is expected.

Luncheon for Officers of P. T. A. - The Medford P. T. Circles entertained the faculty of the P. T. Institute, Mrs. J. F. Hill, national vice-president National Congress P. T., Miss Frances Hays, field secretary for National Congress P. T. and Mrs. G. J. Perkins, state president of the Oregon P. T. and the other state officers at a very attractive luncheon at twelve o'clock, Thursday, at the Blue Flower Lodge in Phoenix.

The hour was set thus early because of the work of the Institute Friday afternoon.

The distinguished members of the faculty leave this evening for Portland. The Institute has been a wonderful success, with a large attendance of interested women. Ashland feels that this has been a splendid opportunity for advancement along lines of the utmost importance - welfare of the child and appreciate the fact that the Institute was held here.

Sunday School Class Picnic - Mrs. J. R. Robertson's class of the Presbyterian church, which includes the Training Class at present, with a number of other invited guests enjoyed a very pleasant picnic supper in Lithia Park Friday evening.

Supper was planned for six-thirty, and all present did full justice to the very satisfying repast that well-filled baskets had provided.

The guests lingered long in the quiet visit that filled out so happily the delightful evening.

Family Picnic - A family reunion took place in Lithia Park last Sunday when the members of the E. E. Miller family gathered for a most delightful dinner and visit afterwards during the afternoon.

The ones present for this pleasant gathering were Mr. and Mrs. E. E. Miller, Mr. and Mrs. J. E. Cowland of Bellview, Mr. and Mrs. C. M. Hamilton and family, and Mr. and Mrs. Harry Young of Phoenix. A sister of Mrs. Young, who is visiting them from Oakland, was also present.

The Miller's have relatives visiting them this week and several trips have been taken, including one to Crater Lake, and several family gatherings are planned.

Mystic Seven Meet - The Mystic Circle, with its perfect number in membership have begun a series of parties that will doubtless continue until its personnel have to again take up their college work.

One of the group has married since the last meeting and their first gathering took the form of a "Porch Party", with Mrs. Otto Neidermeyer, nee Nellie Hake, as hostess at her home in Jacksonville.

Miss Edith Robinson, lately returned from Los Angeles, took the merry party in her car to the home of the hostess.

Those with her were the Misses Margaret McCoy, Katherine Parsons, Gertrude Brown, Mabel Trott, and Pauline Plummer.

Among the interesting things that occupied the attention of the Club was first, the initiation of the new member of the circle, for when a member marries automatically the husband becomes a part of the circle, hence the initiation. Mr. Neidermeyer stood the ordeal with becoming fortitude.

The new home of the recent bride came in for its share of attention and was duly inspected.

Delicious refreshments was the happy finale of a happy afternoon and before adjournment, plans were made for another meeting in the near future.

P. E. O. Picnic - Thursday evening, Chapter A. C. of the P. E. O. sisterhood enjoyed a very delightful picnic in Lithia Park.

Dinner was planned for 6:30, with the Chapter membership and their families, and a number of out of town visitors as guests.

A very pleasant evening followed the delightful dinner, to whose delicacies the guests gave appreciative attention.

Mrs. J. F. Hill, one of the national vice-presidents of P. T. A. Miss Frances Hays, National field secretary and Mrs. G. J. Perkins, state president of P. T. A., Mr. and Mrs. Isbell, parents of Mrs.

L. N. Woodside, who are visiting here, Mrs. A. C. Briggs, Mrs. Ira Shoudy's guest and Mr. Lon Edwards, Mrs. Louis Dodge's father were guests of the Chapter for the pleasant affair.

Lithians Entertain - Thursday evening's party was another of the very successful affairs for which the Lithians are famed.

In this instance, the wives of the members and a number of house guests were the complimented guests.

No effort had been spared to make it an event long to be remembered. The men proved royal hosts. The committee in charge of the arrangements were the Messrs. Kenneth McWilliams, chairman, L. N. Woodside, S. A. Peters Jr., M. H. Ellis and Dr. Crandall.

The barbert supper was served on the platform and the menu delightfully satisfying. The tables were beautifully decorated in flowers and greenery donated from the greenhouse.

While the men were supposed to attend to every thing appertaining there to, it was hinted that fair fingers assisted in the preparation of the delicious combination salad.

Vari-colored shades for which Johnny Gruelle was responsible, lent added beauty to the scene. Mr. Gruelle also acted as toastmaster and the program offered much in originality and profundity.

Dancing to the music of Loveland's orchestra followed, and hosts and guests are quite of the opinion that parties such as that of Thursday evening's should be often repeated.

Other than the members Mr. and Mrs. Blackstone, guests at the Miller home, Miss Gwendolyn Battersbee, Mrs. Ellis' sister, and two friends, Mr. and Mrs. Joe Windsor who accompanied Mr. and Mrs. Farlow as special guests, were in attendance.

LONGVIEW'S greatest celebration - July 31-Aug. 1-2-3 A Double Occasion Longview's First Birthday and the Opening of the great Long-Bell Fir Mill YOU'VE heard of old cities celebrating their centennials, but did you ever hear of a city celebrating its first birthday anniversary! That's what Longview, Washington, is going to do July 31, August 1, 2 and 3, and the whole Pacific Northwest is invited. Four days are to be crammed full of unusual program, and plans are made to entertain thousands of visitors. The celebration will open with the starting of the machinery in Longview's first big industry - the great fir lumber manufacturing plants of The Long-Bell Lumber Company. That alone will be worth a trip to what the newspapers call "the miracle city," on the Washington side of the Columbia River half way between Portland and the Pacific Ocean. A year ago Longview was dedicated as the beginning of a city with the formal opening of its first pretentious building - the beautiful Hotel Monticello. Since that day the transformation has been little short of marvelous. Not long ago the site of Longview was nothing but a broad valley. Here are some of the things you will see when you attend the birthday celebration: Population 5,000; paved streets, concrete sidewalks; sewers; water system; many permanent business buildings; three modern hotels; daily newspaper; electric power plant with an ultimate capacity of 30,000 kilowatts; more than 700 modern homes and many others under construction; a Community House, equipped with gymnasium, swimming pool, auditorium, etc.; modern street lighting system; parks, boulevards, golf course, athletic field, tennis courts, a complete municipal government; suburban garden lands; modern schools, places for religious worship and fraternal gatherings; - in all, you will find in Longview every facility found in any other carefully planned, typically American city to make life comfortable and enjoyable. But Longview has other attractions also that its citizens want you to see and enjoy, especially if you are a business man looking for a good location, or a person seeking an ideal place in which to make your home, or one seeking an attractive investment. Four Days of Pleasure and Profit THE business men and townspeople have planned a great celebration for the entertainment of the new city's guests. A special celebration will mark the Long-Bell mill opening. The peering of a button will start the machinery. Other events during the four days include: Water fetes on the Columbia River; Fireworks Displays; Band Concerts; Parades; Street Carnival; Round-up; Athletic Contests; Airplane Flights; Addresses by notable speakers. Billy Sunday will preach morning and afternoon sermons Sunday, August 2. Sacred Band concert Sunday. Reduced railroad fares of fare and one-half for round-trip from points in Oregon, Washington and Northern Idaho. From Montana and East, summer excursion fares in effect. LONGVIEW, WASHINGTON July 31, August 1, 2 and 3
