In Twin Falls, they will visit Mrs. Chaney's parents, Mr. and Mrs. S. H. Bolton. With Mr. Bolton, Mr. Chaney will make a trip into the Sawtooth mountains, to hunt and fish. Mr. Chaney will be gone over three Sundays, and during his absence, the Rev. R. W. Nelson, of Medford, will occupy the pulpit.

At the Columbia—Mr. and Mrs. F. M. Hoosman, of Jerome, Arizona, were guests at the Hotel Columbia last night. They are on a touring trip this summer. Another guest from a distance was P. M. Wineman, of Pittsburgh.

Makes it Worse—It isn't bad enough for the local speed cop to be making life miserable for the speed fiends, state traffic officers horn in now and then. We are informed that traffic officer J. R. Benton arrested Thomas Hargrave of Boston, a tourist, for stepping on his gas to the tune of 32 miles an hour through Gold Hill. That's all right, Benton, but why in heck did you take the victim clear to Medford to fine him? Gold Hill needs all the fines resulting from violations in this district.—Mail Tribune.

Out Of Hospital—Inez Wilhite was dismissed from the local hospital today, where she recently underwent an operation for appendicitis. Ralph Hibbs, of the Suncrest Orchards, was brought in today for medical treatment. Another patient is Mrs. Ray Parker, of Butte Falls. Hydrants Standardized—Ed Wolf, deputy state fire marshal, yesterday finished the work of standardizing the hose and fire hydrants of Ashland. This work was done so that all valley cities would have the same size threads, on fire-fighting equipment, and in case of emergency could send help to one another.

From Modesto—W. R. Stacey, of Modesto, formerly connected with Paulserud's tailor shop in this city, is at the Community Hospital for treatment.

Spent Week-End—Jackie and Buddie Bell, sons of John Bell, Southern Pacific messenger, came up from Oakland with their father Saturday, and spend the week-end visiting at the Charles Loomis home.

Lost Finger—While playing with an ax, Lewelyn Peachy, son of the forest ranger, cut a finger from his left hand Sunday. The hand was dressed, and is now healing rapidly.

Saw the Caves—Among the many Ashland residents who drove up to the Oregon Caves on Sunday were Mr. and Mrs. W. F. Loomis, and Ralph, Clara, Helen and Dorothy Gill. They report a fairly smooth road, although it is somewhat dusty. It is very easy to make the trip to the caves and back in one day, and the distance is about 180 miles.

HELP RAISE ASHLAND'S QUOTA

The Salvation Army Campaign

Commencing Thursday morning, and continuing until Aug. 9, the citizens of Ashland will be waited upon to assist the local Salvation Army to raise the sum of \$2000—this being the amount that is requisite and necessary to carry on the work of the Army in Ashland for the ensuing year. This statistical report as submitted by Lieut. C. Bennett and Lieut. C. Dueill shows the 12 months to have been busy ones in Salvation Army activities.

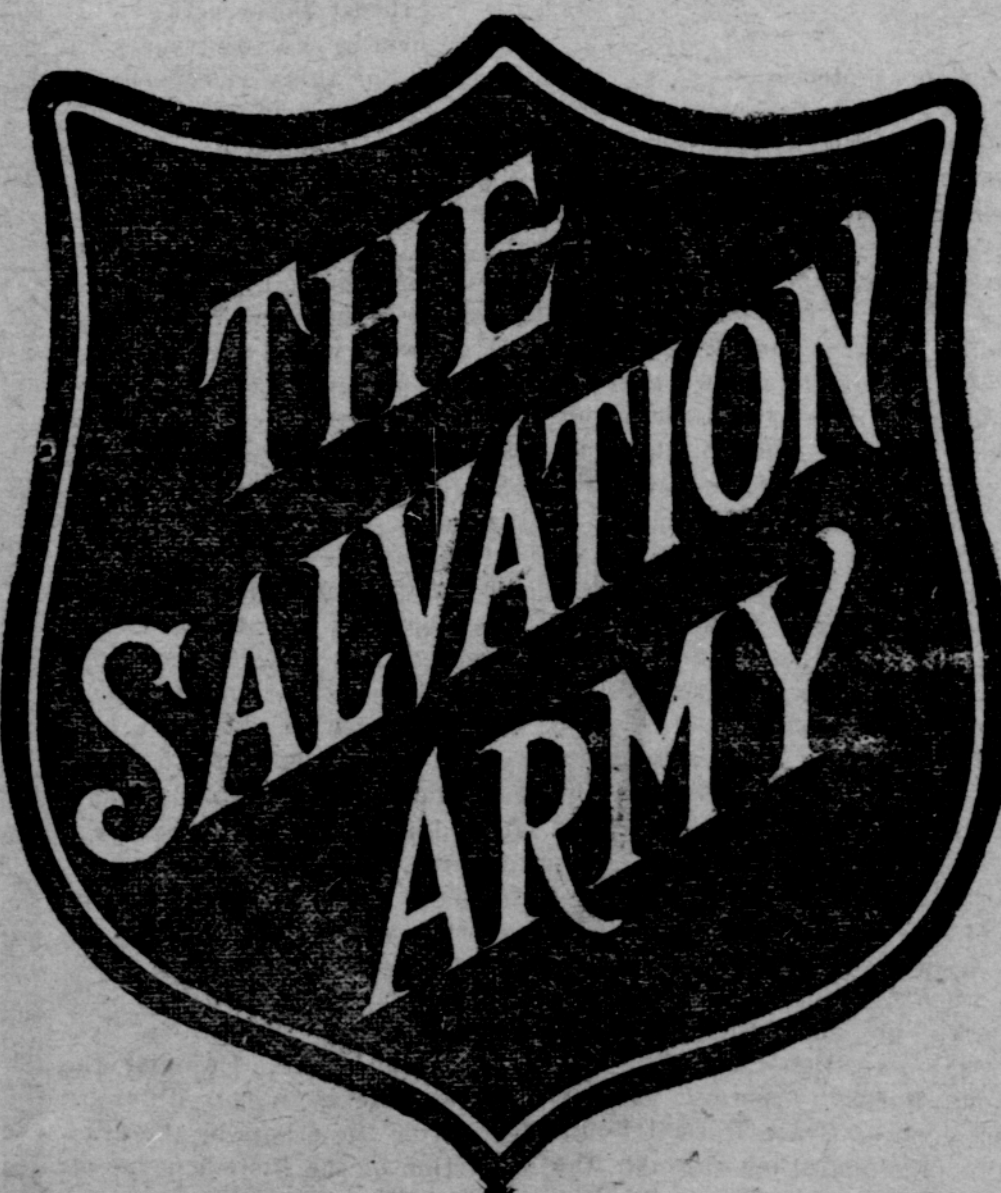

The Salvation Army deserves the support of every thinking man and woman that desires the mutual benefit for all. You are real genuine followers of the Nazarene. I ask all to help you financially. *Walter M. Pierce, Governor of Oregon.*

To whom it May Concern:
Ashland Post No. 14, of The American Legion endorses the work of the Salvation Army. *Dr. W. J. Crandall, Co. n., G. H. Wenner, Adj.*

I want to say that much good work has been done within the last two years in Ashland by the Salvation Army. They have been especially active in relieving the poor. *C. L. Loomis, Mayor of Ashland.*

No nobler service can be performed than for all Elks of this community to assist in helping the Salvation Army put over their annual campaign. *Geo. W. Dunn, Exalted Ruler, B. P. O. E. No. 944.*

\$2,000

Aug. 2 to 9

In addition to the material benefits that have been bestowed, there has also been a great work accomplished that cannot be measured in dollars and cents.

The conversion of 30 people at the services held at the Army hall during the past 12 months—30 men and women made better citizens through the acceptance of the gospel and a belief in the Son of God.

So it is the hope of the Army Officers that as the representatives call upon the people of this community this week that they will meet with a liberal response, for it is the desire of the officers of The Salvation Army that but one appeal be made each year in the county where the Army is located.
