AUTOMOBILE ACCIDENTS

How can one be so indifferent as to provide no protection against automobile accident?

Think this over: We can give you a policy paying \$1000 in case of death resulting, \$100 per month for total disability, and other indemnities for lesser injuries resulting from accident while riding on an automobile or from injuries from being struck or run over by an automobile. Any person, man or woman, 18 to 65 years old, whether owning a car or not. ALL FOR FIVE DOLLARS per year and the policy benefits increase by accumulation at the rate of 10 per cent per year till the policy is \$1500 at the end of five years. CAN YOU AFFORD TO HANG ON TO THAT FIVE DOLLARS AND IGNORE THIS OPPORTUNITY TO PROTECT YOURSELF AND FAMILY?

We can also give you PROPERTY DAMAGE on Dodge class, and lighter cars at from four to

five dollars per year. This insures you in case of any damage your car may do to property of others.

Public Liability, that is, injury or death caused by your car, will cost you but from nine to ten dollars on cars of Dodge or lighter class and the insurance is for \$5000 for loss of one life of \$10,000 for two or more. If you are inclined to have

protection forget the word "to-morrow."

Specify "Check" Seal Commercial Lighting

You'll get better light in your business

MAKE the lighting in your place of business a part of the service you render the public. No matter what business it is—in stores, offices, garages, banks or hotels—people expect modern lighting and it's a good policy to see that they get it.

You'll get the right light in your business if you entrust your commercial lighting work to a "Check" Seal contractor.

"Check" Seal contractors install standard electrical equipment—for example, G. E. Edison Mazda Lamps, Ivanhoe Trojan fixtures and Holophane reflectors. They give specialized workmanship at a fair price.

Specify "Check" Seal commercial lighting in your place of business! You'll be sure of getting all the latest lighting improvements. For "Check" Seal contractors are in constant touch with the lighting specialists of this company. That means that they can furnish you with the most recent plans and equipment for gaining the best lighting effects.

The "Check" Seal is the trade mark of the Pacific States Electric Company—the largest distributor of electrical merchandise on the Pacific Coast. This Company does not sell direct to you but its merchandise can be bought through reliable electrical contractors and retailers. Every electrical product marked by the "Check" Seal has been inspected and certified by this company. Every electrical contractor and retailer who displays the "Check" Seal is committed to the "Check" Seal policy of standard materials, good workmanship and fair prices.

In the interest of better electrical service, we publish the "Electrical 'How' for Householders," a booklet which describes and illustrates the latest and most efficient methods for the use of electricity. The 1924 edition of this booklet can be had free from "Check" Seal contractors and retailers or by writing to our nearest office.
