**WIFE OF 4 SLAYERS NOT TO WED AGAIN**  
MARYSVILLE, Calif., August 5—Four times tricked by Cupid into matrimonial ventures with tragic angles, each of her four husbands having committed murders, Mrs. Alfred Bollinger has promised her present mate that her martial career will end when he steps into eternity from the gallows at San Quentin Prison.

Bollinger secured the promise from her, it was revealed today, when he heard judgment of death pronounced by Superior Judge E. P. McDaniel, several days ago, after being convicted by a jury of first degree murder in connection with the slaying of Alex Summers near here with an ax.

**Tells Matron of Promise**  
Mrs. Bollinger told the matron of the county jail that Bollinger had made the request of her and

she had promised. She had previously announced in Sacramento that her heart would henceforth fail to respond to the wiles of the little love god.

Bollinger seemed undisturbed today when told that he must hang, having been prepared for the ordeal by the jury's verdict of first degree murder.

A motion for a new trial was denied by Judge McDaniel, and after sentence was pronounced, counsel for Bollinger served notice of appeal from the judgment of the court and from the order denying the new trial.

The date for Bollinger's execution will be set later.

# HELP RAISE ASHLAND'S QUOTA

## The Salvation Army Campaign

Commencing Thursday morning, and continuing until Aug. 9, the citizens of Ashland will be waited upon to assist the local Salvation Army to raise the sum of \$2000—this being the amount that is requisite and necessary to carry on the work of the Army in Ashland for the ensuing year. This statistical report as submitted by Lieut. C. Bennett and Lieut. C. Dueill shows the 12 months to have been busy ones in Salvation Army activities.

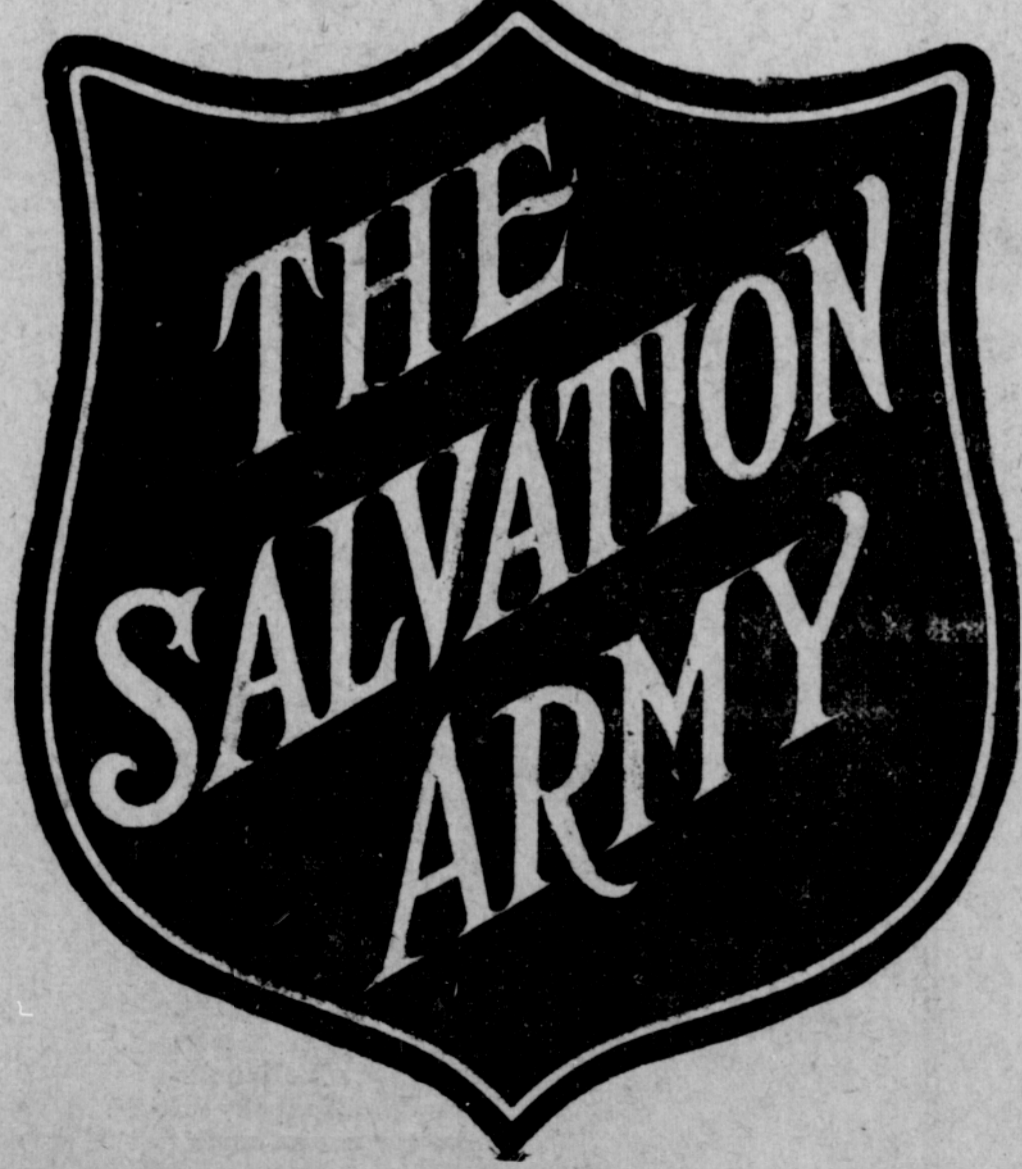

The Salvation Army deserves the support of every thinking man and woman that desires the mutual benefit for all. You are real genuine followers of the Nazarene. I ask all to help you financially. *Walter M. Pierce, Governor of Oregon.*

To whom it May Concern:  
Ashland Post No. 14, of The American Legion endorses the work of the Salvation Army. *Dr. W. J. Crandall, Com., G. H. Wenner, Adj.*

I want to say that much good work has been done within the last two years in Ashland by the Salvation Army. They have been especially active in relieving the poor. *C. L. Loomis, Mayor of Ashland.*

No nobler service can be performed than for all Elks of this community to assist in helping the Salvation Army put over their annual campaign. *Geo. W. Dunn, Exalted Ruler, B. P. O. E. No. 944.*

**\$2,000**

**Aug. 2 to 9**

In addition to the material benefits that have been bestowed, there has also been a great work accomplished that cannot be measured in dollars and cents.

The conversion of 30 people at the services held at the Army hall during the past 12 months—30 men and women made better citizens through the acceptance of the gospel and a belief in the Son of God.

*So it is the hope of the Army Officers that as the representatives call upon the people of this community this week that they will meet with a liberal response, for it is the desire of the officers of The Salvation Army that but one appeal be made each year in the county where the Army is located.*
