Homes on easy terms Walt Mason must be happy as he sings:

"No landlord ever looms 'a view to tell me that the rent is due; no hally get to my gate to bid me pay or pull my freight, and as I survey my chaste abode with shade trees strung along the road, my eyes beholding, fairly shine, I swell with pride, THE PLACE IS MINE, I pity much the laced gent who spends his lifetime paying rent; though he may have a butler, stern and jewelry and cars to burn; he cannot know the joy and pride with which my bosom is supplied, when I survey my henhouse fine, and cry, 'THE WHOLE BLAMED WORKS ARE MINE'."

MAY PROVE FATAL When Will Ashland People Learn the Importance of It? Backache is only a simple thing at first; But if you find 'tis from the kidneys; That serious kidney troubles may follow; That dropsy or Bright's disease may be the fatal end; You will be glad to know the following experience.

'Tis the statement of an Ashland citizen. Mrs. L. Wertz, 129-5th St., says: "Doan's Pills helped me when my kidneys were out of order. I had dull pains across the small of my back that made it hard for me to do my work and my kidneys acted irregularly too. Doan's Pills soon freed me from the backache and put my kidneys in good order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Wertz had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. No. 38

This New Treatment Never Fails To End Piles Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to your drugist and get an original box of MOAVA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing, healing, antiseptic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained.

East Side Pharmacy dispense MOAVA SUPPOSITORIES in the original box or can get it for you on short notice. Mail orders accepted.

Wednesday, August 20. Upper Valley Community Club. Hostess Mrs. Huxley, Walker avenue. Wednesday, August 20. Sunday School Picnic. Park. 4:00 P. M. Friday, August 22. Acorn Circle No. 54 meets. Special Business.

Saturday, August 23. G. A. R. Meets at Army. Open House—The Civic Club will keep open house on Tuesday afternoon, August the nineteenth.

The hostesses are Mrs. B. R. Greer, Mrs. F. F. Whittle, and Mrs. Frank Jordan. Every one interested is cordially welcomed and invited to come and bring her house guests to spend a pleasant hour at the Club house.

These social afternoons are proving quite a popular feature and a great many come during the reception hours; those who have guests bringing them that they may enjoy the beautiful Club house.

Entertainment is provided, and all are assured a welcome and a pleasant time. Upper Valley Community Club Meet—Mrs. Huxley of Walker avenue will be hostess tomorrow at the August meeting of the Upper Valley Community Club at which it is hoped that every member will be present, since so much of importance is to be discussed.

Preparations for the Fair are going steadily on and a splendid exhibit is being made ready. The meetings this summer have been taken up entirely with the work planned for the exhibit and the summer has been a busy one for the members.

Usually the Club takes a vacation through the busy season, but the sessions have been held regularly during this vacation period. Exhibit a Success—The Exhibit of the work of the Summer School of Art was a most decided success; not alone in point of acquainting the people with the work accomplished but as a social function where for the afternoon and evening hundreds came and went and enjoyed the artistic display, and meeting with friends, and who spent a time in social greeting, and in the dining room where delicious punch was served during both afternoon and evening.

Mrs. Gordon MacCracken, Mrs. D. Perozzi and Mrs. G. G. Eubanks of the Civic Club, and Mr. J. H. Fuller of the Chamber of Commerce were in charge of arrangements for the Exhibit. The Chamber of Commerce furnished the punch and a number of the ladies of the Civic Club assisted in serving.

Coming Activity of Civic Club—The Civic Club for a number of years has held "Rummage Sales" as one means of financing the Club House. These sales have been very successful and people have responded most heartily in helping plan for them.

At this time the Club wish to remind every one that it will hold another in the near future and it asks in the fall cleaning that things no longer needed, in clothing or other articles that would do some one else some good be laid aside for this sale.

The help given in time past has been appreciated very much and a continuance of that help is greatly to be desired. Announcement of Engagement—The following excerpt from the "Beverly Hills Citizen" will be of special interest to many Ashland friends of the W. A. Reeder family who spent some winters and a number of summers in Ashland, owning a summer home here for several years.

Both the young people attended High school, Leland graduating before they made California their permanent residence. "Of special interest to Beverly Hills is the announcement of the engagement of Miss Highland Reeder, charming daughter of Mr. W. A. Reeder to Arthur L. Erb of San Francisco. The date for the wedding has not been definitely set at present but it will probably be an event of October.

Having lived in Beverly Hills for the past ten years Miss Reeder is well known to the local residents, possessing a large circle of friends in this community and in Los Angeles where she attended the Westlake School for Girls and Marlborough. Previous to this time Miss Reeder lived in Kansas and Oregon, spending the winters in Washington D. C. where Mr. Reeder was a representative from the state of Kansas for many years. Since her graduation from Marlborough, Miss Reeder has taken an active part in the social and club life of Beverly Hills and Los Angeles.

Mr. Erb is the son of Mr. and Mrs. Samuel Erb of Victoria, B. C. who have recently moved to Escondido to make their home. Graduating from Stanford University in 1916, Mr. Erb formed the law firm of Erb and Bryan with Carleton Bryan with offices in San Francisco. During the World War he served as an officer in the 363rd Infantry.

While at college Mr. Erb and Mr. Leland P. Reeder were roommates for three years, belonging to the same fraternity, Sigma Alpha Epsilon. It was during a visit to her brother at Stanford University that Miss Reeder first became acquainted with her fiancé.

Since the announcement of the engagement of Miss Reeder several complimentary affairs have been planned in her honor. Mrs. Leland P. Reeder will entertain for her sister-in-law at a bridge tea within the next three weeks. Miss Reeder is a niece of Mr. and Mrs. Aaron Andrews, and Mrs. H. W. Andrews of Ashland and Mr. and Mrs. D. W. Wheeler of Medford.

Entertained at Dinner—Mr. and Mrs. Eric Weren were host and hostess at a charmingly informal dinner party Saturday evening with Miss Frances McWilliams as complimented guest. Covers were laid for ten at this attractive affair and the evening were spent most happily in music and in the delightful visit of old friends.

The guest list included Miss Frances McWilliams, who leaves soon for her work in Oakland, Dr. and Mrs. Crandall, Mrs. Cherry, Mr. and Mrs. P. L. Spencer and son Bert, and Mr. James Spencer.

Cushing Entertains—Friday evening the pleasant Cushing home was the scene of a very delightful affair given in honor of Mrs. Cushing's sister, Miss Rightenour, who, with her mother Mrs. Rightenour left for San Diego Monday evening.

It had been planned for a lawn party and the porches and lawn were gay with brilliant Chinese lanterns and decorations appropriate to the occasion. But, "the best laid plans"—are often changed, for the weather man interfered just enough to send the large assembly in doors so it was an indoor affair after all.

Music, games and dancing sped the hours gaily and at a late hour the hostess served the most delicious refreshments, a beautiful feature of which was the "Good Luck Cake" with its unique ornamentation of the emblem of good luck—the horseshoe. There were twenty five guests present to enjoy this gracious hospitality and wish the guest of honor "bon voyage."

The party was a delightful surprise for Miss Rightenour who was absent when they came. She was brought home after the company had assembled and her astonishment added much to the enjoyment of the guests.

Reunion of Relatives—Last Sunday a number of relatives gathered in the Park for dinner and a visit during the afternoon.

afternoon. Those who made up the group that spent the day together were Mr. and Mrs. P. L. Ashcraft Sr., Mr. and Mrs. Bruner, Mrs. Ethel Ashcraft and three sons of Newport, Mrs. Counter and children, Esther and Virgil, Mrs. Marion Loge, and Mrs. Alta Long-Ashcraft and Ernest K. Ashcraft Jr. of Battle Mountain, Nevada.

Mrs. Ernest Ashcraft leaves for her home Sunday night. Monday, James Yeo and wife arrived for a visit with home folks as did Mrs. Norman Ashcraft, a little too late for the happy gathering in the park.

The dinner was a most beautiful affair and full justice was done the delightful repast. The afternoon was spent in a real home visit.

Birthday Celebrated—Donald McWilliams is a happy youngster today. It is his fifth birthday and his fifth celebration of that important occasion.

Today the plan is to have a merry time in the Park with a number of his little playmates. Albert Huffman, Mark Ellis, Carl Loveand, Jr., and Bobby Burdie will share the fun.

There is to be the jolly picnic dinner with all the dainties that boys love and the games at the play ground to fill the happy afternoon.

Donald thinks when he views all that this birthday has brought him, and the lovely party that fifth birthdays are pretty nice.

Acorn Circle Meets—Acorn Circle No. 54 will hold a special meeting on Friday and every member is urged to be present as there is special business to come before the organization. The announcement is made thus early that members may plan their engagements to be present for this meeting.

Crater Lake Union Meets—The Executive committee of the Crater Lake Union of Christian Endeavor met Sunday evening at the Presbyterian church in Medford.

A number attended from Ashland and report a very successful meeting. This committee represents the C. E. societies of the Valley and has quite a large personnel.

Picnic Party—Thursday evening another happy party gathered in the Park for the delightful supper that had been prepared and for the visit that followed.

Those who enjoyed the gathering there were Mr. and Mrs. E. H. Clift, Mrs. A. E. Hensley, Miss Pauline Clift and Miss Genevieve Hensley.

After dinner they all went to the home of Mr. and Mrs. Clift where the evening was spent.

Social Events in the Christian Church—Next Sunday the Men's Bible class are entertained by Mr. V. Hawley at a covered dish luncheon at the pleasant Hawley home.

Last night Dr. Hawley entertained the "Young People's class" at her home at a delightful party, details of which will be given later.

If the weather permits, the Sunday school will have their annual picnic in the Park Wednesday. The children will meet at four o'clock at the lake. Ladies have been appointed to look after them. The older folk will arrive with the lunch baskets later, and the dinner will be around six o'clock.

The first Sunday in September will be the regular church meeting and the basket dinner that is a feature of these meetings. At this meeting, the building committee will report and the church will decide whether to repair the present building, or build a new edifice.

Gathering of Former Kansans—Last Monday evening there was a pleasant gathering of former Ottawa, Kansas, people for a reunion in the Park. A delightful picnic dinner was a feature of the occasion, and a very popular one. During the dinner, and for long afterward the guests lingered over the happy reminiscence visit over old times in the far away old home, that, no matter how pleasant the new, is never forgotten.

Mrs. G. B. Hayes, her son Verne Hayes and Miss Alice Crewson of Portland, visitors of Mr. and Mrs. V. O. N. Smith were the complimentary guests, who with their hosts, Mr. and Mrs. V. O. N. Smith, and children, Mr. and Mrs. O. F. Carson, Mrs. Ida M. Smith, Mr. and Mrs. Wirt M. Wright, Miss Jean Carson, Miss Lucile Carson, Mr. and Mrs. H. P. Holmes and Donald Carson made up the company that enjoyed this pleasant gathering.

The visitors from Portland left Tuesday. A visit to Crater Lake and in Roseburg before their return to their homes was planned.

Beaver-Delch—The following from Sunday's Oregon Journal will be of considerable interest to a host of friends of the Beaver family.

Meredith Beaver is an Ashland boy, a graduate of Ashland High school. His friends have watched his success with interest and are extending to the happy couple the best of good wishes for a long life of happiness and prosperity.

The family expect Mr. and Mrs. Beaver soon.

"An interesting wedding was solemnized Friday at the home of Judge and Mrs. Richard Delch, when their daughter, Miss Della Delch, was united in marriage with Mr. Meredith G. Beaver, son of Mr. and Mrs. A. M. Beaver of Ashland, Dr. Clarence True Wilson officiating in the presence of a few friends. Mrs. Beaver attended the University of Oregon and is a member of Alpha Phi. Mr. Beaver is a graduate of the state university and a member of Delta Tau Delta.

After a two weeks' wedding trip to Southern Oregon, they will return to Portland to reside.

Hoover Committee Offers Plan To Stabilize Employment and Lower Costs in Building Industry

The old belief that winter is a bad time to build seems to be giving way in the face of newer construction methods. One large construction company in New York City, carrying on year round operations, has figured out that in ten years it has lost an average of only fourteen days each winter because of weather conditions.

Weather conditions vary from year to year, but in a ten-year period the average number of days in which the temperature fell below freezing any time during the working hours in New York was only 62 per year. The old winter of 1919-1920 had 82 such days, but the following winter there were only 38.

The above figures are given in a report issued by the Committee on Seasonal Operation in the Construction Industries, appointed by Secretary Hoover of the Department of Commerce as a result of the President's Conference on Unemployment, formed in 1921 to stimulate employment, to eliminate waste and to reduce costs.

The committee decided that idle time, amounting on an average to about 25 per cent among all the building workers of the country, to the construction industries, the workers and the public, and that such losses as are due to seasonal ups and downs in the construction industries are undoubtedly preventable.

In support of its thesis that custom not climate is mainly responsible for these fluctuations, the committee points out that seasonal unemployment in construction is not confined to the states where the climate is severe, but affects cities in the South and on the Pacific Coast in much the same way that it affects those on the Canadian border.

"The art of construction has advanced to such a point that the effect of bad weather on building operations has been greatly reduced," the report states. "There is today much less manual labor on the job than formerly; a greater proportion of the work is done in factories by power machinery, which is less affected by the elements than hand labor. Steel and concrete construction, with certain safeguards, can go forward at low temperatures. Methods of winter construction developed by leading contractors should now be greatly extended. Winter work is being done in some cases more cheaply than summer work."

The committee includes in its membership John W. Blodgett, president of the National Lumber Manufacturers' Association, and John Donlin, president of the Building Trades Department of the American Federation of Labor, together with prominent representatives of contracting firms, banking interests, real estate associations, architects, engineers and others.

Mr. Beaver is attending the school of medicine of the University of Oregon.
