KITHCART WAS LOSING HIS STRENGTH QUICKLY

When He Turned To Tanlac And Got Relief

"After hearing so much about Tanlac I thought it must be good medicine, but I had no idea it was so fine until I took it myself," is the striking statement of C. B. Kithcart, 1411 W. 58th St., Seattle, Wash.
"Six months ago my appetite quit, my digestion broke down and I had a constant aching feeling in my stomach that got on my nerves something awful. Some days I never wanted to eat a thing and my strength was getting away from me fast.
"But here I am after taking only three bottles of Tanlac eating and digesting everything and feeling fine. However, as strong and well as I feel I am going to keep on taking Tanlac until I have used at least six bottles to make sure its work is well done. What it takes to make a person feel right Tanlac certainly has it."
Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold.
