Tidings Subscriptions Must Be Paid In Advance While The Daily Tidings has discontinued its plan of sending a collector each month to collect from its city subscribers in Ashland, the rule that all subscriptions must be paid in advance is still in force. The discontinuance of the personal collection system was merely to reduce expenses which will eventually benefit the subscriber—not to in any way alter our rule that all subscriptions must be paid in advance. As heretofore, unless our subscribers pay in advance, their subscriptions will be discontinued. PAY AT THE TIDINGS OFFICE Many have already gladly adopted the new plan and have called at The Tidings office to pay their subscription. Drop in at The Tidings office the next time you are down town or mail in your subscription—65 cents a month or \$7.50 a year. The Daily Tidings Ashland, Oregon
