JAP WOMAN ATTEMPTS DEATH IN PORTLAND

Unable To Go Back To Native Land, Picture Bride Tries To Commit Suicide

PORTLAND, Sept. 5.—Her hopes dispelled, her illusions shattered, Mrs. K. Yamamoto, young Japanese "picture bride," thoroughly despondent, today jumped her two-year-old baby in her arms and leaped from the second story of a Portland hotel to the sidewalk below.

The husband told a pathetic story to the police of how his bride wanted to return to her native land, but he wanted to remain as he was making good money and was becoming wealthy. She became almost demented, he said, and her act was the result of grief.

The husband has been in the United States for several years, and his wife arrived a few years ago. She is a "picture bride," whom Yamamoto married before he had seen it. It is an Oriental custom to send pictures, and if the man decides to marry the woman, he does so before she leaves her native land.

Mrs. Yamamoto, according to her husband, became homesick, and did not like America, desiring to return to Japan to live.

EXPECT HUGE CROWD

Information Contained in Telegram Received This Morning From State Headquarters; Davis May Talk Here

William Jennings Bryan, famous orator of the Democratic party, will deliver his first Oregon address in Ashland, on September 10, according to a statement made today by John O. Rigg, Jackson county chairman of the party.

Mr. Bryan will arrive in Ashland at 5:30 in the afternoon, and will leave at 7:10. The place at which he will speak, and the time, have not been announced as yet, but it is planned to secure a large auditorium or outdoor site, capable of holding the monster crowd expected.

Here Years Ago
Mr. Bryan was first in Ashland about 18 years ago, and has spoken here once since that time. The last time he was in southern Oregon was after the last Democratic convention, when he talked to a record-breaking assembly at Medford.

The information that the great Commoner will speak in Ashland was contained in a telegram received this morning by Mr. Rigg from C. J. Smith, state chairman of the Democratic organization. The telegram said in full:

First Address
"W. J. Bryan has consented to deliver his first political speech in Oregon at Ashland, September 10th. Arriving 5:30 afternoon train, leaving 7:10. Mr. Cannon will write you full details."

Mr. Cannon is the executive secretary of the state committee.

Expect Big Crowd
Before Mr. Bryan speaks, arrangements will be made to handle a capacity crowd, as persons are expected from all of southern Oregon and northern California to hear him. He is noted as one of America's greatest orators, and has always drawn immense throngs of listeners.
