WHAT IS GOOD

By John Boyle O'Reilly.
 What is the real good?
 I asked in musing mood
 Order, said the law court;
 Knowledge, said the school;
 Truth, said the wise man;
 Pleasure, said the fool;
 Love, said the maiden;
 Beauty, said the page;
 Freedom, said the dreamer;
 Home, said the sage;
 Fame, said the soldier;
 Equity, the seer.
 Spake my heart full sadly,
 "The answer is not here."
 Then within my bosom
 Softly this I heard:
 "Each heart holds the secrets
 Kindness is the world."

Among those who picnicked in the hills Sunday were Mr. and Mrs. Will Dodge and Mr. and Mrs. R. C. McMillan, who spent the day at Jennie Creek on the Ashland-Klamath Falls highway. They returned home late in the evening and reported a delightful time. They also reported that there were a great many cars from Klamath Falls who made the trip over to see the auto races at the Jackson County Fair grounds.

Social Circle

The Social Circle met at the Christian Church last Wednesday for their regular meeting. A good crowd attended and the meeting was very successful in every way. The meeting was in the nature of a business session, and some important business was transacted beside the regular routine work. Mrs. Dan Hatcher and Mrs. J. V. Wright were hostesses of the afternoon. At the close of the session delightful refreshments were served.

Mah-Jongg Party—
 Mrs. Emma Oeder, Miss Zipora

Blumenfeld and Miss Ethel Wheeler entertained with a charming Mah Jongg party at their home on Granite street Saturday evening. A very delightful evening was spent.

At the close of the evening, dainty refreshments were served by the charming hostesses.

Those present were Misses Prater, Hawkyard, Lela Weitman, Georgia Richardson, Linda Oeder and Mesdames J. H. McGee, O. A. Paulserud, L. N. Woodside and the hostesses.

College Club

The College Club met at the home of Mrs. E. H. Hurd of Medford Saturday afternoon for the first meeting of the season. Miss Marjorie Myers gave a review of three books in a very interesting way. Miss Gore played a piano solo which was greatly enjoyed. Mrs. C. A. Wing was the social chairman of the afternoon.

Those who attended from Ashland were Mesdames Fred Wagner, G. M. Green, H. A. Stearns, and Emil Peil.

Society Daily

In the future the society will be run every day and anyone having items for the society editor is asked to phone them to her at The Tidings office, 39, between the hours of eight and five, or phone in the evenings to 282J. It is thought that this will be a much more satisfactory arrangement as the news will be printed without any delay.

the Green Mountain Asbestos Mining company. Mr. Barde said that he has assumed financial control of the development of the property.

Mr. Barde said that the property covers 640 acres in Jackson county on a long-term lease acquired a year ago by Wesley W. Caviness, president of the company since formed to develop the holding. Charles Witherspoon, engineer formerly of the Coeur d'Alene, Idaho, district, will be general manager. Others associated in the enterprise, according to Mr. Barde, are Henry Strowbridge, H. C. Wortman, Charles L. McNary, John H. McNary, Dr. E. C. McFarland, Louis Lachmund, Fred L. Bolt, William P. Lord, Henry M. Hanzen and L. J. Bergmann.

Mr. Caviness left Thursday for the property to make preparations for the installation of machinery. "No chemical treatment is required for asbestos," Mr. Witherspoon said, "and it is not difficult to mine and mill. The quarrying system is used. The property,

which is within 1 1/2 miles of a highway, is reached from Azalea, Douglas county."

Most of the asbestos now on the market is mined in Georgia, Arizona, Idaho, Massachusetts and Vermont.

After Summer heat—
 Summer Washing?

Many women blame the run-down feeling in September to the summer heat, when in reality it is because of the washing at home. Many women have freed themselves of the worry and work of summer washing—by using our laundry service.

They have found laundry service moderate in cost and the work excellent.
