A WOMAN'S BACK The Advice of This Ashland Woman is of Great Value. Many a woman's back has many aches and pains. Ofttimes 'tis the kidneys' fault. That's why Doan's Pills are so effective. Many Ashland women know this. Read what one has to say about it: Mrs. A. Sherard, 881 E. Main St., says: "I can recommend Doan's Pills from experience for I know they do all that is claimed for them. I had a lame aching back that kept me feeling miserable all the time. My work tired me easily and I had frequent headaches. My kidneys acted too frequently, too. Doan's Pills bought at Poley & Elhart's Drug Store, helped me wonderfully by relieving the backaches and regulating my kidneys." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Sherard had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. No. 30

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenru, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed the East Side Pharmacy to dispense Allenru with the understanding that if the first pint bottle does not show the way to complete recovery he will gladly return your money without comment.

East Side Pharmacy is my appointed agent in your city. If you live out of town I'll gladly send you free particulars.

OPPORTUNITY (By E. R. Sill) This I beheld or dreamed it in a dream: There spread a cloud of dust along a plain; And underneath the cloud or in it raged A furious battle, and men yelled, and swords

Shocked upon swords and shields A Prince's banner Wavered, then staggered backward hemmed by foes. A carven hung along the battle's edge, And thought, "Had I a sword of keener steel— That blue blade that the king's son bears—but this Blunt thing!" he snapt and flung it from his hand, And, lowering, crept away and left the field.

Then came the king's son, wounded, sore, bestead, And weaponless, and saw the broken sword, Hilt-buried in the dry and trodden sand, And ran and snatched it, and with battle-shout Lifted afresh he hewed his enemy down

And saved a great cause that heroic day. CALENDAR OF EVENTS Friday, Sept. 26.—Bellevue Parent-Teachers Association will meet at the Bellevue school at eight o'clock. Everyone urged to attend.

Paris Style Hints—PARIS, Sept. 23.—Yes, we have bananas and cabbages and anything else you want to trim your new Winter hat, says Marthe Regnier, the popular Parisian actress, who has lately turned to hatmaking. Last week she fitted up one of the Parisian "flyboats" and sailed down to Deauville, where she is amusing everyone with her millinery boatful of freakish bonnets.

The floating hatshop is typical of Deauville, and the hats must be in keeping with the shop. Trimming seems to have had its inspiration from the vegetable garden. Marthe Regnier herself wears a little green felt, with tiny green and white fishes encircling the crown, while another of her own models is of red felt, with hearts, clubs, diamonds and pades, made of a red composition forming the trimming. One smart Deauvilleite came away from the boatshop the other day wearing a curious creation trimmed with a great cabbage plant in the front. And still another had a stick-up of a pretty coral carrot

Winter?

The Government statement for September says: "With only 2,513,000,000 bushels indicated, of 533,000,000 bushels less than last year, the corn crop entered September in the lowest condition in the last forty years where three exceptions."

What has that to do with pork chops? You eat more of the billion-dollar corn crop than you think, for that is what ham, bacon and pork products are made out of. It is chiefly for feeding swine that corn is grown on more land than any other cultivated crop in the United States, according to a bulletin issued by the American Nature Association, which adds that corn, corn syrup and cornstarch are increasingly important products. Hardly 1-2 per cent of the corn crop is exported.

Uncle Sam's annual corn crop ranges from one and a half to three billion dollars. This is approximately twice the annual value of iron produced and twenty times that of the gold mined each year. The white man came to America seeking gold and found it in the cornfields. Of the world's four billion bushels of corn the United States produces three-fourths. Loaded in wagons this would make a train long enough to go nine times around the world at the Equator.

Farmers get a greater total return from corn than any other crop. During the past decade the product of this plant has gen-

erally exceeded the combined value of wheat and cotton, the next two most important crops. Corn growing is the principal task of millions of farmers. As a rule a hundred million acres are planted to corn each year. It is grown

in every State in the Union, but thrives best in the Central States from Ohio westward to Missouri and beyond.

Prominent Business Man Says He Felt Like New Person After It Relieved Him of His Troubles.

Among the thousands of California people who have publicly expressed their indebtedness to Tanlac for that much needed "lift," which has put them on the road to normal weight, health and strength, is A. R. White, dealer in building supplies at 244 S. Flower St., Los Angeles. Mr. White recently said:

"The foundation for my present excellent health was laid by Tanlac something like a year ago. For several months I had been so rundown as to feel utterly unlike myself. I had lost all enjoyment for food and could not eat without suffering great discomfort afterwards from indigestion. My liver was sluggish and that tired feeling was on me all the time.

"Three bottles of Tanlac relieved my troubles and started me off with a system so thoroughly toned up and renewed that I soon found myself feeling like a new man. The results have been last-

ing, too, for I am still strong and well."
