FOOTBALL TO BE STARTED ON SATURDAY

Ashland Players to Meet Klamath Falls on the Local Grounds

PROBABLE LINEUP
Only Three Games to be Played on Local Field This Year; More Weight Needed

The Ashland high school football team is rapidly rounding into shape to start off the season Saturday when they enter the battle arena with the husky Klamath Falls team on the local high school athletic grounds for the first game of the season.

Coach Hughes has been putting the members of the team through a series of strenuous practice games, signalling, line bucking and trick plays, which they are depending upon to have the team in good shape by Saturday.

While there are only two 1923 letter men on the present tentative lineup for Saturday, Prescott and T. Bryant, and while the weight of the team will not average up as high as desired, the coach feels confident that the team will take the game from the Klamath Falls players Saturday and that gradually the weight and experience of the team will grow better as the season advances.

The prospective players for the various positions were announced Thursday by Coach Hughes, as follows:

Ends—Freeman, Gosnel, P. Bryant.

Tackles—Norton, Frulan, Guards—Pittenger, Homes and Tucket.

Center—Wilson, Prescott. Back-field—Gandee, Butterfield, Watson, T. Bryant.

Quarterback—Marske. Gosnel and Gandee are new men who are showing up splendidly. Marske, while not a 1923 letter man, made his letter two years ago in local athletics.

No report as to the probable strength of the Klamath Falls team has been received locally from official sources, but a rumor is to the effect that the school has a new coach and that the men are heavyweights.

Only three games are scheduled to be played on the local grounds and the high school officials are anticipating splendid turnouts at each of these three games, which must be depended upon to give sufficient financial returns to carry the team throughout the year.

The schedule as arranged at present is:

Sept. 27—Klamath Falls at Ashland.

Oct. 4—Open.

Oct. 11—Ashland at Klamath Falls.

Oct. 18—Ashland at Grants Pass.

Oct. 25—Open.

Oct. 31—Ashland at Roseburg.

Nov. 11—Ashland at Medford.

Nov. 19—Grants Pass here.

Thanksgiving—Medford at Ashland.

Coach Hughes announced this morning that he expected to have Captain Borah, who is now in Idaho, back on the team before the season had advanced much farther. This would strengthen the team, it is held.

Some of the prison officials have said they would not be surprised if the young prisoners showed signs soon of insanity.

Two planes flew over Ashland Thursday at 10 o'clock and many mistook them for the world fliers.

"My own counsel and immigration authorities informed me that my residence in Canada raises a presumption that I am not a citizen of the United States," he said. "That being the case, fairness to myself, my party and my friends required that I withdraw from the race."

GRANTS PASS IS POOR IN FOOTBALL

With only five lettermen back to build a team around, Coach J. F. Brown, of the local high school is not extremely optimistic over the outlook for Grants Pass high school football "speculates this season, says the Grants Pass Courier. In fact, Coach Brown is taking the attitude that there have been much better teams at the high school than he can hope for this season. He has a wealth of aspirants but they are mostly light and inexperienced. With but 10 days left before the first game, is not expected that a wonder team can take the field. He hopes to put enough football knowledge in them to make a good showing in the game with Klamath Falls a week from Saturday, however.

The local team is somewhat handicapped by the fact that they have no dressing rooms yet, as the basement has not been completed. This holds up practice to some extent. The boys are showing enthusiasm, however, and are making the best of the situation, putting in nightly workouts. Two full teams are taking the field each night. Among these are a number of freshmen who give promise of becoming good material.
