Barnard modestly stated that most of the credit should go to the Boys' and Girls' club of which he is a member, which gave him the training and the inspiration. ground lost.-Spartanburg Sun. While we hold the highest regard for the splendid work which the clubs are doing and wish to see them encouraged and expanded as much as possible, the victory was switches from the boy to the parent? due to Barnard Joy's superior work, his greater enthusiasm and his perseverance.

Ashland should be deeply proud of this youthful dom fatal-Waco News-Tribune. gardener, for this accomplishment makes him one of the city's leading citizens.

And say, folks, don't you think the city should tell Barnard next year to open up his faucets and use as much water as his vegetable growing demands? He deserves it though next summer is another dry season.

USING THE WASTAGE

When the writer viewed the small enterprise of The Ashland Charcoal and By-Products company, whose of ficials claim they can, and have made, charcoal and byproducts from soft wood sawdust, the remark of one of the Massachusetts visitors recently in our city, "that you end of the lake occupied a day in preparing for his return, and novelist has been in Siskiyou are proud today of Oregon, but you won't be in 25 years determined that if opportunity were offered he would ka
