MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired worn-out feeling, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Pills. Ask your neighbor! Read the statement of this Ashland citizen. Mrs. S. A. Eddings, 259 B. St., says: "Some time ago my kidneys were out of order I became run down and had no energy. My back was weak and lame and ached dreadfully. The action of my kidneys was irregular also. Doan's Pills soon relieved the aches and pains and put my kidneys in good condition." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Eddings had. THE WINDS OF GOD (By Ethel McKinzie in Contemporary Verse)

The wind of God are out to-day, Exultant through the world they play.

Blow clean and sweet where man-kind crowds, They toss the great arms of the trees,

The withered leaf before them flees; They catch the arrows of the sun,

The grasses from their sallies run. They bear me upward on their wings,

With joy my spirit soars and sings, Above the waves of pain and strife

That beat upon the shores of life. In mighty play they romp and roar;

They shake the hinge of heaven's door; Across the hilltops wild they race,

They wrestle through the open space; They rouse the giants of the earth

The welkin rings with goodly mirth, And all the earth in triumph swings!

O Winds of God! Give me your wings!

CALENDAR OF EVENTS Wednesday, Oct. 1. Standard Bearer Circle, M. E. Church hold first meeting at the home of Mrs. Deer, 48 Fifth street, 7:30.

Thursday, Oct. 2. Upper Valley Community Club will meet at the home of Mrs. W. D. Jackson on Iowa street. All day meeting. Miss Brewster, home demonstration agent will instruct in millinery.

Tuesday, Oct. 7. Civic Club meets at club house at 2:30. Interesting program to be given.

Civic Club Sale — One of the interesting features at the Rummage sale which will be given by the Civic Improvement Club October 10 and 11 will be a food sale, that will be held in the Red Cross room during both days of the sale. This will be in charge of Mrs. J. R. Luke and Mrs. Schell and all sorts of good things will be provided so that one may supply the Sunday dinner with delicious desserts or substantial at a very reasonable price.

The general committee is functioning to excellent purpose and plans are well under way for another very successful thrift sale. Special committees will be announced shortly.

Attention is again called to the laying aside of any articles that are of no particular value to the owner but may be to some one else. Anything from a second lot to a pair of popular model slippers will be acceptable. This is a good time to clear away the accumulation in the store room or attic, thus relieving the congestion and at the same time benefiting someone else.

Study Club—The Ashland Study Club will meet October 6 at the home of Mrs. J. W. McCoy on Oak street for the first meeting of the year at 2:30 o'clock. The roll call will be, "Chinese War Notes", and every member is supposed to respond with some news in this line. Mrs. Fred Engle will be on the program and Mrs. Louis Dodds will review the book "Swinging Lanterns" a Chinese story. This year the club will review modern classics and at the end of the year these will be donated to the public library.

S. S. Social—Friday evening of last week the Christian Endeavor held their regular monthly gathering. The

program and refreshments were planned by the intermediate girls and the junior boys. An excellent program consisting of duets, solos and stories was given. A collection was taken up for the church, remodeling the first one that has been taken. At the close of the evening delicious refreshments were served by the boys and girls.

"Who Do" Class—The "Who Do" class of the Methodist Episcopal Church met with Mrs. Madden on Pine street Friday afternoon. About twenty of the members were present.

Mrs. Dew, past president of the class, was up from Medford to attend the meeting. In appreciation of Mrs. Dew's faithful work with the class she was presented a beautiful vase by Mrs. S. J. Chaney. The afternoon was spent in visiting and doing fancy work. At the close of the afternoon dainty refreshments were served by the charming hostess.

The next meeting will be held at the home of Mrs. Cook of Medford next month.

Officers Elected—At the Woman's Home and Foreign Missionary societies meeting at Grants Pass last week the following officers were elected: Foreign, Mrs. Grace Engle, Ashland, President; Mrs. A. J. Geddes, Roseburg, vice-president; Mrs. Riley Hensen, Medford, Recording secretary; Mrs. Homer Billings, Ashland, Corresponding secretary; Mrs. J. M. Isham Grants Pass, treasurer. Home Mrs. McCracken, Ashland, President, Mrs. Ralph Billings, Ashland, corresponding secretary; Mrs. Riley Hensen, Medford, recording secretary.

Picnic At Mine—Mrs. L. A. Shaw, Mrs. Abbie Shaw, Mr. and Mrs. J. H. Sugg and daughter, Jane, spent Sunday at their mine near Footh Creek having a very enjoyable picnic dinner at noon there.

Wood-Vieira Wedding—Miss Alta Wood of this city and Mr. A. A. Vieira of Siskiyou county were married by Judge Gowdy last Wednesday. Following the ceremony they left in their car for their home in California. The couple has many friends in this city who wish them the best of luck.

Elks Picnic—Among those from Ashland who attended the Elks picnic at the picnic grounds on Rogar River Sunday were Messrs. and Mesdames Will Dodge, T. H. Simpson, H. O. Frobach, H. K. Tomlinson, Mike Tucker, Andrew McGee, Misses Ruth Sims, Laura Olsen, Grace Sinoma, Mollie Songer, Mrs. Songer, Mrs. Dean Scott and small son, Herbert Gently Bill Allan, I. E. Friedegar, Millard Grubb. The Ashland team won back the cup in the baseball game, which was a hard contested one.

Paris Style Hint—From Paris comes the cigarette hat which has two little side pockets in the crown — one, to hold gold-tipped cigarettes and one to hold a colored silk handkerchief. These hats are made of colored felt and the cigarettes supplied with them are real. They are retailing in New Orleans for \$12.50 each which is rather cheap for a cigarette-case, hat and

handkerchief all combined in one, as you may see at the real gold-tipped cigs!

Saint Patrick may have chased all the snakes out of Ireland but he had nothing on the leather goods people who are corralled every lizard and crocodile in existence and made them up into bonnets and slippers for the Fair sex. It is reported that there aren't enough reptiles left to supply the demand for the milliners alone. At any rate, we have just discovered among the Parisian leather goods that once were cow-hides — dyed up to resemble crocodile and lizard skins. These are made up into sports hats and shoes for the most part although there are belts and handbags which also use these reptile substitutes.

Wilson admits there have been causes for the passage of the law and says he has evidence that during the last year thousands were smuggled into the United States as seamen who were not connected with the sea. Wilson says he has evidence that at Genoa a shipping agent supposed to be identified with the Seamen's Confederation in Italy was importing manufacturing seamen wholesale at enormous profit. Such conditions, Wilson admits, led to the stringent law passed by Congress; but in passing such a law certain sections of the Seamen's act have been destroyed, and seamen are now virtually prisoners

while in the United States. "We have a business-like proposition to make to the President of the United States, which we cannot disclose at this time," Wilson said.

BRITISH TARS REQUEST TO SEE PRES. COOLIDGE

LONDON, Sept. 28. — British seamen want a quiet heart-to-heart talk with President Coolidge.

The new United States Immigration law, which requires a ship's captain to provide a bond of \$1,000 for every alien seaman given shore leave in the United States is causing great dissatisfaction among British seamen and is making it difficult for steamship owners to get crews for voyages to United States ports.
