GIANTS BREAK TIE BY WINNING FIFTH GAME

SIDEWALKS MAIN TOPIC DISCUSSION

Laurel, Granite Improve-
ments Held Up Pending
Situation Probing

OTHER MINOR DETAILS

Sewer District No. 27 Bid Is Held
Up So as to See How Owners
In Section Feel

The city council in session Tuesday evening deferred action on the bid for sewer work in Sewer District No. 27. A bid was entered by Frank Jordan for 400 feet of 6-inch pipe, complete at 97 cents a foot, and for other parts of the work, but the council decided that no action would be taken on it. It is thought some of the property may have been assessed in other districts and an investigation and discussion with the property owners was ordered before any action will be taken.

The council and property owners on Laurel street discussed the petition for a sidewalk on that street. The petitioners asked for a four and a half foot wide sidewalk, but the city engineer objected to this, stating no sidewalks had been constructed less than five feet wide which was the minimum provided by ordinance. The petitioners stated the narrower width was requested so as not to injure any trees along the proposed sidewalk. The engineer said he felt certain the five foot sidewalk could be constructed without injuring any trees. Action was deferred however on this.

A cross walk at Nutley and Strawberry lane was ordered and the street commissioner was granted a 10-days vacation. The street commissioner was also instructed to repair the crossing at Almond and Church streets. W. C. Baldwin was given permission to move the houses from the site granted the California-Oregon Box and Lumber company to California street.

Due to a shortage of funds the council ordered that the third policeman on the local force be discontinued for a while.

The question of a sidewalk on Granite street, for which a petition had previously been presented, was discussed. Some of the property owners were present and stated a sidewalk in front of their property would entail an expensive retaining wall. The city was requested to bear part of this expense. The question was laid over for further discussion with the property owners.

VETS SCORE LA FOLLETTE

PORTLAND, Oct. 8. — Veterans of the 91st division of Oregon have taken a strong stand against the La Follette war record and are urging their comrades of the war days, as well as citizens generally, to rebuke the Wisconsin candidate at the polls next month.

APPROPRIATED TO KLAMATH COUNTY FAIR

KLAMATH FALLS, Oct. 8. — At a meeting of the county court Saturday afternoon, \$2500 was appropriated for the county fair fund and \$1800 for the construction fund of the county fair board. Klamath now has a permanent asset in the fair buildings, exhibit booths, grounds, race track, and grand stands that have been erected from time to time during the past few years.

ALLEGED EXTORTION ATTEMPT LANDS MAN IN JAIL

KLAMATH FALLS, Oct. 8. — Charged with attempting to extort \$100 from his employer, W. O. Smythe, Edgar Gaskill is held here awaiting the next session of the grand jury.

Gaskill is alleged to have written a letter to Smythe demanding payment of the above sum, threatening otherwise to cause Smythe's arrest for operating a truck without a license. The letter was offered as evidence by the state. Bond has been set at \$500.

POTHIER'S CONFESSION IS READ TO THE JURY

TACOMA, Wash., Oct. 8. — Roland Pothier's third confession, in which he charged Captain Robert Rosenbluth with ordering him to shoot Major Alexander Cronkhite, was read to the jury today in the trial of Pothier for Cronkhite's murder after James Lee, former department of justice agent, identified it and related the circumstances under which it was made in his presence. Pothier said he wanted to get down to brass tacks, adding he killed Major Cronkhite, but Rosenbluth put him up to it.

MANY FAMILIES HAVE MOVED TO STATE IN MONTH

Ashland and Other Cities Report More Than 20 Families

PORTLAND, Oct. 8.—More than 500 families have settled in Oregon during September, according to a survey conducted in 35 major districts of the state by the Oregon State Chamber of Commerce. This great influx of settlers over a 30-day period has benefited practically every section of the state, according to the survey, the new families per community ranging from six in the Baker section to 70 reported at Myrtle Point, in Coos County.

Albany, Ashland, Bandon, Corvallis, Cottage Grove, Eugene, Gresham, Myrtle Point, Salem and Springfield each reported 20 or more new families in the past 30 days.

Bank deposits in the same 35 communities show an average increase of 7.83 per cent for September of this year over the same month last year.

Postal receipts show an average increase of 13.4 per cent over September of last year.

Retail sales—a complete report from three leading merchants in each of 35 communities—show an increase of 6.70 per cent over September of last year.

The buying power of the farmer shows an increase over September of last year of 10 to 25 per cent in 28 communities, is stationary in six and has decreased in one.

Data gathered through the business survey conducted each month by the State Chamber is used by statistical organizations such as Babson's, the Industrial Digest and other agencies as up-to-date resume of business conditions in Oregon.

PROHIBITION HAS COST COUNTY \$5940

Prohibition enforcement in Jackson county, up to October 1, according to the records of the county clerk's office entailed an expenditure of \$5,940.32, with the three heaviest spending months of the year ahead of the dry forces.

Aside from two or three warrants issued to "special agents", all the warrants were made out to Sam B. Sandefer, County Prohibition Enforcement Officer Sam B. Sandefer, "written and assigned to Harry G. Wortman."

The enforcement warrants by months, according to the vouch-er records, are as follows:

January	\$662.72
February	812.29
March	452.80
April	587.90
May	491.07
June	632.20
July	633.20
August	736.42
September	931.32
Total	\$5,940.32

SCHOOL HAS SAFETY PLEA FOR PUPILS

Gives Each Set of Rules to Follow to Avoid Serious Street Accidents

DIAGRAMS FOR YOUNG

Believe Adult Should be Careful as Well as Students and Set a Good Example in Traffic

An intensive campaign to arouse a greater regard for safety in the minds of the pupils of the local schools is being carried out by the school officials and the city officials, who are cooperating to avoid the usual serious accidents which occur during the school terms, such as the injury to the Brainard boy last week.

The school officials, realizing that every year accidents occur which could be avoided, are instructing the students in the proper rules of traffic, both for the benefit of the students who drive as well as those who walk.

Circulars giving the rules of the road are being distributed to the older children in the schools, while for the benefit of the younger students diagrams of the proper driving, turns, and etc., are being made on the blackboards.

The police officials have talked to the students and the traffic rules will be repeatedly emphasized to the students so as to minimize accidents.

The officials feel that it is not always the carelessness of the students when accidents occur and therefore asked The Tidings to print the circular of rules which are being distributed to the students, in order that adults may refresh their memory as to what the rules are and then set a good example to the younger citizens.

"Rules of the Road" are:

1. Drivers approaching road intersections shall give right-of-way to vehicles on the right.
2. Vehicles approaching an intersection with the intention of turning to the right shall keep to the right.
3. Vehicles approaching an intersection with the intention of turning to the right or left shall give a signal, visible to other operators: (a) if to the right, the arm shall be extended with the forearm at right angles; (b) if to the left, the arm in a horizontal position, well extended.
4. If the operator intends to stop his vehicle he shall extend his arm, moving it up and down in a vertical direction.
5. People, walking upon the highway, shall use the left hand side of such highway.
6. Riders of bicycles should use the same signals and take the same precautions as the driver of an automobile.
7. Bicycles are required to have a front and rear lamp.
8. Pedestrians should always cross at street intersections. Never do so at any other place in a town or city.
9. Before starting across a highway look for traffic in both directions. It is better to wait a minute on the street than a week in the hospital and it costs less.

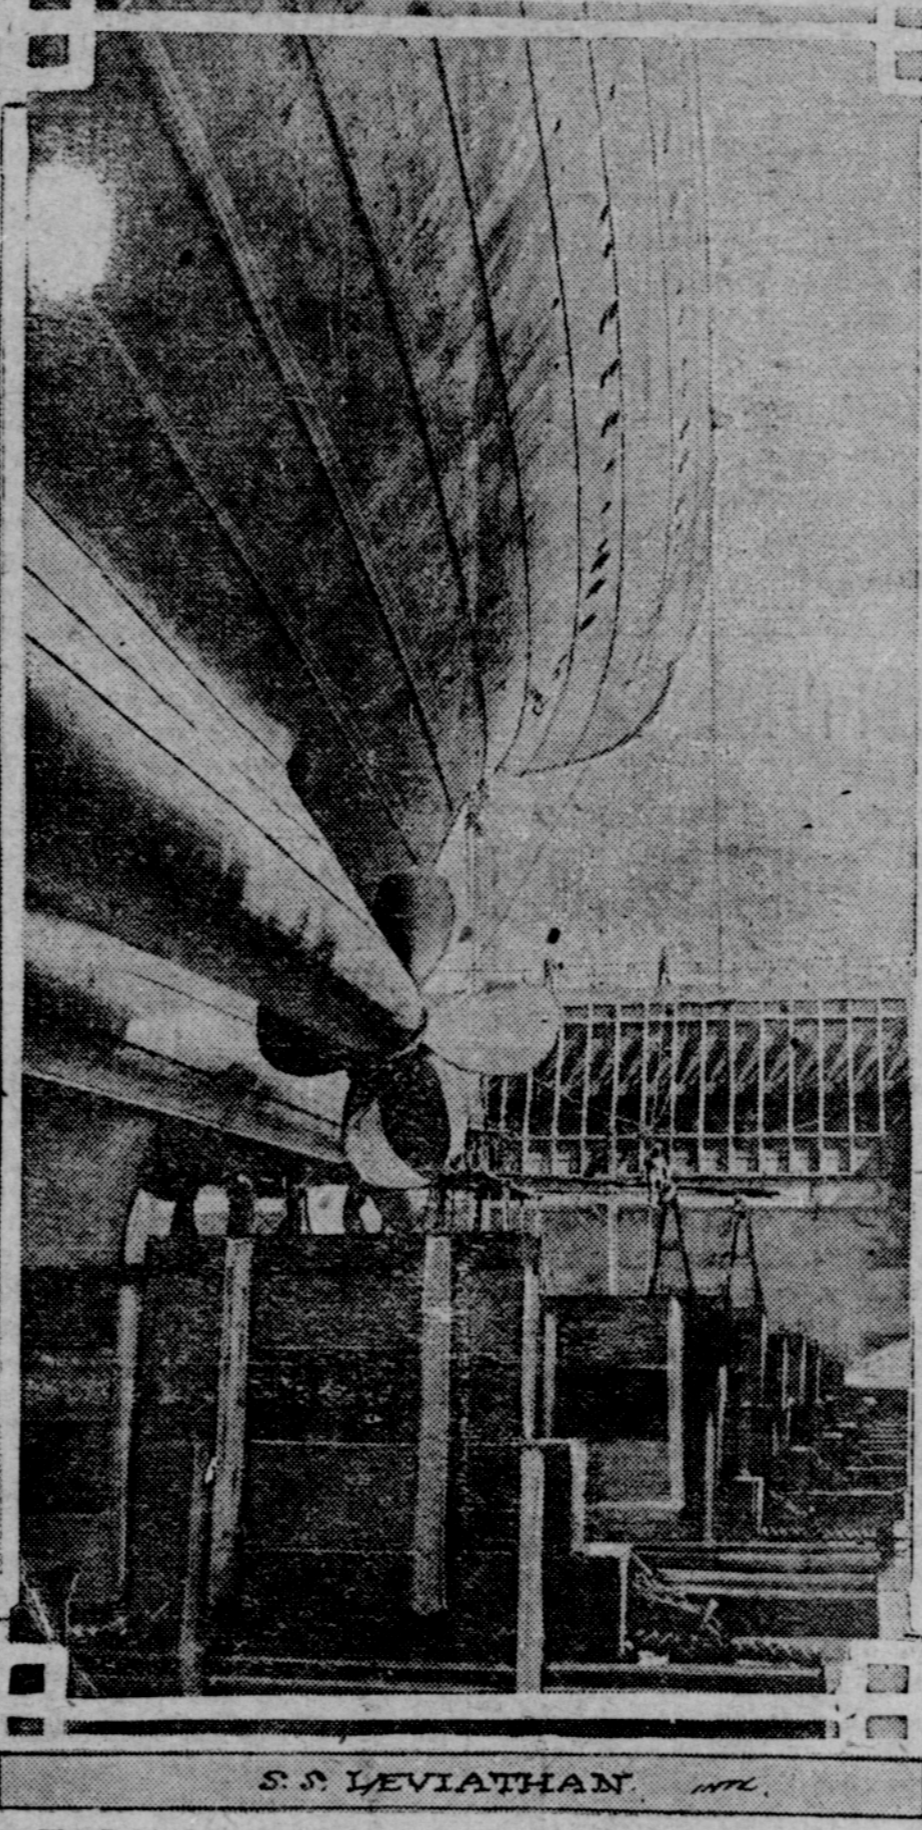

A few minutes observation on Main street of this city would reveal to any observer many infractions of these rules, any one of which infractions might result in a serious accident.

The officials emphasize the fact that, while you might sometimes gain a few seconds by doing something which you should not, you also are running the risk of losing quite a few weeks resting in a hospital.

JAKE DAUBERT IS CLOSE TO DEATH

CINCINNATI, O., Oct. 8. — Jake Daubert, captain and first baseman of the Cincinnati Reds, is hovering between life and death following a gall bladder operation and blood transfusion which was ordered to save the life of the 42 year old athlete.

GIANT U. S. LINER HAS PROPELLER OPERATION

The Leviathan, the world's greatest liner, was put in drydock at Boston to have her propellers removed. She was scheduled to have the job completed and sail on her next trip to Europe this week.

SHENANDOAH HAS UNEVENTFUL TRIP

Expected to be at Mast in Fort Worth by Midnight; Travels 56 Miles an Hour

ABOARD THE SHENANDOAH, Oct. 8. — Approaching the Alabama-Mississippi boundary and sailing smoothly over the thickly wooded hills and valleys of western Alabama, the navy dirigible Shenandoah at 9 o'clock this morning completed the first 24 hours of her 9,000 mile test flight without a mishap.

Headed due west, the dirigible rose to an altitude of 3,500 feet, making 56 miles an hour. The airship is expected to cross the Mississippi before noon at Greenville. It is likely the Shenandoah will be at its mooring place in Fort Worth before midnight.

NO MONOPOLY IN AIR ROUTE WILL EVER BE ALLOWED

Secretary Hoover Assures Radio Fans That Air Will Always be Free of Monopoly

WASHINGTON, Oct. 8.—"No monopoly exists in the radio industry in the United States and none will ever exist," Secretary of Commerce Herbert Hoover made this declaration in reply to the widespread protests against any monopoly of control of wireless communication in this country.

Oregon motorists plan to fight proposed additional tax of one cent on gasoline.

CITY LIFTS SUMMER'S BAN ON SPRINKLING

The city council Tuesday evening, at the request of property owners, lifted the ban on irrigating and sprinkling, which was clamped on several weeks ago when the shortage of water became alarming.

The hour rules which governed following the order of July 2nd, when the city was divided into four sprinkling districts will prevail until further notice, according to the decision of the council.

Use of water on orchards and hayland is also permitted according to the order being prepared by Superintendent of Water E. R. Hoeler.

East Main and North Main Streets and West of Second St. to intersection of Second and East Main Streets.

Flat rate users will be allowed to use water on Thursdays. Meter users will be allowed to use water on Tuesdays.

South East Section That portion lying South of the Boulevard and Main Sts., and East of Ashland Creek.

Flat rate users will be allowed to use water on Wednesdays. Meter users will be allowed to use water on Tuesdays.

South West Section That portion lying South of North Main Street and West of Ashland Creek.

Flat rate users will be allowed to use water on Mondays. Meter users will be allowed to use water on Tuesdays.

SALEM CAMP FEES \$5000 SALEM, Oct. 8. — Revenues from the Salem automobile camp grounds for the present year will aggregate more than \$5000, according to an estimate made here recently by the superintendent. A total of 4535 cars registered at the park in 1923, while this year's registrations aggregated 5454.

PROBING OF SLUSH FUND IS DEMANDED

La Follette Alleges Republicans Have Raised Huge Sum to Buy Election

SEN. CARAWAY FIRM

Borah Committee to Probe Party Funds Should Meet at Once, Independent Says

HOBOKEN, N. J., Oct. 8. — Reiterating his charge that the Republican party is collecting a vast slush fund with which to "buy the election of President Coolidge," Senator La Follette, independent candidate for president, again demanded today a full investigation by the Borah committee of campaign expenditures of all parties.

La Follette insisted that the Borah committee be summoned immediately and subpoenae the members of all parties to "compel them to produce their books and papers regarding the collection of campaign funds."

The members of the committee include Senator Borah, of Idaho who is chairman, Senator Jones of Washington, Senator Shipstead of Minnesota, Senator Caraway of Arkansas, Senator Bayard of Delaware. The committee is made up of Republicans, Democrats, Farmer-Labor and Progressive members.

CARTHAGE, Tenn., Oct. 8. — Senator Caraway, Democrat of Arkansas, will demand an immediate investigation of the Republican campaign expenditures as a result of the La Follette charges that a "slush fund" is being raised.

TWO HURT WHEN WRECK OCCURS CLOSE TO KENO

KLAMATH FALLS, Oct. 8. — Harry Howard, automobile sales man, is lying at the Klamath General hospital severely injured and Mrs. Fred Christy is at the Klamath Valley hospital with one hand badly cut, following a Sunday morning crash in which two cars were demolished.

Howard with Eddie Mathews steward at the Elk's club, and two other men, was returning to Klamath Falls from a dance at Keno. Topping a rise on the Ashland-Klamath Falls highway Howard suddenly came onto a car parked in the roadway.

Unable to gauge his position in the roadway because of the lights of the Christy car, Howard struck the auto head-on. Howard was thrown against the steering wheel, breaking it and rendering him unconscious. Mrs. Christy seated in the Vello car, was cut by flying glass. Nearly all the tendons of her hand were severed, according to hospital authorities.

MAILS WAIT UPON DEER

ROSEBURG, Oct. 8. — Just as friends were organizing searching parties to look for him, C. C. Carnahan, rural mail carrier out of Roseburg, walked in, carrying a big buck deer, Carnahan went hunting yesterday and killed a deer late in the afternoon. Darkness overtook him before he reached home and he was forced to camp out over night.

When he failed to return at the specified time, the family and friends became anxious, and when he failed to appear to go out on his route this morning, their worry increased. Later in the morning, however he returned carrying the buck and then proceeded out over his route.

COOLIDGE OR CHAOS, SO STATES DAWES

ENROUTE WITH GENERAL DAWES IN IOWA, Oct. 8. — A message of conservative Republicanism — President Coolidge or chaos — is being carried into the wide-open states of the midwest by General Dawes, Republican vice-presidential candidate, in a series of rear platform speeches from his special train. Dawes has sounded a warning against radicalism, reactionaries and against La Follette.

JOHNSON LOSES HIS GAME-BENTLEY WINS

N. Y. Nationals Hit Hard; Bentley Socks Out Homer; Sixth Encounter at Washington May Give Visitors World Championship; Score Is 6 to 2.

NEW YORK, October 8.—Jack Bentley beat Walter Johnson today and the Giants won the fifth game of the world series, 6 to 2, before more than 50,000 people at the Polo Grounds.

Bentley not only pitched superior ball, but socked out a home run, scoring Gowdy ahead of him in the fifth inning.

McGraw's men hit Johnson hard, making 13 hits. They found Johnson's fast ball to their liking and took the edge of the series, three to two.

Goslin, left fielder of the Senators, knocked another home run, but the bases were empty.

The sixth game of the series will be played in Washington tomorrow and the Senators must win or the Giants will capture the world's championship again.

Summary:

Washington	2	R H E
New York	6	13 0

CHINESE BANDITS HARASS STEAMER, TAKING BIG LOOT

List Includes Four Americans; Pirates Boarded Steamer as Passengers Leave

AMOY, China, Oct. 8. — Bringing a sensation story of piracy, the steamer Ningshin arrived today from Shanghai, carrying 200 Chinese and seven foreign passengers who had been terrorized for more than two days by a band of 34 pirates who seized and looted the ship and its passengers of \$10,000, including 30 cases of silver.

The pirates boarded the ship as passengers and put off from the vessel in junks. Four Americans were among the passengers on the steamer.

REDDING CITY TRUSTEES CONDEMN AWINGS

REDDING, Cal., Oct. 8.—Awards condemned by the city trustees August 13th shall be removed after October 16th by the city manager, if any still are up at that time.

This was the sweeping decision made by the city board last night. The owners will have the cost of the work done by the city representative charged against their property, according to the resolution passed.

VALLEY MINISTERS TO BE EXCHANGED

MEDFORD, Oct. 8.—Ministers of the Rogue Valley towns met at the Presbyterian church in their regular bi-monthly session. The meeting opened at 10:30 and closed at 3:30 with luncheon at noon at a local hotel. Rev. Barney Oldfield of Ashland, the new president of the organization, presided.

Besides the regular program features and the reports of the pastors, a number of new features were introduced and considerable amount of business transacted. Programs for cooperative and unified effort were promoted for the entire valley. A splendid spirit of good will and fellowship marks all of these sessions and they are hugely enjoyed by all the ministers. An informal invitation is to be extended to Klamath Valley association to combine with the Rogue Valley association.

On Sunday evening, October 19th, a novel feature of pulp exchange is to occur. The Medford, Ashland and Jacksonville pastors will exchange for the evening service. No one will preach in his own town or in the church of his own denomination. They will draw for pulpits and the speakers will not be announced beforehand, but will appear in time to take charge of the services.

KLAMATH LAKE STORING WATER FOR THAT REGION

KLAMATH FALLS, Oct. 8. — "Old Fallfall"—Upper Klamath Lake—has already begun to store water for the next season with the water still remote.

Deeply alarmed and "grave apprehension" expressed by them, the lake has risen three inches within the past few days.

This means that 15,000 acre-feet of water have been added to Klamath storage.

Fifteen thousand acre-feet means 7,500 second feet per day or 250 second feet for 30 days. Thus it will be seen that Nature again has shown her bounty to this section and demonstrated that one of her guiding fingers rests in this great area—an empire unsurpassed in all the west. With present conditions continuing still further rises are anticipated even before the regular winter rains and snowfall begin.

LINEN MILL FOR SALEM

SALEM, Oct. 8.—Several definite propositions looking to the establishment of a linen mill in the Willamette valley are under consideration, according to Thomas B. Kay, republican candidate for state treasurer, who was the principal speaker at the noon luncheon of the Salem chamber of commerce today.

Mr. Kay said one Salem man already had agreed to advance \$50,000 for establishment of a linen mill here, while another resident of this vicinity had signified his intention of investing \$25,000 in the project.

ASHLAND H. S. FOOTBALL PLAYERS AT KLAMATH

The Ashland high school football team is preparing for their football tussel at Klamath Falls Saturday. When the two teams played here recently, the game resulted in a tie, but the locals feel that it will be a different story this week, with all hopes of making it favorable to Ashland.

EIGHT-DAY SPELL OF HICCUGHING IS CONQUERED

GERER, Cal., Oct. 8.—After baffling the best medical authorities in this county for eight days with a case of continuous hiccoughing, Dee Connell of Tehama has finally conquered the spell, and has been released from a hospital at Corning, where he was confined.

A repeated diet of milk and ether finally had the desired effect of stopping the attack. This remedy, it is said, has proved satisfactory in other similar cases. Connell was worn down from the effects of the sickness, not only from the meager diet, but from the exhaustion of hiccoughing. For a time it looked as if an X-ray would have to be made of the patient's stomach, in an effort to locate the source of the trouble.
