MANY DEATHS FROM BOOTLEG LIQUOR
Recent investigation has disclosed the fact that America is flooded with falsely labeled bootleg liquor, which is causing an alarming number of deaths. Hospitals and insane asylums are drawing their quota from the army of victims whose health has been wrecked by poison booze.

In many cases the delicate lining of the stomach is partially eaten away or badly ulcerated, and the whole digestive system upset, from the effects of these vile bootleg concoctions. Even the moderate use of the stuff often develops a serious inflammation of the stomach which may finally involve the bowels and bring on appendicitis.

The first warning of digestive trouble is usually a burning sensation in the stomach after eating, sometimes accompanied by excessive gas, sour risings, nausea, vomiting, dizziness, headache or other distress. If you are a sufferer, don't experiment! Get Smith Bros.' M. A. C., the guaranteed stomach treatment, and take a dose after each meal. Money back if the first bottle doesn't give relief. Price \$1.25. East Side Pharmacy will supply you (mail orders accepted.)

PIMPLES DRIED RIGHT UP WITH SULPHUR
Apply Sulphur as Told When Your Skin Breaks Out
Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowley Mentho-Sulphur and use it like cold cream.

PORTLAND MAN GAINS 20 LBS.

Otto Segrin Says Tanlac Restored Health and Strength.

"Seven years of stomach trouble cost me lots of money, but Tanlac made a well and happy man of me and it only took about six bottles of the medicine to do it," is the striking statement of Otto Segrin, 91 E. 76th St., North, Portland, Ore.

"I had dyspepsia so bad I couldn't keep my breakfast down at all and if I ate anything heavy at night I couldn't sleep. I always felt fagged out and was hardly able to do a day's work."

"Tanlac made my stomach feel and act like new and gave me a new start on the road to good health. I also gained 20 lbs., and never felt better in my life than now. My daughter, age 15, has also taken Tanlac with fine results and I have a brother who is delighted with what the medicine is doing for him. I never fail to speak out for Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold.

MOTION PICTURES OF STATE OF OREGON ON THE UPGRADE

PORTLAND, Oct. 14. — Activities in getting the motion picture industry started in this state are gradually taking concrete form. Numerous business men of Portland have interested themselves in the proposition and are devoting considerable time and energy in getting the first picture started.

Arrangements are now being concluded to obtain the balance of funds needed to finance the filming of the first of the Oregon pictures through temporary loans from various Portland business men, and it is hoped to have this picture titled, "The Greatest Thing," completed and ready for releasing concerns within the next sixty days.

Fletcher Linn, well known Portland business man and financier, has been made trustee of these loans.
