WASH YOUR KIDNEYS BY DRINKING WATER

If Your Back Hurts or Bladder Bothers, Also Take Some Salts

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaker; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief, two or three times during the night.

To help neutralize these irritating acids; to help cleanse the kidneys and flush out the body's urinous waste, get four ounces of Jad Salts from any pharmacy here. Take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

Giving Out

The Struggle Discourages Many a Citizen of Ashland

Around all day with an aching back. Can't rest at night; Enough to make any one "give out." Doan's Pills are helping thousands. They are for kidney backache; And other kidney ills. Here is Ashland proof of their merit: Mrs. Mary A. Torrence, 843 B St., says: "I can certainly recommend Doan's Pills for I know they do what is claimed for them. I have used them off and on for some time. My kidneys were weak and I had such distressing backaches, I could hardly keep at my work. I had severe headaches and dizzy spells and the action of my kidneys was irregular. Doan's Pills from McNair's Bros.' Drug Store were just what I needed and a short use has always stopped the backache and other signs of kidney trouble."

TELL HIM NOW (Author Unknown)

If with pleasure you are viewing any work a man is doing. If you like him or you love him tell him now; Don't withhold your approbation till the person makes oration. And he lies with snowy lilies o'er his brow.

For no matter how you shout it, he won't really care about it; He won't know how many tears-drops you have shed.

If you think some praise is due him, now's the time to slip it to him, For he cannot read his tombstone when he's dead.

More than fame and more than Money is the comment kind and sunny. And the hearty, warm approval of a friend;

For it gives to life a savor, and makes you stronger, braver, And it gives you heart and spirit to the end.

If he earns your praise bestow it; if you like him let him know it; Let the words of true encouragement be said; Do not wait till life is over and he's underneath the clover, For he cannot read his tombstone when he's dead.

Entertainers at Home—A charming party was given Friday evening at the home of Miss Isabelle Silver on Oak street in honor of her birthday. The house was decorated in Hallowe'en colors, with orange and black candles, lamp shades and bouquets of autumn leaves.

Neeley-Perkins Wedding—A very pretty wedding was solemnized in Medford Sunday, October 19th at 12:30 when Miss Lena Perkins became the bride of Mr. Milton M. Neeley. The wedding was held at the Methodist parsonage, with the Reverend E. E. Gilbert of Medford officiating.

lous wedding dinner was served by the sister of the groom, Mrs. Henry Bostwick, at her home on West Tenth street. Mrs. L. Neeley, G. E. Neeley and wife, Lynn Neeley and Mr. and Mrs. Bostwick made up the wedding party.

The groom is the son of Mrs. L. Neeley of this city and is an employee of the California-Oregon Power Company. He is well known in Ashland, having lived here most of his life.

Style Hint—PARIS, Oct. 21.—Mathematics have invaded the realm of fashion, and now the elements of geometry seem to be necessary to every designer.

Some of them are calling it textile marquetry, or veneering—this featuring of combining two or more fabrics in geometric patterns. Doeulle uses two materials, such as black satin and black velour de lain to make some curious figures that are familiar to people who handle the pencil and compass.

Sometimes a single material, like broadcloth, or ottoman, will be cut out and pieced on the same material to form diamonds, squares, bars, or triangle patterns. Grandmother's old patchwork quilt has nothing on these modern designs.

They serve for trimming as well as for something useful, like indicating the waist-line, which is wandering more than ever these days. A smart model, in black crepe, has a waist-line made in this manner, using white triangles, beginning high in the front and dropping toward the back.

Cheruit, who is making very irregular hem-lines, sometimes indicates them with curious patches, round and square.

TWO DECORATORS HELD FOR TAPESTRY THEFT. PORTLAND, Oct. 20.—Frank Taylor and H. C. Banfield, proprietors of "The Tapestry Shoppe," 2626 Harrison street, Milwaukie, were arrested Saturday.
