POLITICAL ANNOUNCEMENTS

G. W. Millam Independent Candidate for County School Superintendent of Jackson County, Oregon.

ANNOUNCEMENT

In announcing myself as an Independent candidate for Coroner for Jackson county:—I do so with the firm belief that the people do not want minority rule. It is proven that the direct primaries are a failure, only 30 per cent vote was cast at the spring primaries, which is not a voice of the people. In this election all parties have the privilege of voting for their choice.

I need no introduction to the people of Jackson county where I have lived for 15 years, and given the best of my life, time and money for the upbuilding and betterment of the entire community.

I have been assistant to the present coroner for eight years

and understand every detail of the work, therefore I am competent to handle the affairs of the office. Yours for clean, progressive and efficient women and men in office in Jackson county. NELLIE M. PERL.

ANNOUNCEMENT

County Coroner In announcing my candidacy for the office of coroner, I feel that I am no stranger among you, as I was duly nominated at the May primary on the republican ticket for which I am thankful. And I hold out the same belief now as then that the majority should and must rule and am at all times willing to strictly abide by their decision. Regarding the office for which I aspire, will say that I still hold out the belief that the office should not continue for the fifth term under the same management however efficient it may be, and should it be placed in my charge I shall surely exercise the same judgment and efficiency which alone has brought about my success as an undertaker.

Trusting that by your voice at the election polls I may be placed in a position to be of greater service. I truly remain, H. W. CONGER. Medford, Ore. Pd. Adv. Medford, Ore.

IF KIDNEYS BOTHER TRY DOSE OF SALTS

Drink Quart of Water if Your Back Hurts or Bladder Troubles

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity, also to help

neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders. Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications. By all means have your physician examine your kidneys at least twice a year.

OUCH, LUMBAGO PAIN! RUB BACKACHE AWAY

Kidneys cause backache? No! Listen! Your backache is caused
