POLITICAL ANNOUNCEMENTS

G. W. Milam Independent
Candidate for County School Superintendent of Jackson County, Oregon.

ANNOUNCEMENT

In announcing myself as an Independent candidate for Coroner for Jackson county:—I do so with the firm belief that the people do not want minority rule. It is proven that the direct primaries are a failure, only 30 per cent vote was cast at the spring primaries, which is not a voice of the people. In this election all parties have the privilege of voting for their choice.

I need no introduction to the people of Jackson county where I have lived for 15 years, and given the best of my life, time and money for the upbuilding and betterment of the entire community.

I have been assistant to the present coroner for eight years and understand every detail of the work, therefore I am competent to handle the affairs of the office.

Yours for clean, progressive and efficient women and men in office in Jackson county.
NELLIE M. PERL.

ANNOUNCEMENT
County Coroner
In announcing my candidacy for the office of coroner, I feel that I am no stranger among you, as I was duly nominated at the May primary on the republican ticket for which I am thankful. And I hold out the same belief now as then that the majority should and must rule and am at all times willing to strictly abide by their decision. Regarding the office for which I aspire, will say that I still hold out the belief that the office should not continue for the fifth term under the same management however efficient it may be, and should it be placed in my charge I shall surely exercise the same judgment and efficiency which alone has brought about my success as an undertaker.

Trusting that by your voice at the election polls I may be placed in a position to be of greater service.

I truly remain,
H. W. CONGER.

Eat Again Like a Hungry Boy
You can remember when you were a boy how eagerly you waited for meal time to come and how you enjoyed the good things your mother set before you. You were young and strong then and your digestive organs were functioning properly. But since then you have over-worked your digestive organs and now you may be on the highroad to becoming a confirmed dyspeptic. You can quickly eliminate your trouble, tone up the digestive and eliminative organs, and bring back the lost appetite of boyhood.
