Says Allenrhu Surely Conquers RHEUMATISM

Mr. James H. Allen, of 26 Forbes St., Rochester, N. Y., suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenrhu, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers.

"The blessed relief this marvelous prescription quickly gives has made for it thousands of friends," says East Side Pharmacy, who has been appointed agent in your city. It is Mr. Allen's own discovery.

SAYS KIDNEYS CLOG AND NEED FLUSHING

Drink Water Freely and Often, Also Take Salts if Back Hurts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs and excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

FAVORITE RECIPES Poached Eggs Olga PARIS, Nov. 6.—For "Poached Eggs Olga" poach six eggs in the usual manner. Drain and arrange each one upon round tartlines of buttered bread spread with a paste made with beef marrow and a spoonful of chopped onion browned in butter and bound with a good meat-juice.

Nap the eggs with a paprika-sauce. Garnish the centers with a thin layer of mushrooms cooked in butter. Put each rondelle upon a small escalop of calves' brains breaded in butter.

Chicken in Half-Mourning PARIS, Nov. 6.—"Chicken in half-mourning" gets its name from the white mushrooms and black truffles that go into the making. A tender hen, or young chicken, may be used. Cook in a quart of bouillon for about thirty or forty minutes. Pass the bouillon through a linen cloth, and with this make a good cream sauce. Let it cook slowly for twenty minutes and bind with the yolks of two eggs and one-fourth pound of double cream. Let cook over a hot fire for a few minutes and then pass it through a fine sieve. Add one-half pound of very white mushrooms, cooked with lemon and cut into small slices, as well as some black truffles, also cut up.

Remove the chicken and cut into small portions. Arrange upon a platter and nap with the sauce.

VITAL GLANDS SAVE LIFE That the important glands of the human body are necessary to maintain life is a well-established scientific fact. It is stated by Dr. Serge Voronoff, who has devoted years of study and experiment to organotherapy, that every organ of the human body depends upon the glands for proper functioning. Glands that function perfectly are responsible for desired qualities which should exist in every normal man or woman.

Glandogen, the new scientific gland tonic, prepared in tablet form provides a simple method of taking glandular treatment. Glandogen, for men and women, is obtainable at East Side Pharmacy. Mail orders accepted.

WOMEN WILL SEEK CURE ALL FOR WAR

WASHINGTON, Nov. 5.—A conference at which six of the largest women's organizations of the country will be represented will be held here January 18 to 22, to determine a cause and cure for war, it was announced today by the General Federation of Women's Clubs.

Organizations who will send representatives to the conference are the National League of Women Voters, National Young Women's Christian Association, Women's Christian Association, the Women's Christian Temperance Union, American Association of University Women and the Council of Jewish Women.

The proposed meeting is the result of steps taken at the convention of the League of Women Voters in Buffalo last Spring. At that time a committee representing the several women's organizations was formed. Mrs. Carrie Chapman Catt later appealed to the General Federation of Women's Clubs for co-operation in an anti-war crusade.
