A large attendance from Medford was present and the meeting was altogether a very successful one. A pleasant evening was spent following

Dinner Party—Mrs. Fred Cushing charmingly entertained at dinner at her home on North Main street Tuesday at five o'clock, in honor of her birthday. Before the dinner the group were entertained by the wonderful picture "Abraham Lincoln" which was being shown at the Vining. A sumptuous four-course dinner was served to the delight of the guests.

The table was exquisitely decorated with pink rosebuds and pink mints in place baskets of the corresponding color were at each place.

Guests of the occasion were Mr. and Mrs. De Buque of Central Point, Louise Ridley, Mr. Hearst and Mr. and Mrs. Fred Cushing.

Civic Club (Continued)—The following was omitted from yesterday's Civic Club report.

Miss Hicks stressed the importance of the right sort of books for children and sounded

a warning note against camouflage. A fair title did not always mean fair subject matter. Suggestions were made in juvenile selection, and suggestive lists were given for adults, many of them by authors and critics. One, offered food for thought in that but four books of those named were fiction and one of those written twenty years ago. It was a very helpful hour.

At the close of the business meeting, in which reports were given and announcements were made, one of which told the net results of the card party last Tuesday \$42, and the other, given by Mrs. G. G. Eubanks, related to the coming series of entertainments, the president called on Mrs. A. J. Stone, a former president and active worker in the club for many years to address the club. Mrs. Stone was the fifth president of the organization, and she related some of the difficulties that beset the pathway at that time, congratulating the club in the progress made in acquiring the beautiful Club home. She expressed her pleasure in it and in being again with friends and former co-workers. Mrs. Stone is a guest of Mrs. H. G. Gilmore at the Columbia.

Mrs. Chattin, Miss Chamberlain and Miss Blumenfeld were the hostesses for the afternoon, and at the social hour which followed the program hour, tea was served. Miss Chamberlain and Mrs. Chattin presided at the table, with its cheery bowl of gay chrysanthemums. The executive board meeting was held at the close of the afternoon's session.

NEW MEXICO FOR COOLIDGE ALBUQUERQUE, N. M. Nov. 6.—That the Coolidge landslide might even extend to New Mexico was believed today when a majority of 32 counties gave the president a slight lead, indicating his plurality to be more than 1000.

"I have used Tanlac exclusively for 7 years in the treatment of my charity patients," said Mrs. Borden, "and my experience had been that for keeping the stomach, liver, kidneys and bowels functioning properly, and for toning up the system in general, it has no equal.

"About a year ago I had a lady patient who could not keep a thing on her stomach fifteen minutes, not even water. I prevailed on her to try Tanlac and after the sixth bottle she could eat absolutely anything she wanted without the slightest bad after-effects. My confidence in Tanlac is unlimited."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

GENEVA, Nov. 6. — The protocol for the pacific settlement of international disputes, drafted by the assembly of the league of nations at its last session, has been signed by Paraguay. It was announced at league headquarters today.

More than a dozen states have signed the protocol but thus far

it has been officially ratified only by Czechoslovakia.

DALLAS, Ore., Nov. 6. — Mrs. E. C. Boardman, wife of a sawmill operator at Airle, is in the Dallas hospital, terribly burned as the result of an explosion of a

lamp which she had filled with gasoline which she had mistaken for kerosene.

A 7-year-old daughter saved her mother's life by wrapping her in wet sacks. The child also extinguished the flames that had been started in the house by the ex-

losion.
