KIDNEYS NEED LOTS OF WATER AT TIMES

If Back Hurts or Bladder Bothers, Also Take a Little Salts

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so that they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.

The ownership of the securities of great public service corporations by individuals has reached a stage where we can properly say that such public utilities are really "publicly owned." That is, they are owned today by millions of stockholders and bond holders instead of by a comparatively few persons as in the past.

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenru, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed the East Side Pharmacy to dispense Allenru with the understanding that if the first pint bottle does not show the way to complete recovery he will gladly return your money without comment.

East Side Pharmacy is my appointed agent in your city. If you live out of town I'll gladly send you free particulars.

THANKSGIVING DAY

Thanksgiving Day—What does it mean?
To this great world we're living in?

"I know," says Jack, a lad of six. As good, fat nuts he slyly picks—"Good things to eat, and fun and tricks."

Shouts Jim, fourteen: "No school nor books,
Till Monday Morn—Just games and 'cooks'—"

No troublous thoughts nor frowning looks.
Sweet-sixteen Nan: "O, yes, I know:
I'll dance the 'Trot' with my best beau—
And then a-motoring, off we'll go."

Dear Grandma's thoughts go to the past—
"The years are passing, O, so fast."
She'll see old friends—"Is it the last?"

And mother knows that all must eat—
She senses weary mind and feet—
For others' sake, she must keep sweet.

And Dad, dead Dad! Turkey, ice cream—
Bills to be paid, disturb his dream—
But he glides bravely in the stream.

Thanksgiving dawns—and at its birth,
Peace seems to reign all o'er the earth.

To everyone in love, not fear
The meaning of the Day comes clear.

With one accord, with thanks and praise,
Their voices to our Lord they raise.

The Lithians entertained their ladies with a dance at the Civic Club Tuesday evening. The affair was carefully planned and as a result everything went off without a hitch. Music was furnished by Loveland's orchestra and a number of new dance pieces were introduced. Practically every Lithian was present, accompanied by his wife or a friend.

The committee in charge of the affair were V. D. Miller, Mrs. S. A. Peters and Gerald Wenner.
