Relieve Sickness Through Glands Says Scientist

Dr. Serge Voronoff, an international authority on glands, says: "The brain, the nerves, the muscles, as well as the liver, the kidneys and all other organs would be incapable of playing any useful part without the aid of the glands. The functioning of our organs is no more than the result of the activity of our glands, and when the bodily functioning is disturbed, the cause, in most cases should be sought, not in the condition of the organ itself but in the condition of the gland which controls it."

Glandogen, the new scientific gland tonic, prepared in tablet form provides a simple method of taking glandular treatment. Glandogen, for men and women, is obtainable at East Side Pharmacy. Mail orders accepted.

WHEN BACK HURTS FLUSH OUT KIDNEYS

Drink Lots of Good Water All Day, Also Take Salts Occasionally

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

Thanksgiving party

The "White Elephants" enjoyed a Thanksgiving "Parcel Post" party at the home of Rev. and Mrs. V. K. Allison Friday evening with Jimmie Briggs, and the Misses Ruth Anderson and Mildred Harris in charge. Various jolly games appropriate for the season were indulged in. Arthro Swingle, Charles Putman and Miss Elsie Crowson tying for first honors in a Cornucopia memory test, while Arthro Swingle again covered himself with glory by writing the most cleverly worded Thanksgiving telegram. The exchange and opening of the parcels with which each guest came provided, proved to be the jolliest event of the evening.

Supper partners were found by matching colored advertisements representing articles of good apt to be found on the Thanksgiving menu, after with a tray lunch of sandwiches, cake and cider was served.

During the short business session which followed plans for various other social affairs were made, among them a "hog-killing" breakfast at the Plaza at 8:30, December 21, to which only members of the White Elephant class are to be invited and at which time the toy pig banks will be opened and the money in them turned over to the church treasurer as part of the classes contribution toward the new church building.

After the appropriate country sausage of tenderloin breakfast the class plans to walk in a body to the church for Bible school. This class is exceedingly proud of its record, having grown from the smallest to one of the largest and the most active classes in the Christian Bible school during the past few months.

Upper Valley Meeting—The Upper Valley Community Club held their regular meeting Wednesday at the home of Mrs. F. H. Walker. Dressmaking occupied most of the morning and part of the afternoon. "Who Do" Meeting—The "Who Do" class of the Methodist church met at the home of Mrs. J. E. Angwin Friday afternoon. A short program was given during which Miss Berna Haight played several selections on the piano in her imitable way. The regular business meeting was held and the annual Christmas dinner was planned and the date set for the 19th of December. At this event the husbands are the invited guests. Following the business meeting a social hour was enjoyed by the large number of ladies present.

At the close of a pleasant afternoon refreshments were served by the hostess, assisted by Mesdames Thurlow and Ada Hartley.

The party was occasioned by the birthdays of these two women, and their many friends brought the refreshments and planned the affair. Games and music occupied the hours which were much too short.

Toward the close of the evening lovely refreshments, chief among them a huge birthday cake, were served. The cake was beautifully decorated with small pink candles.

number of important matters were decided. Among the many, the club endorsed the suggestion made that the singing of Christmas carols be a feature of the holiday time, and the club will aid in every way. Mr. G. H. Yeo is to be asked to take charge in a general way. Much enthusiasm was displayed over the delightful concert given as the first number that appears December 9 was highly recommended. Announcement was also made of the series of Sacred concerts to be given at the Presbyterian church, the last Sunday of every month under the direction of Mrs. Vivian N. Woodside. A report from Miss Hicks stated that there were now four musical magazines on file in the library for the use of club members. "The Musician" had been newly ordered for the club.

Suggestions were made concerning the afternoon at the Civic Club, in which the entire program is given by the Ashland Music Study Club. This will occur on March the 16th.

Mrs. E. O. Smith was in charge of the program hour and as a truly delightful opening number Miss Imogene Wallace played "Life's Eventide," a composition written for the organ, by Prof. H. G. Gilmore on his eighty fifth birthday. It was very beautiful and won appreciative applause and thanks that the club was permitted to hear the selection and so sympathetically interpreted.

The book "The American Prima-donna" was under discussion at this meeting, led by Mrs. E. O. Smith, who began the story of Louise Kellogg, covering her life and work until her success was assured. Miss Estelle Jones began with her career during the Civil War and discussed her work from that on, until she reached the zenith of her powers.

At this point the Club enjoyed a group of three numbers effectively played by Miss Berna Haight. "To a Water Lily" from Woodland Sketches; "The Idyl," Opus 39; and "A Song" from Sea Pieces—all by MacDowell. In response to hearty applause Miss Haight played "To a Wild Rose."

Mrs. A. E. Woods continued the review of the singer's life as told by herself and wonderfully interesting it all was. Each one on the program was thoroughly prepared and presented the subject
