OLD FOLKS
are as much benefited by a bath-a-day as younger ones—providing there is proper bathing equipment
Old people find bathing under a shower, easier than clambering in and out of a bathtub
For them and for others, a separate shower stall is inexpensive and convenient.

THANKSGIVING DAY
It is a thing to be thankful for that we, here in the wonderful Rogue River Valley, never seem to suffer the business depressions, the serious loss of crops, the terrific storms that many other sections of the country have to contend with.
Sometimes we may think things are bad enough, but if we stop to compare, we, here, will find a lot to be thankful for.
