KIDNEYS MUST HAVE PLENTY OF WATER

Also Take Salts Occasionally if Your Back Hurts or Bladder Bothers

Kidney and bladder irritations often result from acidity, says a noted authority. The kidneys help filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weaknesses, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Begin drinking lots of soft water, also get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will help neutralize the acids in the system so they no longer are a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by acid irritation. Jad Salts causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink which may quickly relieve your bladder irritation. By all means have your physician examine your kidneys at least twice a year.

BEAUTY

Blanche Logan O'Neal I had one time thought that beauty

Was merely pleasure to the eye. A splash of color in the sun. Stars sifted o'er a purple sky. The song of apple trees in spring. A humming bird on gauzy wing.

I have found that noble beauty is not a rare and fleeting sight. It lies in humble tasks well done. In hearts that strive to beat aright.

In hand shy love made willing, worn, In such as these, is beauty born. From the Portland Oregonian.
