PNEUMONIA USUALLY STARTS FROM COLDS

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately. Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Ashland buy it from Eastside Pharmacy.

Who Do Class Entertains—

The members of the "Who Do" class of the M. E. Church entertained the husbands at a Christmas party Friday evening. The evening was spent playing games, conversing and doing stunts. A short but excellent program was given with Mrs. Madden and Miss Afton Madden playing several beautiful selections on the piano. Mrs. Thompson gave a reading of an original poem about the class.

A beautifully decorated Christmas tree caused a great deal of comment among the many guests and the gifts presented were much appreciated.

Refreshments were served by the members of the class at a late hour and after an exceedingly pleasant evening the group adjourned.

The rooms were decorated with a profusion of Christmas greens, bells, tinsel and the effect was charming.

Over thirty people were present to enjoy the affair.

Student Entertained—

OREGON AGRICULTURAL COLLEGE, Corvallis, Dec. 21.—Irene Keller of this city was a guest at a midnight birthday supper given at Snell hall Friday night. Places were set for eight guests. Miss Keller is a senior in the school of vocational education and a resident of Snell Hall.

Bellevue Entertainment—

A large number of Ashland people are planning to attend the Bellevue entertainment which is being given at the school tonight. A peppy program has been arranged and everything is in order for a jolly time. Playlets, readings and songs will occupy the evening and a number of well-known Ashland citizens are participating. The program will be as good as if not better than the excellent program which was given by the same people last year.

Entertained Sunday—

Mr. and Mrs. Ed. Barron of this city entertained with a turkey dinner at their home on the Pacific Highway Sunday, honoring her birthday. A delicious dinner was served by Mrs. Barron, who is known through the valley as a wonderful cook.

Guests for the day were Messrs. and Mesdames G. S. Butler, A. R. Brown, Jesse Neif and Mrs. Elizabeth King.

Entertain Carriers—

The Tidings carrier boys were enjoyably entertained at the home of Mrs. Gerald Gunter Saturday evening. A three-course dinner was served at six-thirty and the guests then adjourned to the parlor where a large Christmas tree, decorated with candy canes and small presents, greeted them. The canes were passed to the boys, Robert Elson receiving a large one which was won by drawing slips of paper.

A number of games were played during the evening and much laughter and merriment ensued. At a late hour the guests adjourned wishing for more of these happy events.

Mrs. Gunter was assisted by Misses Edith Dodge and Isabelle Silver.

Those present during the evening were Howard Wiley, Robert and John Elson, Arthur and Merle Gilbert, Clarence Woods, Earl Lininger, Misses Edith Dodge and Isabelle Silver and Mr. and Mrs. Gerald Gunter.
