SERIOUS LUNG TROUBLE STARTS WITH COUGHING

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Lending physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand. BALSAMEA has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately. Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children. Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Ashland buy it from Eastside Pharmacy.

KIDNEYS NEED LOTS OF WATER AT TIMES

If Back Hurts or Bladder Bothers, Also Take a Little Salts

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so that they no longer irritate, thus helping to relieve bladder disorders. Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean. A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.

Will Gland Discovery Make Us a Race of Wonder Men?

Recent wonders that have been worked by gland "magic" lead Science to believe we shall soon become a race of wonder men. Recent press dispatches tell of one scientist who has observed great benefits in 1500 cases under treatment; of another leading physician who reports success in 9 cases out of ten, with records kept of over 1000 patients taking the glandular treatment. Men from 35 to 73 years of age have regained youthful vigor, strength and "pep" to such an extent that they can perform athletic feats that would put to shame many a young man of twenty.

Glandogen, the new scientific gland tonic, prepared in tablet form provides a simple method of taking glandular treatment. Glandogen, for men and women, is obtainable at East Side Pharmacy. Mail orders accepted.

Printing and Newspaper Publicity

The Tidings conducts both a daily newspaper and also a job printing shop the two cooperating to make printing and advertising more productive.

How is this cooperation working to the advantage of those who have their printing done in the Tidings print shop?

A local organization recently staged an entertainment, for which they needed both printing and newspaper publicity. On their printing and newspaper advertising order The Tidings made a reasonable profit, at the same time giving the organization's entertainment profitable publicity through the newspaper advertisement and the neatly printed forms

Because of the profit The Tidings made from the printing and advertising, the newspaper was able to afford to give more cooperation in the news columns, which made the entertainment more successful, without any greater cost to the organization than the printing would have been without the cooperating-publicity in the news columns.

The Tidings will be glad to cooperate with you in giving you the widest publicity to your entertainments, business or profession.
