## PNEUMONIA USUALLY STARTS FROM COLDS

Physicians warn against neglecting  
coughs and colds and tell of the  
serious lung complications  
that may result. Leading physi-  
cians now prescribe BALSAMEA  
for all bronchial affections. BAL-  
SAMEA is a pure vegetable prep-  
aration made from a newly dis-  
covered plant. Dr. Benj. F.  
Crawtree, Anderson, Mo., writes:  
"I use it exclusively for my prac-  
tice and my family. It is quick,  
sure and safe in its action like  
nothing else."

Toward the end of the influ-  
enza epidemic a government phy-  
sician noticed that a tribe of In-  
dians in Nevada, by the use of oils  
from a native plant were immune  
from the ravages of influenza.  
He used these oils among his  
white patients and then in a hos-  
pital overflowing with "death"  
cases. News of the results swept  
the world and for some time it  
was not possible to supply the  
demand.

BALSAMEA has now been  
standardized and gives uniformly  
miraculous results in four ways:

1. It soothes the inflamed mem-  
branes and relieves irritation.
2. It increases secretion of mucus  
and permits easy expectoration.
3. It stimulates pores of the skin  
in throwing off body poisons and 4  
It strikes at the cause, checking  
germ action immediately.

Do not confuse it with ordi-  
nary balsam cough syrups that are  
only soothing syrups and do not  
go to the base of the trouble.  
Unlike other cough remedies  
BALSAMEA is free from coal tar  
and other harmful narcotics.  
Pleasant to take and absolutely  
safe to give to children.

Be sure you get BAL-SAMEA  
with the picture of the Indian on  
the package. Guaranteed to re-  
lieve any cough, no matter how  
what cause, or your money back.  
All druggists sell BALSAMEA. In  
Ashland buy it from Eastside  
Pharmacy.

### COMB SAGE TEA IN HAIR TO DARKEN IT

**It's Grandmother's Recipe to  
keep her Locks Dark,  
Glossy, Beautiful**

The old-time mixture of Sage  
Tea and Sulphur for darkening  
gray, streaked and faded hair is  
grandmother's recipe, and folks  
are again using it to keep their  
hair a good, even color, which is  
quite sensible, as we are living in  
an age when a youthful appear-  
ance is of the greatest advantage.

Nowadays, though, we don't  
have the troublesome task of  
gathering the sage and the mussy  
mixing at home. All drug stores  
sell the read-to-use product, im-  
proved by the addition of other  
ingredients, called "Wyneth's Sage  
and Sulphur Compound." It is  
very popular because nobody can  
discover it has been applied. Sim-

**PUT CREAM IN NOSE  
AND STOP CATARRH**  
Tells How To Open Clogged  
Nostrils and End Head-Colds

You feel fine in a few minutes.  
Your cold in head or catarrh will  
be gone. Your clogged nostrils  
will open. The air passages of  
your head will clear and you  
can breathe freely. No more dull-  
ness, headache; no hawking,  
snuffling, mucous discharges, or  
dryness; no struggling for breath  
at night.

Tell your druggist you want a  
small bottle of Ely's Cream Balm.  
Apply a little of this fragrant,  
antiseptic cream in your nostrils,  
let it penetrate through every air  
passage of the head; soothe and  
heat the swollen, inflamed mucous  
membrane, and relief comes  
instantly.

It is just what every cold and  
catarrh sufferer needs. Don't stay  
stuffed up and miserable.

**Sing Carols**—  
Twenty-two members of the  
Epworth League arose at the  
early hour of four-thirty a. m.  
Thursday morning and journeyed  
to twenty-one different places  
singing Christmas carols. The  
carols were those which are so  
well known and appreciated by  
all and the group practiced for  
many hours before rendering  
them. This work was done by  
the entire League and is an an-  
nual event. Much appreciation  
for the songs was shown at the  
various homes where the occu-  
pants were not able to attend any  
services. H. O. Anderson took  
the group in his truck around  
the town.

At seven o'clock the young  
people went to the Methodist  
church where a delicious break-  
fast, prepared by the fourth de-  
partment of the League, awaited  
them. They feel that the hours  
spent in this manner Christmas  
morning are a great deal of fun  
besides cheering Christmas Day  
for a number of people.
