There are 135 inches of snow at the rim of Crater Lake and 102 inches at Anna Spring camp, which is five miles from the rim and much lower and it was still snowing according to a phone report received at the Crater National Park Offices there this morning from the park ranger, Pete Oard.—Medford Mail Tribune.

To Have Archway —  
Grants Pass is planning an archway of Redwood logs to be placed at the junction of the Pacific highway entrance to the Redwood highway. The plan calls for two redwood log uprights and a cross bar with an attractive namplate on the cross log. This would give the tourists their first view of a redwood log and might aid in advertising this great scenic highway. — Grants Pass Courier.

Forest Grove — Regents of Pacific University plan campaign for \$500,000 for new buildings.

ASHLAND PRAISED BY  
NEW BUSINESS MAN  
was so pleased with the surroundings that he stayed nearly a week. Before coming to Ashland Mr.

Allen made inquiries as to the stability of the banks and business houses and found the city to be in excellent financial conditions. Ashland has a wonderful future, he said, as a tourist center and resort and it is well advertised throughout the United States.  
The fact that Ashland is the smallest city in the world with a Shrine is also a great factor in bringing people to the city as it shows that the residents are wide awake and interested in the town.

### SPECIAL
