SERIOUS LUNG TROUBLE STARTS WITH COUGHING

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Ashland buy it from Eastside Pharmacy.

THE BACK TRAIN HOME

(By Frank J. Bellamin) At eventide a sea-bird's cry The twilight silence broke And memories of home reply With words that mother spoke: "Good-bye, dear boy, and don't forget Back trails where'er you roam!" And, mother, dear, my eyes are wet, Tonight I think of home.

While sea-birds flit across the moon, Their cries are hurting me, But rising tides will find us soon A-heading out to sea. —From The Lariat.

CALENDAR OF EVENTS

Social Circle

The Alpha Social Club held its annual meeting in the Masonic Hall Tuesday afternoon. A pleasant social hour was followed by a call to order by the president, Mrs. Caroline Schuerman. Mrs. Mazie Bates, secretary, read the report of the club for 1924, telling of the meetings held and the work accomplished, not the least of which is to promote sociality and to make visiting members of the Eastern Star feel at home in our community.

Mrs. Joyce Ellis as treasurer reported \$80 in the treasury. A motion was made and carried that \$50 of this be turned over to Alpha Chapter for forwarding its work.

A rising vote of thanks and appreciation was tendered the retiring officers. The following officers were elected for 1925: President, Mrs. Lorena McNair; vice-president, Mrs. Mazie Bates; Secretary, Helen McCallen; Treasurer, Cordelia

Keep Glands In Balance Says Physician

In an interesting interview, Dr. Samuel J. Staub, according to a recent dispatch, said that people suffering from that "below par" feeling, accompanied by loss of appetite, sleeplessness, loss of weight and so forth, can be set right by having the balance of their glandular secretions restored. Glandogen, the new scientific gland tonic, prepared in tablet form, provides a simple method of taking glandular treatment. Glandogen for men and women, is obtainable at East Side Pharmacy. —Adv.

POST OFFICE INCOME SHOWS GOOD GAIN

The business of the Ashland postoffice for the calendar year just closed reflects the prosperous condition of the community during 1924. The returns recently made to the department show an increase of postal receipts proper of a small fraction less than 20 per cent for 1924 over a like period in 1923. The showing is highly creditable, the percentage of increase being exceeded by a few if any postoffices in the state.
