Those smiling, glinting eyes wring adoration from indifferent years.

**JEW'S REBUILDING PALESTINE — THE REASON**

The Prospect of Jerusalem Becoming the Capital of the World

The Jews have been without a homeland for over twenty-five hundred years. Their last king, Zedekiah, was dethroned in 606 B. C. The prophecies of the Bible indicate that "seven times," or 2,520 years, should pass over their heads before they would be rehabilitated in the land given to Abraham and his posterity and receive again their national power. This returning favor from God began in 1873 when Lord Beaconsfield, a Jew, prime minister of Great Britain, succeeded in having a clause written into the Berlin Treaty of that year permitting the Jews with equal rights to possess land in Palestine. The World War broke down other barriers, and since 1918 great strides have been made toward reclaiming the Holy Land for the ancient people.

The restoration of Israel does not mean that commercialism is to be enthroned, nor that higher criticism is to be a dominant factor in the new government to be established in Palestine. Not every one who claims to be a Jew is a Jew. A Jew from Jehovah's viewpoint is one who is the offspring of Abraham and has the faith of Abraham. The restoration of the Jews at this time is by divine favor and nothing can stop it.

God made two promises to Abraham: One was that in his seed all the families of the earth were to be blessed; the other was pertaining to the land. "Look from place where thou art, northward, and southward, and eastward, and westward; for all the land which thou seest, to thee will I give it, and to thy seed for ever." (Gen. 13:14, 15). The first of these promises was foreshadowed in Abraham's son by Sarah, which according to St. Paul is Christ and His Church, selected during the Gospel dispensation. The Messiah for whom the faithful Jews are

looking is the great composite Priest and King; and some Jews are beginning to see this very apparent Scriptural teaching. This Messiah is the "Seed." And it is the Seed which is to bless all the families of the earth.

Because of God's dealings with Abraham He gave particular attention to the Jewish people; to them He gave the Law, supervising their welfare through judges and later through kings — giving them favor when they were obedient, and punishing them when they were going astray. The Lord through the prophet Amos says: "You only have I known (favored) of all the families of the earth." But the time came when because of unbelief they were to be chastened "seven times" (Lev. 26:18, 24), which allotted time terminated in 1914.

When Zedekiah was dethroned Jehovah sent His word through the prophet Ezekiel (21: 25-27): "Thou profane wicked prince of Israel, whose day is come, when iniquity (apparently sanctioned by me) shall have an end; thus saith the Lord God: Remove the diadem, and take off the crown: this shall not be the same... I will overturn, overturn it; and it (the kingdom) shall be no more, until he come whose right it is; and I will give it him." The prophet Daniel clarifies the matter by saying (7:27): "The kingdom and the dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the Most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him" — the composite Messiah.

That the kingdom is to be established under the whole heavens means that the ruling power will be spiritual; therefore the seed of Abraham must be spiritual. This was stated by Jehovah in symbolism, thus: "I will multiply thy seed as the stars of heaven." And that the land was to be rehabilitated and the kingdom of Israel restored and receive the long-deferred blessing from the long-deferred blessing from the said: "And as the sand which is upon the seashore." That the Gentile nations are going to seek the favor of God through this agency, God's covenant continues: "And thy seed shall possess the gate of his enemies; and in thy seed shall all the nations of the earth be blessed; because thou hast obeyed my voice." Genesis 22:17, 18.

Because of these promises Jesus confined His preaching to Israelites; and His disciples were not permitted to go to the Gentiles until the "seventy weeks" of Daniel's prophecy had fulfillment, when St. Peter was given a vision teaching him that Gentiles were now privileged to be fellow-heirs of the spiritual, phase of the Abrahamic promise.

The Jews were given a jubilee system to govern their national affairs, and these were to be seventy jubilees. This totals a period of 3,500 years, beginning with the year 1575 B. C., and therefore terminates in the Fall of 1925. Thus we have chronological information showing that between 1914 and 1925 are years

of preparatory work among the true Israelites, for them to lay the foundations upon which shall be built the superstructure of a permanent government for the blessing and uplift of all tongues, nations and peoples. But first the Jews who are to be honored in the source of their blessing and exaltation; and if they cannot recognize that the composite Messiah is Christ and His Church changed to spirit beings and that the New Testament Scriptures are as much sacred writings as those of Moses and the Prophets it will be necessary for God to mete out to them other punishments, which may be very severe because of the shortness of the time they have to recognize divine power working in their behalf.

It is not necessary for the Jew to become a Christian and to accept the doctrines of the confusing creeds to have God's favor. True Christians must experience a change of nature in the resurrection, but the masses of mankind shall live upon the earth; live under their own vines and fig trees, build houses and inhabit them, and long enjoy the work of their hands. The earth is to become like Eden, and the human family will be restored to mental, moral and physical perfection, and if faithful to the truth, be privileged to live forever. "Thy kingdom come, thy will be done in earth as it is in heaven." The reason, then, for the rebuilding of Palestine is that "out of Zion (the glorified Church) shall go forth the law, and the word of the Lord from Jerusalem." (Isaiah 2:3) And the radios are being installed upon the house tops to receive the mes-

PNEUMONIA USUALLY STARTS FROM COLDS

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe **BALSAMEA** for all bronchial affections. **BALSAMEA** is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

**BALSAMEA** has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation, 2. It increases secretion of mucous and permits easy expectoration, 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies **BALSAMEA** is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get **BAL-SA-ME-A** with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell **BALSAMEA**. In Ashland buy it from Eastside Pharmacy.

**Hot Water Gusher Is Struck in Thames Valley**

LONDON, Jan. 26. — After boring for water for eighteen months in the ground of Holloway Sanatorium, Virginia Water, near Great Windsor Park, the boring party have struck a spring — of hot water — which at one time appeared as though it would flood the village of Stroud.

Huge quantities of water rushed from the sanatorium grounds to the main road between Virginia Water and Staines, and clouds of vapor from the flooded roadway gave the appearance of fog.

When tested the heat of the spring proved to be 97 degrees Fahrenheit.
