DRINK WATER FREELY IF KIDNEYS BOTHER

Also Take, Salts if Back Hurts or Bladder Troubles You

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids, to help cleanse the kidneys and flush off the body's urinous waste get 4 ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness. Jad Salts is inexpensive; can not injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

Kill The Germs That Cause Your Cold

Cold in the head comes from germs in the membranes. They cause the inflammation, the stuffiness, the discharge.

Apply Ely's Cream Balm in the nostrils and breathe it. It is antiseptic. Relief is almost instant. The head is cleared, the inflammation soothed, the discharge is checked.

That's the right way to deal with a head cold. Fight the germs where they are. Then never again let a head cold get started. Apply Ely's Cream Balm at once. Ask your druggist for a bottle and watch its quick effects.

SAGE TEA DARKENS HAIR TO ANY SHADE Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears and after another application or two, it becomes beautifully dark and glossy.

Dinner Party—Misses Ruth Sims and Grace Hawkard were guests at a delightful two o'clock dinner at the home of Mr. and Mrs. Will Dodge on the Boulevard Sunday afternoon. A delicious three-course dinner was served on an artistically arranged table. Following dinner the group journeyed to the Emigrant Creek dam.

The Civic Club is giving a dancing party at the club house this evening at eight-thirty. The affair is under the auspices of the social committee and a number of invitations have been issued. The evening will be spent dancing and light refreshments will be served.

BALSAMEA has now been standardized and gives uniformly maraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucus and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Ashland buy it from Eastside Pharmacy.

It is interesting to note that every auxiliary to the Legion in the state has a "Cookie Day" and they are scheduled at different times of the year so that the veterans are supplied with cookies at all times. At nine o'clock every evening the cookies are served with a glass of milk before the veterans retire.
