SERIOUS LUNG TROUBLE STARTS WITH COUGHING

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians that now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Ashland buy it from Eastside Pharmacy.

APPLY SULPHUR ON YOUR ECZEMA SKIN—Costs Little and Overcomes Trouble Almost Over Night. Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

CALENDAR OF EVENTS—Tuesday, February 10. P. E. O. will entertain husbands at the home of Mrs. A. E. Kinney. Thursday, February 12. Elks Ladies Club will meet in club rooms. Saturday, February 14. College Club will have luncheon at Hotel Medford.

Elks Card Party—The members of the Elks Ladies Club entertained the Elks and their families at a delightful card party at the clubrooms Wednesday evening. Bridge, five hundred and Mah Jongg were played during the evening and fitting prizes given to the ladies and gentlemen having high score. Mrs. Nate Bates and Andrew McCallen won high score in bridge and Mr. Shell and Mrs. Hanamaker in five hundred. A hand painted incense burner was given to Chick Farlow who had high score in Mah Jongg. Rummy was also enjoyed by a group and Mrs. E. V. Carter and J. P. Wolf were awarded the prizes for that game.

Over one hundred members of the lodge and their families were present and the affair was voted a most successful one.

At a late hour salad, biscuits, cake and coffee were served by the hostesses for the evening, Mesdames Jess Neil and J. P. Wolf. The biscuits were made by E. G. Lawrence, representative of Fisher's Blend flour, who has been supplying biscuits for a number of social events in the city. The decorations were furnished by the Ashland Greenhouse and Mr. Sanders arranged many beautiful potted plants in the club rooms.

Parent-Teacher Council—The Ashland Council of the Parent-Teachers Association met at the Library at 2:30 yesterday afternoon and held their regular business meeting. Mrs. A. N. Humphrey, president of the organization, presided. After the routine business it was voted to write Senator George Dunn and Legislators Carlin and Cowgill, urging them to do everything possible to further the interests of the child labor amendment, the kindergarten bill and the normal bill.

The vacancy of several offices was filled by an election with the result that Mrs. Jerry O'Neal was elected vice-president and Mrs. George Rose secretary. A committee was appointed from the council consisting of Blanche Hicks, Mrs. B. F. Powell, Mrs. Hitchcock and J. H. Hardy, to interview the school

Gland Treatment "Rejuvenates" Broker

"I'm just as young as I used to be, and it's all due to gland pills. Here I am 72, and I feel just as spry and full of vim and pep as if I were only 30 or 40."

This testimony to the virtue of gland treatment was voiced recently by Robert George Laws, a retired London stock broker, during a short visit to this country.

"I was in the Kingston hospital in London when I first tried the tablets," said Mr. Laws. "After I had taken the fifteenth tablet I left the hospital and haven't been back since. I still take a tablet now and then, and I think they are the real fountain of youth."

Glandone, the new scientific gland tonic, prepared in tablet form provides a simple method of taking glandular treatment. East Side Pharmacy will supply you.

board relative to manual training in the schools.

Mrs. D. Perozzi, member of the playground committee, gave a report of their work during the past year.

Trinity Guild Meeting—The Trinity Guild of the Episcopal Church met at the Parish House yesterday afternoon and held their regular semi-monthly meeting. A short business meeting was held with the president, Mrs. G. H. Hedberg in the chair, and routine business transacted.

Following the business meeting a social hour was spent doing fancy work and planning for benefits and bazaars to be held in the future.

At the close of a very pleasant afternoon dainty refreshments were served by Mrs. Bevington and Mrs. Frank Dean, hostesses for the afternoon.

Goods Arrive—The household goods belonging to W. W. Allen have arrived in Ashland and Mr. Allen expects to move into the house formerly occupied by John Finerman in a short time. Numerous improvements including kalsomning and painting are being made.

Discuss Water Problem—

The city water commission held a meeting last night at which routine business was transacted and the water situation in general was discussed. Former Mayor E. C. Gaddis is the new member of the commission, having been appointed to fill the vacancy created some time ago by the resignation of B. E. Harder. — Medford Mail Tribune.

"Happy Days" Just add this sparkle to your morning glass.

Here is the way to happy days, to fitness and good cheer. It is saving millions of dull days of lost days. The way is this: On rising drink a glass of water, hot or cold. That washes the stomach and fits it for food. Add to the water a little Jad Salts. That makes an effervescent drink. Jad Salts are made from the acids of grape and lemon, plus lithia, etc. Right after breakfast comes complete relief. The poisons and wastes are eliminated. That makes you unfit is gone. It's a wonderful experience. At 7 o'clock one may be cross and dull, may hate to face the day. At 8 o'clock one is cheerful and fit, starting the day with joy. The way is easy, pleasant, prompt. It is harmless, and it aids the stomach, the kidneys and bowels. You will always use it when you try it once. Clip this coupon now and see.
