White Elephant Party
The White Elephant class of the Christian Church, taught by Dr. Maude Hawley, was delightfully entertained by Reverend and Mrs. V. K. Allison at their home on the Boulevard last Friday evening. About forty members were present.

A delightful evening was spent playing all manner of Valentine games. A heart hunt furnished one of the joys of the evening and the winner, Miss Ruth Anderson, was given a beautiful basket of candy hearts. Sides were then chosen and one side given white and the other red hearts. The object was to throw the hearts into a basket and the one throwing the least hearts furnished a stunt. Much amusement was occasioned when couples tried to find "ifs" in a picture, the one finding the most receiving a beautiful Valentine, with a verse containing many "ifs". Miss Ruth Anderson and Henry Van Proyen were the successful ones in this contest.

Supper partners were chosen by shooting at cupid's and at supper the girls were given red aprons and the boys napkins. Salad, heart shaped cakes and many other delicious things were served by the hostess, assisted by Eunice Hagar and Jean Putman.

This class is planning to give three parties a month until the last of July. The first scheduled is an indoor picnic and those who come will be asked to bring a covered dish, plate, cup and knife and fork. Lunch cloths will be spread on the floor and many other delightful features have been planned. The committee in charge of this party is Ida Gaenell, Laidla Culbertson, Aleta Cozart, Eli Davis, Tom Harris.

Other parties for the year include a "Mad March Hare" party for March, a "Trip to Blarney Castle" for April, an April Fool's party, "Hobo Picnic" and a "Hare and Hound Hunt."

DOCTORS SAY: DON'T NEGLECT COUGH OR COLD

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with 'death' cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly wonderful results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Ashland buy it from Eastside Pharmacy.

Past Noble Grand
The Past Noble Grand Club met Friday afternoon, February 13, at the home of Mrs. Butler Walker on East Main street. Seventeen Past Noble Grands were present for the occasion and Noble Grand Mrs. Bessie Crouch was an honored guest of the club. During the business session many plans for social and bazaars to be given in the near future were discussed. These will be given to raise funds to defray the expense of entertaining the Grand Lodge, I. O. F., and the Rebekah Assembly which will convene in annual session in Ashland next May.

Mrs. Walker, assisted by Mrs. Lena Nelson, served dainty and delicious refreshments. The tables were beautifully decorated in keeping with St. Valentine's Day.

Meet at Plaza
The members of the D. A. R. who are to attend the picnic at the Blue Flower Lodge Saturday are asked to meet at the Plaza at 12:30 on Saturday to take cars from there. The luncheon is to be given Saturday instead of Friday as was stated in a recent issue of the paper. The affair promises to be most interesting and practically all of the members are planning to attend.

All Day Meeting
The "Who Do" class of the Methodist church will have an all day meeting Friday, February 20, at the home of Mrs. S. J. Chaney on Laurel street. Each one is asked to bring a covered dish, plate, cup and silverware. This is the first meeting of the year and a large attendance is expected.

Splendid Meeting at Civic Club
Another of the worthwhile programs that are arranged for the Civic Club meetings was given yesterday at the Club-house with Mrs. V. A. C. Ahlf, of Grants Pass as principal speaker. The address was prefaced by two beautiful piano solos, played by Miss Lorraine Brookmiller.

A short business meeting was held in which the changes in the next four programs were noted and interesting reports were made. Because of Mr. and Mrs. Page leaving sooner than expected, the reception planned will not be given.

"Speaking of Willa" was the theme of the gifted speaker, who stressed particularly two phases of her subject: "Dower and Courtesy" and "Estates in Entirety." Ahlf brought to the attention of her audience pertinent facts from her broad knowledge of the subject and presented them in so forceful and interesting a way that those fortunate ones present would be prepared to face many a problem that arises in connection with the disposal of property.

Mrs. Ahlf has a delightful personality and graciously stayed answering questions long after the hour had closed. It was understood that rather than disappoint

Take Salts If Stomach Isn't Acting Right

Says Indigestion Results from an Excess of Hydrochloric Acid.
Undigested food delayed in the stomach decays, or rather ferments, the same food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyperacidity meaning there is an excess of hydrochloric acid in the stomach which prevents complete digestion and start food fermentation. Thus everything eaten sours in the stomach much like cabbage sours in a can, forming acids and gases which inflate the stomach like a toy balloon. Then we feel heavy, lumpy misery in the chest we belch up gas; we eructate sour food or have heartburn, flatulence, water trash or nausea.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink it while it is effervescing, and furthermore, to continue this for a week. While relief often follows the first dose, it is important to help neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice combined with lithia and sodium phosphate. This harmless salts is used for many stomach disorders with excellent results.

Kidnap Girl

Miss Mary Ellen Mellon, stepdaughter of R. E. Halliburton, wealthy Oklahoma City, Okla., merchant and a distant relative of Andrew B. Mellon, of Pittsburgh, Secretary of the Treasury, was attacked in her home and kidnaped by robbers she surprised. When she attempted to scream, she was beaten, gagged, bound and carried to a waiting automobile. Several miles away from her home she was thrown out on the roadside and lay unconscious for several hours before being found.

The Club she secured another lawyer to take her place, that she might be here on this occasion. To her the club feel deeply grateful for sharing with them and their friends the fund of knowledge given in this splendid address.

Mrs. Weston Henry, with the Boys' Chorus of Junior High came later in the afternoon and sang "The Flag with out a Stain", as a closing number; Mrs. Henry in solo, and the boys giving the chorus. It was greeted with appreciative applause.

The hostesses, Mrs. L. Hilly, Mrs. P. K. Hammond and Miss Blanche Hicks, served tea, with Mrs. Hilly and Miss Hicks presiding at the daintily appointed

Everybody is—when stomach and liver are out of order. Dyspepsia, indigestion, biliousness, constipation and laziness quickly removed with Chamberlain's Tablets. Take two tonight and you will feel good tomorrow. 50 for 25 cents. Sold everywhere

Dr. Serge Voronoff, an international authority on glands, says: "The brain, the nerves, the muscles, as well as the liver, the kidneys and all other organs would be incapable of playing any useful part without the aid of the glands. The functioning of our organs is no more than the result of the activity of our glands, and when the bodily functioning is disturbed, the cause, in most cases should be sought, not in the condition of the organ itself but in the condition of the gland which controls it."

Glandogen, the new scientific gland tonic, prepared in tablet form provides a simple method of taking glandular treatment. The East Side Pharmacy will supply you.

Youthful Elopers Freed and Wedded in Church
PHILADELPHIA, Feb. 18.—John Salus and Mildred Kumssek, fourteen, of Girard, O., on an order by Judge Edwin O. Lewis, in Quarter Sessions Court, were released from custody and permitted to complete their elopement to this city to be married.

Salus lived on a farm adjoining the girl's father's home in Ohio. They came to this city on January 12 to be married. When they applied for a marriage license, however, and the girl's age was revealed, the license was refused. Later in the day they were eating in a restaurant when a waitress, who had overheard their conversation and noted the youthfulness of the girl, called a policeman, and they were arrested.
