The above letter can be appreciated when taken into consideration that Wisconsin has led the states of the Union in land settlement work, which record has been made possible on account of state aid. Oregon's work has been done through voluntary effort and subscription.

The future of Oregon land settlement may be gleaned from the letters of people who write to the Land Settlement Department daily for home seeker's information.

A late inquiry from William D. Nice, of Happy Camp, Calif., who wrote the Portland office from Ashland.

REGISTRATIONS AT OREGON TO SET NEW MARK
(Continued from page one)

As applications of new students will be accepted until registration day, Sept. 24 and 25, the total is certain to exceed 1098, Mr. Spencer says. Already the credentials of 1017 new students

have been accepted by the entrance committee, of which approximately 800 are freshmen. At this time last year 843 new students had been accepted, and in 1937, 879. This year's freshman class will set a record.

CROSS PACIFIC PIERS SAFE IN HONOLULU
(Continued From Page One)

picked up showed that the plane had drifted more than navigators had believed possible.

Navy officers here staged a wild outburst of glee when told that the PN-9-1 had been saved. "It was still hoping against hope that the boys would be saved," said Capt. Moses. "I can't tell you how happy this makes

Small saddles for boys and girls to ride to school on, cheap, \$9.00 and up. See to your plows and harrows, to be ready for the first rain. Posts and fencing. I have a few White Sewing Machines left over. Will close them out for \$55.00 each, at

PEIL'S CORNER

The men of the PB-1, the big Boeing plane which is still counted upon to make the Hawaiian trip, were overjoyed.

"That's the navy for you," said Commander J. H. Strong, its captain.

The general feeling about navy headquarters was that rescue of the men would make it possible for the PB-1 to attempt the flight, now that the shroud of tragedy has been lifted.
