NOTICE TO CREDITORS
NOTICE IS HEREBY GIVEN, that the undersigned has been appointed administrator of the estate of Charles G. Johnson, deceased, by the county court of Jackson County, Oregon, and has qualified. All persons having claims against said estate are notified to present same to me at my law office in the City of Ashland, Oregon, with proper vouchers and duly verified, within six months from the first publication hereof, which is September 13, 1925.
W. J. MOORE,
Administrator.
16-4 Sat.

NOTICE OF HEARING OF FINAL ACCOUNT
The final account of Lena H. Nelson, the administratrix with the Will Annexed, of the Estate of Lind Nelson, deceased, has been filed in the County Court in and for the County of Jackson, State of Oregon, and the Honorable W. J. Hartwell, Judge, of said Court has designated October 12, 1925, at ten o'clock a. m. at the Courthouse in Jackson, said County as the time and place for a hearing thereof. Any person having objections to said account are required to present such objections on or before the date of said hearing.
LENA H. NELSON,
Administratrix
10-4 Sat.

Wolves Visit Moscow; Kill Thirty Cows
MOSCOW—For the first time in the memory of Muscovites, wolves have appeared in the outskirts of Moscow during the Summer and have already killed thirty dairy cows.
Wolves have frequently visited Moscow in Winter, but their coming in Summer is highly unusual, and is believed to be indicative of the unprecedented multiplication of the animals under the prohibition against bearing arms by the peasantry.

600 MILLION YEARS IS CHICAGO'S AGE
CHICAGO—A geological and paleontological "history of Chicago," beginning with a time some 600,000,000 years ago when life is first known to have existed in this locality, is being written by Dr. Henry W. Nichols, associate curator of geology of the Field Museum.
Dr. Nichols, who regards the years and centuries that have elapsed since the first living things began to crawl hereabouts as little more than split-seconds in eternity, has begun an intensive study of the earth formations and fossil remains here. The results of the investigation will be written into the history and published by the museum.
The history, according to Dr. Nichols, will start with the Cambrian period, some few million years in length, when invertebrate animals (without backbone) and some obscure principal plants were the chief inhabitants. These consisted mostly of worms, brachiopods and crab-like trilobites and seaweed vegetation.
"The site of Chicago," Dr. Nichols said, "was then a part of a great continent, larger than the present North American continent. The climate was subtropical. There were no fish or other animals with backbones, for they had not yet appeared on earth."
The worms of the period—strange organisms with legs centiped fashion—naturally will play an important part in the data compiled. It was from these worms that most scientists

THE FIRST BAPTIST CHURCH (Incorporated)
B. C. Miller, Pastor
"What is Our Goal?" This will be the theme for the morning by the pastor. Have you thought seriously of this? What is YOUR goal? If you are a child of God you have one. What is it? In the evening the pastor will preach on "The All Sufficiency of Christ." The greatest service we have held for many months, both in attendance and interest was held last Sunday evening in the Bungalow. We have now a stove and the building may be heated and made comfortable.
Our Bible school is held at 9:45. Here the older classes are studying the Word of God without lesson helps. Each brings his Bible. It is our text book. Adequate provisions are now made for all classes as to room in the new quarters. Young people at 8:30. Childrens church at 11 a. m. We preach the Word, the whole Word and nothing else but the Word. Come with us and we will do these good.
RECOMMENDS IT TO HIS FRIENDS
"Pass it along to everyone if possible," writes Landon Taylor, Dorchester, Iowa. "I hope it will help others the same as myself. Every morning I was dizzy and could hardly walk, but now I feel fine. I never thought the change possible in taking your pills." FOLEY PILLS, a diuretic stimulant for the kidneys, flush the kidneys and increase the amount of waste matter carried out of your system. Sold everywhere.

First Church of Christ, Scientist
Pioneer Ave., 5.
Sunday service at 11 o'clock.
Subject: "Matter." Sunday school at 10 o'clock. Wednesday evening meeting at 8 o'clock. Reading Room open daily from 2 until 5 p. m., except Sundays and holidays.

First Baptist Church
Myron S. Woodworth, Pastor
Sunday school 9:45. Preaching 11:00. Rev. A. Segsworth will preach at this hour. The pastor will preach at the evening service at 7:30. Please note the change in the evening hour. Young People's meeting at 8:30. Prayer meeting Wednesday at 7:30 p. m.

Trinity Episcopal Church
Vicar, the Rev. P. K. Hammond
Church school at 9:45. Morning service and sermon at 11. Evening service at 7:30. Strangers and visitors cordially welcome.

Church of Christ
V. K. Allison, Minister
Bible School Rally day program will be given Sunday morning, Oct. 4. Some very pleasing numbers are being prepared for that day. Also basket dinner at noon in the dining room of the church and business meeting at 2:30 p. m. An effort is being made to have Sime and "Ma" Sledge, nationally known characters in Sunday school affairs, to be present. Sime and Ma are cartooned each week in the "Look-out."
Services next Lords Day at usual hours. Bible school 9:45 a. m. Sermon at 11:15 a. m. Subject: "To Every Man His Work." Christian Endeavor at 7 p. m. Evangelistic service at 8 p. m., sermon: "Scripture Searching Saints." The public is invited to all services.

First Congregational Church
W. Judson Oldfield, Minister
Boulevard and Main streets.
Sunday school at 9:45 a. m., with classes for all grades and ages. Bring your Bible. Morning service at 11:00; subject: "God's Estimate of the Man Who Misses the Mark." Christian Endeavor at 6:30. Evening service at 7:30; subject: "The Benefit of Companionship With God." Prayer meeting every Wednesday evening at 7:30. The public is cordially invited to all the services in the Little Church with the Open Door of Welcome To All. Especially to All Who are Needing Sympathy, Counsel and Encouragement.

Methodist Episcopal Church
S. J. Chaney, Minister
The Sunday school will meet at 9:45. Classes are provided for all ages and all are welcome. There were 284 present at the Sunday school hour last Sunday. The pastor will speak at both the morning and evening church services. There will be special music by the chorus choir. The evening service will be evangelistic with an opening song service. Come and help to sing the songs you like to sing. Miss Nadine Swaning is the leader for the Epworth League meeting at 6:45 Sunday evening. All are cordially invited to all the meetings at the Methodist church.

First Presbyterian Church
Our Sunday school attendance was one third larger last Sunday than the Sunday previous. Send your children, or better yet bring them with you. There are classes for all and you will be welcome.
Morning worship at eleven o'clock. The subject for discussion by the pastor will be "The Dynamic of Life."
The Senior Christian Endeavor

600 MILLION YEARS IS CHICAGO'S AGE

German Officers Save Bolsheviki Baltic Fleet
RIGA—According to War Commissar Frunze, if it had not been for the German officers the recent maneuvers of the Bolsheviki Baltic fleet would probably have ended in wreck- age.
Frunze, who has just forced the resignation of Fleet Commander Zoffe, upon the warships' return to Petrograd, said that Zoffe, a former jeweler's apprentice, on several occasions nearly wrecked the entire fleet. Stormy weather also incapacitated 80 per cent of the officers and crews, who had not been to sea before.

New Low Mark for Births in London
LONDON—Fresh emphasis has been given to the scare over England's declining birth-rate by the publication of birth-rate figures for London showing that 1924 was the lowest birth-rate year on record.
The rate, which was 18.6 per 1,000 shows that London's wealthier classes are having smaller and smaller families every year. Westminster Borough, in which live many of the wealthiest and most aristocratic families, had a rate of only 11.2 per 1,000.
On the other hand, the eastern boroughs of the city, in which dwell most of the poorer population, all had rates of more than 21 per 1,000.
