STEWART'S
WASHINGTON LETTER
By CHARLES F. STEWART
NRA Service Writer

WASHINGTON — Chafty M. Cailaux: He managed to give the impression that he wanted to arrange payment of France's debt to America, only America wouldn't let him. He came over and negotiated. He couldn't get the terms he'd hoped for. He didn't like to appear to be ending the discussion, so he placed the Washington government in the position of seeming to do it. He let the story leak out that he and Secretary Mellon had reached an agreement. In reality they hadn't. But the story was printed and the government had to deny it. Just before the denial was issued Senator Smoot told the correspondents that a statement was coming. "What will it be?" asked the correspondents. Senator Smoot (grimly): "The truth"—this time. No, Senator Smoot didn't say "this time," but he acted like that was what he meant. Well, M. Cailaux couldn't stay any longer. Away he went leaving America hardly as near to getting her money as she was in the first place.

The first night the three of four hundred delegates to the Interparliamentary Union convention spent here, most of them left their footwear outside their doors to be polished while they slumbered, after the European fashion. The hotel help did the polishing all right, but, not being used to that kind of thing, got the shoes mixed up in redistributing them. They do say it was a sight to behold and an awful to listen to, when those delegates undertook to sort them out in the morning, quarreling over them in 41 different languages. Linguistic difficulties were noticeable also at the Interparliamentary Union.

All Out of Sorts?
So Was This Ashland Woman Who Tells Her Experience

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that headache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Ashland case is one of many: Mrs. Sarah Boots, 338 B St., says: "I was in a bad condition with kidney trouble and became so weak and run down I could hardly walk. My back ached constantly and my kidneys acted too frequently. My limbs and feet were swollen and I had dizzy headaches and nervous spells. I used different remedies but didn't get any better until I tried Doan's Pills. They soon helped me." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Boots had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

All GENERAL dealers are "Home Folks"!

To make GENERAL Gasoline the most efficient fuel that a distinctive, modern refining process can produce and then to market it to the public as economically as possible—that is an important feature of the policy of General Petroleum Corporation.

And so, GENERAL does not and will not compete with its authorized dealers. Every GENERAL dealer is an independent, self-operating business man selected carefully for fitness to serve the public well and authorized to sell GENERAL products.

Consequently, all GENERAL Dealers are "home folks." Each is interested vitally in the welfare of his community; each is dependent on the success of his neighbors and the patronage of his neighbors for his own success. Each sells GENERAL because he wants to.

These are from men and women of every station, many of whom you may know. You will learn by reading this book why I can give a WRITTEN GUARANTEE to cure you. Please see this book in the stores or write for yours.
